A BRIEF BIOGRAPHY OF OUR GRAND MASTER

Born in the city of Hamilton, Eric W. Nancekivell has to his credit a lifetime of service, not only to the city of his birth, but to a continually increasing provincial and national jurisdiction. In addition to his family, his time and talents have been shared in a variety of endeavours such as his chosen profession of medicine, his service to country, his place of worship, and in an area in which his brethren are most familiar, Masonry.

Most Worshipful Brother Nancekivell took his elementary school education in the Hamilton school system. He obtained a baccalaureate degree in Arts from McMaster University and studied medicine at the University of Toronto where the M.D. degree was conferred upon him in 1943.

The son of a family physician, Bro. Nancekivell followed in his father's profession, as did his brother. In addition to discharging the responsibilities of a large family practice he is a member of the Hamilton Academy of Medicine, the Ontario Medical Association, the Canadian Medical Association and the College of Family Physicians.

Married to the former Isabel McCutcheon, a graduate in nursing from the Hamilton General Hospital, the Nancekivells have two sons, Graham, majoring in biological science at the University of Guelph, and Bill, a Humanities major at McMaster University in Hamilton.

Over a period of thirty-two years Bro. Nancekivell has been associated with the military services. He shared his medical skills while he served as Medical Officer with the Royal Canadian Medical Corps in Canada and Overseas, and in a similar capacity with the Argyll and Sutherland Highlanders (P.L.). His interest and capability in music is shown by his contribution as a member of a military band and in church choir work.

He is a member of St. Stephen's-on-the-Mount Anglican Church where he has served as Warden, as bass soloist of the choir and a licensed lay reader of the church.

His contribution to Masonry extends over several years and has been motivated by a high sincerity of purpose and dedicated interest in the Craft. Initiated into Hillcrest Lodge, No. 594, G.R.C. in 1947, he is also a charter member of Composite Lodge, No. 667, G.R.C. Installed Worshipful Master of Composite Lodge for 1953, he was elected to the office of District Deputy Grand Master of Hamilton District B in 1960. He has served on the Board of General Purposes of Grand Lodge continuously from 1962 to the present time and upon his election as Deputy Grand Master in July 1973, became Chairman of that Board. For eight years he served with distinction as Chairman of the Committee on Benevolence.

Bro. Nancekivell was initiated into Hiram Chapter, R.A.M., in 1973. He is a member of Hamilton Lodge of Perfection, Hamilton Chapter of Rose Croix, Moore Sovereign Consistory, the Royal Order of Scotland, and has been elected to receive the 33rd Degree in the A.A.S.R. of Freemasonry in September, 1975.

A distinguished gentleman, practising physician, citizen and Mason he comes to the office of the Most Worshipful the Grand Master with proven qualities that make him well suited to discharge the duties and responsibilities of this high and important position. More important, he comes to the office assured of the confidence, respect and gratitude of the members of the Grand Lodge of Canada in the Province of Ontario who are anxious to make his term of office a highly pleasant, successful and satisfying experience.

GRAND MASTER'S ADDRESS

To the Officers and Members of the Most Worshipful
Grand Lodge, A.F. & A.M. of Canada, in the
Province of Ontario.

My Brethren:

It is a great thrill for me to preside over the 120th Annual Communication of this Grand Lodge. During the past year I have attempted to visit with as many of my Brethren as it has been possible. It has been a glorious experience to serve as your Grand Master and I extend to each of my Brethren my sincere thanks for the opportunity of meeting with you and forming strong and lasting friendships.

It is our great pleasure to welcome our guests from our Sister Jurisdictions, from the Grand Chapter of Royal Arch Masons of Canada in the Province of Ontario, from the Supreme Council of the Ancient and Accepted Scottish Rite of Canada and from the Sovereign Great Priory of Canada. I have been thrilled during my visits to our Sister Jurisdictions by the warm friendship and hospitality extended to your Grand Master or his representative. I shall always remember the many friendships I have made during the past two years. It is my sincere hope that our distinguished guests will be most happy and let me assure them that they are very welcome and if we can make their stay with us more comfortable please let us know. We trust that they will someday return to visit us once more.

We are holding our 120th Communication in the Royal York Hotel and I wish at this time to thank the Metropolitan Past Masters' Association for their sincere efforts on our behalf. All arrangements are excellent and we look forward to a very successful meeting. We are so grateful to see the smiling face of V.W. Bro. Burnie C. McClelland, who, for so many years has formed and led our parade. Our best wishes are extended to him for continued good health. We also wish to thank R.W. Bro.

Robert Strachan and R.W. Bro. Robert Truscott for all the assistance given so freely to make this meeting of Grand Lodge a success.

I wish to assure you, my Brethren, that the smoothness with which this meeting is run is the result of the diligent attention given to details by M.W. Bro. J. A. Irvine, our beloved Grand Secretary, and his staff at Grand Lodge. I would express, on your behalf, sincere thanks and gratitude.

NECROLOGY

During the past year death has taken a great toll of our membership and I am sure we will long remember those who have given so faithfully to Freemasonry.

I. WELLINGTON SMITH

R.W. Bro. I. Wellington Smith was born in Alfred, Ontario, December 26, 1897, and passed to the Grand Lodge Above on May 13, 1975.

Our revered brother was initiated, passed and raised in Granite Lodge, No. 446, Fort Frances, Ontario, and served that lodge as Worshipful Master in 1941. He was elected Grand Senior Warden in 1956 and to the Board of General Purposes in 1959, serving that body with distinction for four consecutive years, and was Grand Representative of the Grand Lodge of Texas at his death.

Bro. Smith will be long remembered for his gentle and warm personality.

CYRIL C. MARTIN

R.W. Bro. Cyril "Cy" C. Martin passed away after a long illness in St. Catharines on April 7, 1975, a merciful release from his severe pain. Bro. Martin was District Deputy Grand Master of Niagara District "B" in 1953-54. He was a valued member of the Board of General Purposes from 1964 to 1969 and was Grand Representative of the Grand Lodge of Connecticut at his death. He will be sorely missed.

ROBERT B. COXFORD

R.W. Bro. Robert B. Coxford died suddenly on October 12, 1974. Bro. Coxford was District Deputy Grand Master of Nipissing East District and had contributed greatly to his District and to Masonry. His brethren were saddened by his untimely death.

I immediately appointed R.W. Bro. John M. Leigh to carry out the duties as District Deputy Grand Master for Nipissing East District for the balance of the Masonic year. I recommend that R.W. Bro. Coxford be granted, posthumously, the rank of Past District Deputy Grand Master.

APPOINTMENT

I was very happy to have the opportunity of appointing W. Bro. Clarence G. Taylor, of Prince Arthur Lodge, No. 228, a Grand Steward of the Grand Lodge of Canada in the Province of Ontario. I wish to thank R.W. Bro. Easton F. Fox, District Deputy Grand Master of Frontenac District, for presenting our worthy brother with his regalia. We wish Bro. Taylor many years of health to enjoy his well-deserved honour.

I request from Grand Lodge approval of this appointment and Past Rank for this brother.

PAST RANK

- (1) R.W. Bro. R. B. Coxford was elected and installed as District Deputy Grand Master of Nipissing East District. Shortly afterward Bro. Coxford died as the result of an accident. I recommend that he be granted posthumously the rank of Past District Deputy Grand Master.
- (2) On being informed of the untimely death of R.W. Bro. Coxford I appointed R.W. Bro. John M. Leigh to fill out the unexpired term as District Deputy Grand Master of Nipissing East District. He has done a fine job and I recommend that he be granted the rank of Past District Deputy Grand Master.

- (3) Because of a change in the date of installation occasioned by amendment to By-laws Wor. Bro. Albert E. Margetts was ten days short of the required service in Rose Lodge, No. 500, to qualify for rank of Past Master, he having served only ten months and twenty days. I recommend in view of his valuable service to the lodge that he be granted the rank of Past Master.
- (4) Wor. Bro. George Moore Mills was installed Worshipful Master of Brant Lodge, No. 45, on January 8, 1974, and served with distinction until his sudden and untimely death on July 5, 1974. I recommend that Bro. Mills be granted, posthumously, the rank of Past Master.
- (5) On January 11, 1975, Wor. Bro. William Robert O'Brien was installed Worshipful Master of Claude M. Kent Lodge, No. 681. On January 21st, only ten days later, Bro. O'Brien suffered a heart attack while returning home from lodge and passed away the following morning. I recommend that he be granted, posthumously, the rank of Past Master.
- (6) Wor. Bro. J. F. Caldwell was installed Worshipful Master of Connaught Lodge, No. 511, Thunder Bay, on January 21, 1974 and served through April, when he had to undergo serious and intensive surgery from which he has not yet fully recovered. I recommend that he be granted the rank of Past Master.

VISITATIONS TO OTHER GRAND LODGES AND MASONIC BODIES

Your Grand Master, often accompanied by the Grand Secretary, visited several other Grand Lodges. The reception has always been warm and friendly and I can assure the brethren of the high esteem in which our Grand Lodge is held.

The Grand Lodge of Manitoba and the Grand Lodge of Prince Edward Island celebrated their Centennials and I had the honour and pleasure of being present at the celebration of the Grand Lodge of Manitoba and brought best wishes on behalf of our Brethren.

In June I had the distinct honour of representing our Grand Lodge at the 250th Anniversary of the Grand Lodge of Ireland. The reception was warm and gracious and your Grand Master extended greetings and felicitations to the Irish Brethren from our Grand Lodge. It was a wonderful experience of Masonry in action.

I also had the distinct honour of representing our Grand Lodge at the Imperial Shrine Council, A.A.O.N. M.S., at Toronto from June 29 to July 4. Your Grand Master was warmly received and thoroughly spoiled by the attention of so many devoted Masons. My sincere gratitude is extended to the Imperial Potentate and his Divan for a very wonderful experience.

I wish to thank the Deputy Grand Master and the Past Grand Masters for assisting me by visiting some Grand Jurisdictions.

A list of the visitations will be found in Appendix "A".

LODGE CENTENNIALS AND DISTRICT RECEPTIONS

Your Grand Master was greatly honoured to participate in so many Centennial Celebrations and also was honoured by several District Receptions. It was so thoughtful for the Brethren to combine so many Centennial Celebrations and District Receptions so as to cut down the amount of travelling by your Grand Master. It was thoroughly appreciated. The attendance at each function was excellent and bodes well for the condition of Masonry. A list is to be found in Appendix "B" and "C".

BRO. HERBERT CUNNINGHAM

Bro. Cunningham, a member of Frederick Lodge, No. 217, Delhi, received his 75 year button as a Mason on November 18, 1974. Bro. Cunningham is 96 years young and during his many years in the Craft has contributed a great deal to our Grand Jurisdiction. We salute him and wish him many more years of health and happiness.

Bro. Kennedy was born on September 21, 1875, and so will be celebrating his Centennial in September 1975. He has been a Mason 78 years as of October 1975. During his association with Masonry he has given a great deal of himself to the Craft. We congratulate him and wish him many more years to associate with his brethren in Freemasonry.

100th ANNIVERSARY OF THE PASSING OF OUR FIRST GRAND MASTER

M.W. Bro. William Mercer Wilson was born in 1813 and was elected our first Grand Master in 1855. He served this Grand Lodge as Grand Master on three different occasions for terms of five years, two years and three years, a total of ten years, and died on January 16, 1875, after moulding our Grand Lodge into a strong and successful entity. He will remain forever an outstanding Masonic personality in our memories.

The reprint of our book "The First Grand Master" is now available and we would recommend that each person who has not already done so purchase a copy for his personal use. This book is not likely to be reprinted and will certainly become a collector's item.

Norfolk Lodge, No. 10, Simcoe, of which he was a member, held a Centennial Graveside Service in his memory on June 22, 1975, at Woodhouse, just five miles south of Simcoe. R.W. Bro. Arthur W. Watson, Grand Chaplain, delivered a splendid sermon in St. John's

Anglican Church and R.W. Bro. E. W. Nancekivell, our Deputy Grand Master, spoke very fittingly at the graveside service.

The church was filled to overflowing, people crowded the grounds outside the church and thus we offer yet another tribute to a great family man, an outstanding soldier, a servant on the bench, a real gentleman and a superb Mason.

CEREMONY OF CORNERSTONE LAYING AT PALMERSTON, ONTARIO

This was an occasion for a large turnout of Brethren from far and near to witness this unique ceremony. Your Grand Master was accorded the honour of dedicating and laying the Cornerstone of the new Municipal Building at Palmerston. The weather was ideal and all arrangements were excellent including a pipe band which led the parade from the lodge rooms of Blair Lodge, No. 314, to the location of the new building. The large crowd of Masons and onlookers were, I am sure, impressed by the dignity of the ceremony. Your Grand Master wishes to thank the members of Grand Lodge for their attendance and their support to make this a wonderful success.

COMMITTEE OF INQUIRY

It has been brought to my attention that one of our members in Algoma District had been arrested, charged and convicted of a very serious charge and sentenced, and that other crimes were alleged to have been committed. After contacting the lodge I was informed that it was the feeling of the lodge that no Masonic charges should be laid because of certain extenuating aspects.

Because of the nature of the charges and because of the seriousness of certain allegations I appointed a Committee of Inquiry consisting of V.W. Bro. W. E. Bryan, V.W. Bro. K. W. Hearnden and R.W. Bro. J. P. Antoniak to make a complete investigation of all circumstances and report to me through the Grand Secretary.

Their report indicated that they felt the accused brother had acted as a result of extreme provocation and they did not recommend that any Masonic charges be laid. I, therefore, thank the Committee for their labours and refer their report to the Committee on Grievances and Appeals to deal with as they see fit.

NORTH AMERICAN CONFERENCES OF GRAND MASTERS AND GRAND SECRETARIES

Your Grand Master, Deputy Grand Master and Grand Secretary attended these very fine Conferences. They afford us an opportunity of exchanging ideas and also an opportunity to meet Masons from the length and breadth of North America.

CANADIAN CONFERENCE OF GRAND AND DISTRICT GRAND LODGES

This Conference was held this year in Winnipeg and was attended by your Grand Master, Deputy Grand Master and Grand Secretary. The discussions were excellent and the paper delivered by R.W. Bro. Eric Nancekivell was well received and fully discussed. The meetings were attended by representatives from every Province including Newfoundland.

GRAND MASTER'S BANQUET

Your Grand Master is pleased, on behalf of all the brethren, to thank R.W. Bro. Colin MacKenzie for his great efforts in arranging and bringing to fulfillment the plans for our banquet this year. Each year he seems to outdo the previous years and again this year will see 2,000 brethren break bread together and enjoy the speaker of the evening, M.W. Bro. William L. Wright, Past Grand Master, who always has a timely message for us.

HOLD HIGH THE TORCH

It has been said and is being said that Masonry must change its principles and teachings to conform to present-day ideas and philosophies if it is to survive in today's world. This, my brethren, I am not willing to accept.

Historians tell us that there have been at least 21 identifiable civilizations in the past, and that all but two have fallen into decay and obliteration as a result of social and moral disintegration within the structure itself—and yet, from the ashes and rubble of each has arisen another civilization, and each time it has been upon the foundation of the principles of Masonry that the superstructure was built. Is it not a valid conclusion then that those things which have caused the fall of nations are not the basics upon which such a nation was founded, but rather the erosions which seem inevitably to take place after it rises to its greatness and becomes smug and self-satisfied in its affluence.

It is my purpose, then, to suggest that rather than try to conform Masonry to the ways of the modern world, that we exert our efforts to bringing and keeping the modern world within the true principles of our Fraternity. Before going further perhaps it would be well if we would define just what we mean by the term "Masonry". We all know that there are many definitions of "Masonry", all of them valid, all of them sound, but when I use the term I mean by Masonry that philosophy of life, which dates

not from the founding of the Grand Lodge of England in 1717, not from even the middle ages, when our ancient operative Brethren erected tremendous and beautiful edifices that still stand as monuments to their craft and skill, but I am speaking of the principles which have been distilled in the experience of mankind from his very beginning. Those principles which, time and time again, have served to support and lift up man when he has fallen victim to his own feeble inadequacies. Those principles which have been tested and tried and found to be good.

We, in Canada, have come through a tremendous era of progress, moving forward in the last few decades with our technological and industrial achievements at a pace which man never dreamed possible. Yet, in spite of all these achievements, we are somewhat like the elderly couple, who, having reached the point in life where they are financially comfortable and secure, suddenly realize that somehow they are not as happy as they thought they would be. Somewhere down the line something went wrong. Somehow all this material wealth and accomplishment has not brought what we expected. We are unhappy because we realize that in our exciting rush forward there are still those who know poverty and disease; still those who somehow have been by-passed and are lacking in the comforts most of us regard as necessities. We are beginning to realize that the wonderful world about us, with its wild life and its wild places, is becoming tainted and destroyed by too much progress too fast. We realize that there are still parts of our world where man hates man, and seeks each others destruction. Yes, my Brethren, we feel that something has gone wrong, and we are distressed and unhappy because we didn't think it would turn out that way.

The realization that all is not well is accompanied, it is true, with distress, violence and upheaval as we look about for a solution. And there are almost as many solutions as there are Masons. Each of us has his own opinion and many voice it with determination. There are those in this world who would destroy all the institutions and guidelines that have served so well in the past, and

start all over again. The fallacy is that they haven't decided yet what should replace those institutions which they would destroy. These institutions of which I speak, and which these so-called "Liberation groups" would destroy, are our churches, our educational system, our judicial structure and our system of free enterprise, or in more modern jargon, the "Establishment".

We, as Masons, have principles which we hold very dear — a belief in a Supreme Being, the brotherhood of man, the care and protection of our widows and orphans, the love of country, our respect for law and order, our ideals of Honour, Integrity and Morality — would you change one of them? I say to you that these principles have served us well — they have served to bring forth the good in man — to inspire him to better serve his country and his fellowman; they have served as an ideal to strive towards. How can we look up or strive upward if it isn't toward something — a goal.

But Masonry has more than just a goal to inspire. It gives us the tools with which to build a better life — the guide lines by which, if we will but follow them, we can become better citizens in our community, better husbands and fathers, and more compassionate brothers to those in need. One of the greatest sins of Masonry today is its permissiveness. We, as Masons, have over the years let down the bars and have gradually permitted our standards to be lowered. There is no doubt in my mind that Masonry has suffered in recent years from the fact that we have not insisted upon the high quality of our petitioners. We have become too involved in the "Members Game", seeking more members rather than more quality. We have forgotten or pushed aside that fundamental purpose of Masonry — to take good men and to make them better. It is not enough, my Brethren, in investigating a petitioner, to take the negative approach and say that because we find nothing wrong with a man he is then qualified to join our ranks. Rather, we should ask ourselves, "What will this petitioner contribute to our Fraternity?". If the answer is "Nothing", then he is not the kind of man Masonry needs.

Masonry teaches by precept and example. But, are we teaching by these means, my Brethren? Our precepts are still as valid as they ever were, but unfortunately our example is far from adequate. No longer are Masons held in the high esteem that they were 75, 50 or even 25 years ago. Why? Whose fault is it? It's yours — yours and mine — for not seeing that the standards of our Order are properly maintained. For lowering the bars and permitting those to enter who are not qualified, and for permitting others to remain in our ranks after they have proven themselves unworthy. And, my Brethren, we shall not again regain the public respect and esteem which Masonry so rightly deserves until we do something to set our house in order. It is often said that silence is golden. But this is not always true, my Brethren. Sometimes it is more cowardly to remain silent, when the situation demands the loud voice of leadership. You Brethren, members of the greatest Fraternity the world has ever known, must speak out — must answer that call and provide the leadership that the lodges are so desperately needing.

There are many things that we need to consider in our search for the answer to this perplexing problem. Some have suggested that Masons participate more actively in political and national issues; some have suggested modernizing our ritual and other ceremonies; some feel that our lodge rooms should be used more actively by others, and still others contend that the answer to our problem is more leadership training and education.

In closing, may I make this final observation. Masonry, in its final analysis, is a very personal thing, founded upon the dignity of the individual and his relationship, as an individual, to his God and his fellowman. Instead of trying to make Masonry conform to the modern world, or to anything else, I suggest that each of us, as Masons, try the obvious solution of practicing what we preach and teach. Let us keep Masonry intact, and let us encourage and teach our brothers, from the smallest lodges on up, to spread the principles of Masonry through our daily lives.

This is the challenge of Masonry today — and it is an exciting and hopeful one. We Masons can be, and must be, an important and forceful influence in the future. Let us then, by practicing what we teach, have a part in the great soul-searching and eventually in a better, happier and rewarding world.

CONCLUSION

In conclusion may I extend my sincere thanks to the brethren of this Grand Jurisdiction who have received me during the past two years with the warmest friendship and unequalled hospitality. I will long remember the many friendships I have made and will treasure them for, I hope, many years. Again, congratulations to the lodge Secretaries for their very fine lodge notices and newsletters sent to me during the year.

May I wish you all a very pleasant and healthy summer holiday, and I look forward to seeing many of you during the next Masonic year. May the G.A.O.T.U. protect you and yours.

Sincerely and fraternally,

GEORGE E. TURNER,
Grand Master.

**APPOINTMENT OF COMMITTEE ON THE
GRAND MASTER'S ADDRESS**

At the conclusion of the Address it was moved by M.W. Bro. J. N. Allan, seconded by M.W. Bro. B. B. Foster and carried: That a committee, composed of all the Past Grand Masters present, consider and report to Grand Lodge on the Grand Master's Address. The motion was put by the Deputy Grand Master.

**REPORT OF THE COMMITTEE ON
DECEASED BRETHREN**

This Report was presented by R.W. Bro. M. J. Damp, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Damp, it was received and adopted.

To the Most Worshipful the Grand Master and Members of Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Committee on Deceased Brethren is grateful to Grand Lodge for permitting a moment of reflection in the proceedings of this Communication that we may pay tribute to those of our members who have passed from our midst.

There comes to each one of us, as we reflect on the personalities and achievements of those whose departure has brought sadness and grief, some measure of comfort in the realization that death deprives the Craft of perhaps its foremost living symbol of integrity and moral leadership.

A goodly number of our beloved brethren have been summoned to the Grand Lodge Above since we last gathered, brethren who were Masonic leaders and made, as individuals, splendid contributions toward the advancement of Freemasonry in the interest of their communities and for the development of their character. Their passing in each instance has brought a period of sorrow and loneliness to many friends and relatives, nor has that period come to an end. Hence we would suggest to those most closely concerned and deeply grieved that they might find consolation in what the poet said of each of those whom we remember and pay tribute to; those who indicated a belief in Immortality, in the Fatherhood of God and in the Brotherhood of Man, those who have been selected as examples of Masonic character and serviceful existence, that

"Here was a friend whose heart was good,
Who walked with men and understood,
His was a voice that spoke to cheer,
And fell like music on the ear;
His was a smile that men loved to see;
His was a hand that asked no fee
For friendliness or kindness done.
And now that he has journeyed on,
His is a fame that never ends;
He leaves behind uncounted friends."

The Masonic membership is composed of two very unequal, yet homogeneous portions. One part consists of the comparatively small number who work in the Lodge of this life—build up a Temple of the Soul and moralize upon emblems that can never fully satisfy the craving spirit; the other, of the innumerable host who throng the Celestial Lodge above, wearing robes of the same color as ours, and worshipping the same Deity, but purified, perfected, relieved of earthly burdens, stains and sins, and able to look face to face upon God.

Why have they left us? In the First Epistle of John, 2:19 we read: "They went out from us, but they were not of us; for if they had been of us, they would no doubt have continued with us; but they went out that they might be made manifest that they were not all of us".

Man dieth and wasteth away.
And where is he? hark, from the skies
I hear a voice answer and say,
"The spirit of man never dies,
His body, which came from the earth,
Must mingle again with the sod;
His soul, which in Heaven had birth,
Returns to the bosom of God!"

Then, Brethren, mourn not for the dead
Who rest from their labours, forgiven;
Learn this from the Bible instead,—
"The grave is the gateway to Heaven!"

We believe that these, our brethren, whose names are now inscribed on our Honour Roll in perpetuity are in peace for they trusted in the Most High; they walked upright with the righteous on the level, and their memory lies in our hearts forever.

As we peruse the Tablet Pages we find our loss among the elected and appointed Officers of Grand Lodge extremely heavy. Forgive us if time and space prohibits us from mentioning those of our brethren whose names will not be recorded heretofore; those who also served the craft with honour and distinction that set them apart from their fellowman.

It has been a privilege to have been the Chairman of your Committee on Deceased Brethren and I acknowledge the generous assistance afforded me by my eleven associates. They have engendered a better understanding of the functions of this committee.

We record our indebtedness to the District Deputy Grand Masters for the manner in which they promptly despatched the pertinent information with regard to our brethren upon their passing. To the Most Worshipful, the Grand Secretary and his staff, we express our humble thanks for their tremendous assistance and understanding throughout the year. As usual, we find the various Masonic Service Guilds throughout the Jurisdiction have rendered valuable assistance whenever called upon.

Your committee gratefully acknowledges the many expressions of commendation it received arising from its pleadings that there be a marked improvement in the manner in which the Memorial Service is conducted. It would appear that several Lodges are endeavouring to implement a change in their long-

standing practices in order to make the service more meaningful and impressive. We firmly believe that in many instances a Memorial Service for one of our brethren is our only exposure to the public and if we, as Masons, are to improve our image, we must expend every ounce of energy to put forth our best efforts and talents.

Indeed, one such praiseworthy event took place recently when the Masters, Past Masters and Wardens Association of Grey District convened a Lodge of Instruction for the purpose of exemplifying a Memorial Service, complete with proceedings from the initial word of a brother's demise to the individual offering of condolence to the family at the conclusion of the Service. It was truly a rewarding exercise in sincerity and impressiveness and to R.W. Bros. Wilfred Newell and William Burnett and the host Lodge, Hiram Lodge No. 490 we offer our sincere congratulations on the success of the meeting.

The poet William Cullen Bryant counsels we mortals on preparation for a peaceful demise:

So live that when thy Summons comes to join
 The innumerable caravan, which moves
 To that mysterious realm, where each shall take
 His chamber in the silent Halls of Death,
 Thou go not, like the quarry-slave at night,
 Scourged to his dungeon, but, sustained and soothed
 By an unfaltering trust, approach thy grave,
 Like one that wraps the drapery of his couch
 About him, and lies down to pleasant dreams.

In loving memory and affection, we name our deceased Brethren who served as Grand Lodge Officers:

These Tablet Pages

Are inscribed and fraternally dedicated
 in memory of

Our Departed Brethren

MEMORIAL SERVICE

GRAND CHAPLAIN:

"Fear not, for I am with you, be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my victorious right hand." (Is. 41).

"Lord, thou hast been our dwelling place in all generations. Before the mountains were brought forth, or even thou hadst formed the earth and the world, even from everlasting to everlasting thou art God." (Ps. 90).

Prayer of Invocation:

Almighty God, the fountain of all wisdom, who knowest our necessities before we ask and our ignorance in asking. We beseech thee to have compassion upon our infirmities; and those things, which for our unworthiness we dare not, and for our blindness we cannot ask, vouchsafe to give us as we contemplate the eternal truths of the Volume of the Sacred Law. Amen.

Psalm 39: 4-13 (Reading responsively)

1. Lord, make me to know mine end, and the measure of my days, what it is: let me know how fleeting my life is!
2. Behold, thou hast made my days a few handbreadths, and my lifetime is as nothing in thy sight. Surely every man stands as a mere breath!
3. Surely man goes about as a shadow! Surely for nought are they in turmoil; man heaps up, and knows not who will gather!
4. And now, Lord, for what do I wait? My hope is in thee.
5. Deliver me from all my transgressions. Make me not the scorn of the fool!
6. I am dumb, I do not open my mouth; for it is thou who has done it.
7. Remove thy stroke from me; I am spent by the blows of thy hand.
8. When thou dost chasten man with rebukes for sin, thou dost consume like a moth what is dear to him; surely every man is a mere breath!
9. Hear my prayer, O Lord, and give ear to my cry; hold not thy peace at my tears! For I am a passing guest, a sojourner, like all my fathers.
10. O spare me, that I may recover strength, before I depart and be no more!

Prayer of Dedication

Almighty and Eternal God, by whose grace we have life and in whose light we see light, mercifully grant that this moment of memory may be a mount of vision, from which new light shall fall upon our fleeting days; that we may think of our lives as sent from thee. Use us as thou wilt, our hands to do thy work, our lips to speak thy truth, our lives to be volumes of thy love and mercy; and grant us when life is done thy rest and peace.

May the blessing of the Great Architect of the Universe rest upon us; and may he give us light to guide us, courage to support us, and love to unite us, now and evermore.

Amen.

Respectfully and fraternally submitted,

M. J. DAMP,
Chairman.

RECEPTION OF GRAND REPRESENTATIVES

As the Grand Secretary called the roll of Grand Representatives of other Grand Lodges those who were present stood up and were welcomed by the Grand Master. Grand Honours were then given under the direction of the Grand Director of Ceremonies.

AUDITOR'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

I have examined the statement of resources of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1975 and statements of receipts and disbursements of the General Fund and the combined Memorial and Semi-Centennial Fund for the year then ended. My examination included a general review of the accounting procedures and such tests of the accounting records of your Grand Treasurer and Grand Secretary and other supporting evidence as I considered necessary in the circumstances.

The securities of the General, Memorial and Semi-Centennial Funds as set out in the respective schedules accompanying the Grand Treasurer's Report are held and certified to under date of June 10, 1975 by the Canadian Imperial Bank of Commerce.

In my opinion, these financial statements present fairly the financial position on a cash basis of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1975 and the receipts and disbursements for the year then ended in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Yours fraternally,

A. W. PARISH, F.C.A.

GRAND TREASURER'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of The Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Again I have the honour to present the Annual Report of the Grand Treasurer for the fiscal year ending April 30, 1975. As heretofore the report provides in ample detail statements of receipts and disbursements of the major funds maintained by Grand Lodge and particulars of investments and reserves for each with comparative figures for the previous years.

Our total reserves, with investments shown at face value, and including current cash credits are found to have increased nearly three per cent. The market value of our securities according to current prices has increased substantially in the year owing to an improvement in the bond market but continues to indicate a considerable discount below cost and face value. Happily we contemplate no losses in this area although the continued erosion of the purchasing power of the dollar is a matter of general concern.

Income from lodge assessment was less than in the preceding year, obviously as a result of slightly decreased total membership and the increase in commuted life membership. The shrinkage was adequately offset by increased investment income and the constitutional transfer from the Commuted Life Membership Fund.

The reserves of the Life Membership Fund are being maintained and augmented as anticipated. However, I venture once more to remind the lodges that unless adequate reserves are provided within the lodge funds to cover the annual dues of each life member, the lodge can soon become impoverished. It requires more than favourable votes to replenish the treasury of a lodge.

The extraordinary expense for special publications by Grand Lodge in the past two years has been satisfactorily met by the sale of the books and classified materials published. A modest surplus realized would facilitate extension of such undertakings in the future.

The brethren are encouraged to peruse these detailed statements and seek to transmit to their members a knowledge of the financial operations and requirements of their Grand Lodge.

As always I wish to acknowledge the maintenance of records by the Grand Secretary and his devoted staff. The generous assistance of the Grand Secretary and the Supervisor of Benevolence has been invaluable throughout the year and the counsels of the auditor and the Chairman and Vice-Chairman of the Committee on Audit and Finance have been continuously helpful. For these I give grateful thanks.

Respectfully and fraternally submitted,

M. CLEEVE HOOPER,
Grand Treasurer.

REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS

The Reports of the 43 District Deputy Grand Masters were presented by the Grand Secretary and on motion by the Deputy Grand Master seconded by the Grand Secretary, they were received and referred to the Board of General Purposes.

REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS

This Report was presented by M. Wor. Bro. H. L. Martyn, and on motion of the Deputy Grand Master, seconded by M. Wor. Bro. Martyn, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Since no requests from other Grand Lodges have been referred to this Committee during the last Masonic Year, we have nothing to report in that respect.

The Committee desires to offer congratulations to the Deputy Grand Master on his appointment as a member of the Commission on Information for Recognition. R.W. Bro. Nancekivell was appointed to this post by the Conference of Grand Masters at their meeting in February, 1975 at Washington D.C. It is the duty of this Commission to assemble and collate information on Grand Lodges throughout the world and report that information to the member Grand Lodges of the Conference. We feel that Brother Nancekivell will enjoy his experience working on this Commission.

Respectfully and fraternally submitted,

HARRY L. MARTYN,
Chairman.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

M.W. Bro. B. B. Foster presented this Report and read the Foreword to the Reviews. The Deputy Grand Master then moved, seconded by M.W. Bro. B. B. Foster, that the Report be received and adopted; Carried.

REPORT OF THE COMMITTEE ON CONSTITUTION AND LAWS

This report was presented by M.W. Bro. H. L. Martyn, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Martyn, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Committee on Constitution and Laws begs leave to report as follows:

PART I

M.W. Bro. E. G. Dixon has given Notice of Motion to amend the Constitution as follows:

- (a) That Section 16 (a) be amended by deleting the last sentence thereof and substituting therefor the following:

“Such nominations shall be sent, by registered mail, to the Grand Secretary or handed to him and received by him on or before the First Day of April prior to the meeting of Grand Lodge at which the voting shall take place; provided, however, that when the First Day of April falls on a Sunday or holiday, then on or before the following day.”

- (b) That Section 16 (b) be amended by:

- (1) deleting “the 3rd day of July” in line five and substituting therefor “the 9th day of April”.
- (2) deleting the balance of Section 16 (b) and substituting the following therefor:

“from the member so nominated, over his signature, the name of such member shall appear on the final list of nominations, no fewer than four copies of which shall be mailed by the Grand Secretary to all lodge secretaries, and one copy to each member of the Board of General Purposes and to all nominees on or before the 15th day

of April, and shall, also, be distributed to the delegates on registration at Grand Lodge." (see also Sect. 17).

There is no constitutional objection to these Notices of Motion by M. Wor. Brother Dixon.

PART II

- (a) When the Regional Municipality of Niagara came into being all the lodges situated in Niagara A and Niagara B automatically had concurrent jurisdiction with each other except Amity Lodge No. 32. This lodge is just beyond the Municipality of Niagara. Amity Lodge No. 32 now requests concurrent jurisdiction with the other lodges in Niagara A and B Districts. All lodges in both Districts were contacted and invited to express an opinion on this request from Amity Lodge. The other thirteen lodges in Niagara A indicated that they favoured the request. Of those that replied from Niagara B (12) one of the twelve indicated that they did not favour the request.

In view of the support that this request has received in the Districts your Committee recommends as follows:

1. That concurrent jurisdiction be established among Amity Lodge No. 32 and the Lodges situated in the Regional Municipality of Niagara.
 2. That this concurrent jurisdiction shall become effective as of July 17, 1975.
- (b) During the year a survey was made in the Chatham District as to the desirability of establishing concurrent jurisdiction throughout the entire District. All lodges submitted motions to the brethren on this question. The District Deputy Grand Master has filed with the Grand Secretary the results of the vote in thirteen of the fifteen lodges. All have voted in favour of the establishment of this concurrent jurisdiction. We are informed that the two lodges that did not report have also voted in favour of a concurrent jurisdiction. In view of this information your Committee recommends as follows:

1. That concurrent jurisdiction be established among the lodges comprising the Chatham District.
2. That this concurrent jurisdiction shall become effective as of July 17, 1975.

Respectfully and fraternally submitted,

HARRY L. MARTYN,
Chairman.

DISPOSAL OF NOTICES OF MOTION

In accordance with notice duly given M.W. Bro. E. G. Dixon moved in sections and in total, seconded by the Grand Secretary, that Section 16 (a) and (b) be amended as follows:

As an added amendment pertaining to the same subject matter, following a consultation with the Grand Secretary, I am proposing that Sec. 16b be further amended by deleting the word "registered" in line 2 thereof and substituting therefor the words "first class".

And now, in accordance with notices given, I will move the following amendments, seconded by the Grand Secretary;

CLAUSE 1

That Section 16a be amended by deleting the last sentence thereof and substituting therefor the following;

"Such nominations shall be sent, by registered mail, to the Grand Secretary or handed to him and received by him on or before the First Day of April prior to the meeting of Grand Lodge at which the voting shall take place; provided, however, that when the First Day of April falls on a Sunday or holiday, then on or before the following day."

CLAUSE 2.

That Section 16b be amended by:

- (a) deleting "the third day of July" in line 5 and substituting therefor "the 9th day of April."
- (b) deleting the balance of Section 16b and substituting the following therefor:

"from the member so nominated, over his signature, the name of such member shall appear on the final list of nominations, no fewer than four copies of which shall be mailed by the

Grand Secretary to all lodge secretaries, and one copy to each member of the Board of General Purposes and to all nominees on or before the 15th day of April, and shall, also, be distributed to the delegates on registration at Grand Lodge. (see also Sec. 17).”

- (c) deleting the word “registered” in line 2 thereof and substituting therefor the words “first class.”

And now, M.W. Grand Master, I move, seconded by the Grand Secretary that the amendments be adopted as a whole.

The amendments were adopted unanimously .

REPORT OF THE COMMITTEE ON MASONIC EDUCATION

This report was presented by R.W. Bro. N. R. Richards, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Richards, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present the report from the Committee on Masonic Education for 1974-75.

To provide a setting for this report I refer to a letter circulated to the District Deputy Grand Masters under date of August 28, 1974:

“Warmest congratulations and best wishes on your election as District Deputy Grand Master. I am certain you will have an interesting and busy year. Whatever you can do in masonic education in your district during your term of office will add to a fuller understanding of masonry, its purpose and its contribution to a better way of life.

In addition to wishing you well for the year ahead I have some favours to ask of you on behalf of the Committee on Masonic Education.

- (a) Would you be good enough to name a Supervisor of Education for your district.
- (b) Would you keep me advised of educational activities being held in your district.
- (c) Would you advise your supervisor of the appropriate information contained in the 1974 Preliminary Proceedings, the 1974 Fraternal Reviews and the reference book "Beyond the Pillars". Timely talks could be prepared from these publications and more important they are already available."

The District Deputy Grand Masters' Masonic Education Reports, visits to a number of districts and discussions held with individuals form the basis of this report to Grand Lodge. I hasten to express my gratitude to those who in any way contributed during the year to the educational efforts and particularly the District Deputy Grand Masters. There has been much sincere effort, imaginative leadership and dedicated service, all of which has made it a pleasure and satisfaction for your committee.

A few statistics from the replies indicate that more than two-thirds of the Supervisors who were appointed were serving for the first time. It is again appropriate to recommend the practice of supervisors serving for more than one year. In view of the number of new appointments in 1974, there may be fewer this year which would provide a continuity in supervision. Several Past District Deputy Grand Masters are serving as Supervisors of Masonic Education which brings valuable experience to the office. About one-half of the Supervisors arranged to meet with chairmen of lodge committees to discuss masonic education, thus providing an opportunity to generate district-wide interest and planning. Twenty districts reported having special education nights. Nine districts held a Masonic Workshop. Brant and Wilson Districts combined in a joint effort as did North and South Huron. Chatham District arranged for a seminar and workshop early in the fall of '74. Ottawa District 1 arranged a symposium around a topic, "The Homes of Masonry in Ottawa District One". Each Lodge in the district presented information about the history of the building and points of interest about their meeting place.

If the replies to the question "Would you like some help to organize a workshop or seminar in your district?" is an indication of the interest in this kind of program a considerable increase can be expected next year. Request for assistance was contained in more than one half of the replies.

Fifteen districts held Lodges of Instruction, which reflects a sincere concern about a proper interpretation and effective communication of the Work. Most Worshipful Bro. Bailey was present on most of these occasions and in his usual capable and efficient manner discharged his duties as Custodian of the Work with skill and distinction.

In answer to whether or not districts preferred a designation of "Education" or "Information" for the Committee name, there was a very slight preference for the word "Information", but scarcely enough to justify a change at this time. The important decision is probably not so much a name change but making certain that we are using our time and effort to good advantage in learning more about masonry, its purpose and place in today's world.

The most difficult part to write for this report is to choose a few highlights from the replies to the question "What was the highlight in Masonic Education in your district"? There are so many interesting, imaginative facets to the program and availability of space dictates that only a few can be reported.

The Grand Jurisdiction is large and geography influences many of our ways of doing things and how we develop programs. For example, the D.D.G.M. from Western District writes, "I have thought of seminars but our district is so far flung that it would be most difficult to get enough brethren to travel the great distances that would be required to attend a seminar. However, we have been issuing a booklet twice a year called "The Tracing Board", which is a joint effort between Western and Algoma districts. Brethren from both districts are asked to submit news items and pictures of events during the year." The Chairman from Eastern District reports to his D.D.G.M. as follows: "A library of Masonic lore will not induce all Masons to research our craft by themselves. We can hold seminars, lodges of instruction, etc. and we get a small cross section of membership to attend. It has been my plan this past two years to create and inspire local interest in each of our lodges with their own local leaders or speakers." Windsor District established a "Directory of Speakers," and all lodges were notified that speakers were available for a meeting on approximately two weeks' notice. Hamilton Districts A, B and C held a combined Masonic Education Night while four masonic reminders were distributed to lodges in District B. In Peterborough District the D.D.G.M. and Supervisor distributed four mailings for use in the lodges of the district.

Over the years many interesting developments in masonic education have originated in the Toronto Districts. This past year has been no exception. Toronto District 1 had a special evening with a topic, "Daring to be a Mason", in which ten participated. District 2 dealt with "Exploration of the Junior Warden's Lecture". District 3 had well-planned and organized programs including Lodges of Instruction. A large number of brethren were involved and the District Supervisor made a number of specific recommendations for a program for another year. In District 4 Past Grand Lodge officers were provided an opportunity to share their experiences and observations with the brethren in the district. Toronto District 5 had a special illustrated lecture on "The Pyramids of Egypt and Masonry". Two illustrated lectures were

offered in Toronto District 6 — “Footsteps from Darkness into Light” and “In the Beginning the Builders”. Toronto District 7 had a busy Masonic Education year. A team dramatized an Eighteenth Century English Degree at Guelph in Wellington District, and performed the same drama for District 4 in Toronto. A play “Masonry on Trial” was written and staged and a brother of Toronto District 7 has compiled an informative treatise entitled, “The Temple”, which makes a significant contribution to masonic education.

Those who participated in the trip to the Holy Land are contributing much to Masonic information as they relate their experiences and observations. Aided by excellent photographic slides brethren who visited the ancient lands interpret the geography, the architecture and the culture of the people in a fascinating way and provide most interesting information related to our Masonic history.

In summarizing a report of this kind it is an interesting exercise to attempt to detect trends. More districts are using the workshop approach to masonic education, which provides an opportunity for more member participation, more discussion, and more opportunity for exchange of ideas. The teachings of Masonry are being placed in a contemporary setting but its basic principles are being guarded and kept. There is a growing interest in our history. Maybe the fact we are approaching our one hundred and twenty-fifth anniversary tends to make brethren more historically conscious.

Your committee gratefully acknowledges the sincerity of effort and purpose of those who assisted with masonic education activities during the past year. We share with you the hope that our efforts find expression in a better informed membership.

All of which is respectfully and fraternally submitted on behalf of the committee.

N. R. RICHARDS,
Chairman.

REPORT OF THE COMMITTEE ON BENEVOLENCE

R.W. Bro. R. E. Davies presented this report and on motion of the Deputy Grand Master, seconded by R.W. Bro. Davies, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege to present on behalf of the Grand Lodge Committee on Benevolence the report for the year 1974-5.

This Committee held its regular meeting at the Grand Lodge Office in the City of Hamilton on June 13th and 14th, 1975. With the exception of our Grand Master, whose duties had taken him out of the Province, all committee members were present. We again were privileged to have our Deputy Grand Master and former Committee Chairman present at the meetings.

During the course of our deliberations, time was taken to enjoy a coffee break sponsored by The Hamilton Past Masters' Association and upon completion of the meetings, a luncheon with the Deputy Grand Master at The Scottish Rite Club. These kindnesses were deeply appreciated and the members of this committee extend their sincere thanks to the responsible parties!

The fifth annual report of The Supervisor of Benevolence, Very Worshipful Brother James C. Guy, was received and adopted. This report was outstanding, containing much information which proved informative and most useful, especially to our new committee members. Again this year James C. Guy has gone the second mile, as he continues to dispense wise guidance and counsel to those in need. The added responsibility of a changed format for his fall meetings with the District Deputies, District Chairmen, and Lodge Chairmen, was readily accepted and many favourable reports have been received, all of which can be directly attributed to our Supervisor's untiring work and his dedicated service. May we extend to him our deep appreciation for a job well done!

A policy meeting was again held prior to the consideration of the applications for assistance. Several topics were considered such as inflation as it pertains to our recipients, possible need to update the application form, and the format to be used by the Supervisor this fall. The policy of the more personalized Benevolent Programme of the past year was heartily endorsed and a recommendation of even more emphasis on personal involvement in the future was presented. In this regard your Chairman hopes to better utilize his Committee Members during the coming year.

One hundred and fifteen applications, twelve of which were new, were given careful consideration. Unfortunately some Lodges were again delinquent and several expected applications had not arrived. Five of the applications considered were so lacking in detail that they had to be returned for further information. Undoubtedly this causes unnecessary hardship to the applicant and much time is lost in the eventual disposition of the application, both of which are directly attributable to the inadequacy of the original information. May we again stress the absolute necessity of the most complete information on each application for Grand Lodge assistance.

Many of our Lodges have again demonstrated the basic Principles of Benevolence and Charity by their deep concern and generosity in their assistance programmes. If we may be permitted to use a comparison to illustrate the great work of some Lodges and the total indifference of others, we would cite the following similar applications for assistance received this year.

Case A. involved a young widow with three children. The Lodge had been assisting the family for several years both by counsel and financial aid. On the demise of the Brother, the children were outfitted with new clothing by the members, the widow was assisted in her funeral arrangements and the total funeral expenses — some \$877.00 — paid by the Craft, thus enabling the widow to utilize for her young family other monies that might be available.

Case B. deals with a remarkably similar situation, except there would appear to be no lodge involvement — just an application for Grand Lodge assistance indicating the widow had received little if any counsel and guidance in her time of need and had accumulated staggering debts among which were funeral expenses totalling some \$2,400.00. Surely this indicates the Lodge has overlooked an opportunity to assist the family of a Brother who at one time was thought worthy of becoming a member of our ancient and honourable fraternity.

The following donations are gratefully acknowledged:

Memorials to R. Dotzenrod	\$10.00
C. W. Cox	12.00
J. F. Rapelje	15.00
C. M. Merriam	15.00
J. Hunter	15.00

and from Connaught Lodge No. 501 25.00

At Christmas a card was again sent to each of our recipients signed by the Grand Master, Most Worshipful Brother George E. Turner, and myself as Chairman of Benevolence and accompanied by the usual crisp \$5.00 bill. The many thank you notes received indicate the appreciation of the recipients, together with their thankfulness for the interest and kindness shown them by Grand Lodge. We trust each individual Lodge has a similar programme in effect for their widows and dependants?

May we record our appreciation for the work done by the local Boards of Relief in our larger centres and our sincere thanks to our many sister jurisdictions for the aid they give in assisting us to take care of our Brethren and their dependants residing outside the Province of Ontario.

Your Committee again recommends the renewal of our membership in the Masonic Relief Association of The United States and Canada.

This Committee recognizes the assistance given by the District Deputy Grand Masters in their respective districts. The Brethren they have chosen to serve as District Benevolent Chairmen have in most cases fulfilled their duties satisfactorily and several valuable reports have been submitted by them to this Committee. We would urge the newly elected District Deputy Grand Masters to consider the reappointment of the present Chairman of Benevolence, provided he has been doing an adequate job, for the experience he has gained will ensure maximum efficiency in that office.

Much of the pertinent information contained in this report is supplied by The Grand Secretary and his staff and we wish to thank them for all the assistance they have given so readily through the year.

The statistical summary of the disbursement of the funds last year reads as follows:

129 grants paid	\$ 54,810.00
17 interim grants	5,972.00
Christmas gratuities	650.00
	<hr/>
	61,432.00
less cancellations and refunds	1,445.00
	<hr/>
	\$ 59,987.00

\$60,000.00 is requested to be made available again for benevolent work during the coming year.

Benevolence is one of the brightest ornaments of Masonry. Happy is the Brother who hath sown in his Heart the seeds of Benevolence, the produce of which will be Charity and Love. Whoever would emulate the character of a truly Benevolent Mason, ought to be ever ready to assist the needy as far as lies within his power.

Your Committee detects a growing tendency on the part of some Lodges to pass on to Grand Lodge obligations which they can and should discharge themselves. The obligation to relieve the needs of a Brother in distress is primarily the obligation of the individual member of the Lodge to which the Brother belongs. It is, moreover, a duty that can neither be evaded nor delegated. Grand Lodge is ready and will always be ready to assist where assistance is required. No effort of this Committee, however great it may be, can take the place of direct personal interest of the individual Lodge, of the word of encouragement and

sympathy from a Brother to a Brother, of the relief that is given with a "covered hand" that appears upon no balance sheet and that is received without any sense of humiliation. A Lodge that seeks to pass on to the Benevolent Committee of Grand Lodge an undue portion of the responsibilities is not only acting unfairly to other Lodges, but is an enemy to its own best interests, for Masonry in a Lodge which neither knows nor practises Benevolence, like Faith without application, is a thing that is dead! Advice and encouragement, the evidence of a personal interest, are often of greater value than financial aid. While Grand Lodge can assist with the latter, it is only the individual that can issue cheques upon the great bank of Human Sympathy and Kindness. And so we appeal to the individual Lodges for a clearer understanding of and a closer co-operation with this plea for Benevolence of a more personal nature. It will add a new interest to your Masonic Life and it will ensure a fuller measure of comfort and consolation to those who need it most.

"I'd rather see a sermon than hear one any day.

I'd rather one should walk with me than merely show the way.

The eye's a better pupil and more willing than the ear;

Fine counsel is confusing, but example's always clear.

And the best of all the preachers are the men who live their creeds,

For to see the good in action is what everybody needs.

I can soon learn how to do it if you'll let me see it done.

I can watch your hands in action, but your tongue too fast may run.

And the lectures you deliver may be very wise and true;

But I'd rather get my lesson by observing what you do.

For I may misunderstand you and the high advice you give.

But there's no misunderstanding how you act and how you live."

Respectfully and fraternally submitted,

R. E. DAVIES,
Chairman.

REPORT OF THE COMMITTEE ON PRINTING AND SUPPLIES

This report was presented by R.W. Bro. H. C. Steele, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Steele, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of The Committee on Printing and Supplies it is my pleasure once again to submit the following report of expenditures coming under the jurisdiction of the Committee. The Committee is composed of the following brethren: Rt. Wor. Bros. L. J. McAdam, J. W. Auckland, C. J. Rowland, W. Kerr, D. F. Graham, A. E. Watson and the chairman.

Expenditures for the year ending April 30th, 1975 are as follows:

Printing and Supplies 1974 - 1975

Installation Rituals	\$ 385.20
Booklets for Candidates	237.00
Grand Lodge Bulletins (2 issues and postage)	4,285.05
Constitutions (1 years supply)	4,308.00
Fraternal Reviews (3200)	2,087.57
Preliminary reports (3500)	3,228.48
Proceedings (1300)	7,444.46
New Lodge Books	57.79
Classified material (The Work) balance of payment from 1974	20,297.00
Printing, stationary and supplies, Office stationery, forms etc.	4,251.86
	<hr/>
	\$ 46,582.41

It will be noted with pleasure that after a record high for expenditures last year of \$76,175.00, expenses for the past year are down some \$29,593.00. This is attributed to the fact that no major purchases had to be made in the past year as we had the foresight to print sufficient books to last for more than 1 year. The final payment for the printing of "The Work" was made during the past year. This however will be recovered in the future as copies of "The Work" are sold to qualified Master Masons.

I would like to express my thanks to the D.D.G.M's., especially those serving on the Committee for their efforts in publicizing the book "Beyond the Pillars". Without the Commercialists by these brethren we would have not have had the success we have had in the past year. We have approximately 1 year's supply on hand. The thanks of the Committee is extended to the Lodges who are presenting copies of "Beyond the Pillars" to their new Master Masons. We would like to once again recommend this practice to any Lodges who are not presenting the book.

As this is the 100th Anniversary of the death of our first Grand Master, Most Wor. Bro. William Mercer Wilson, the Committee would like to recommend the book "The First Grand

Master" to each and every member. As we are reminded in the Charge to the Newly Initiated Brother "To consider yourself called on to make a daily advancement in Masonic knowledge", what better way could we follow this teaching than by purchasing a copy of this well written book and learn of the trials and tribulations of our first Grand Master. The price is only \$2.00, and are obtainable from the Grand Secretary's office.

We are pleased to approve an expenditure of \$57.79 for books for our newest Lodge, Mount Moriah, U.D., Brampton.

It will be noted that office supplies are down approximately \$1,000.00 and the cost of other purchases are up 10%. This increase reflects the normal price changes in the past year. The printing of Constitutions was kept to a 1 year supply as there is a Committee at work considering revisions to the Constitution and when their work is completed we will have a large size job printing new Constitutions.

The Committee wish to commend the Grand Secretary for his efforts in using good judgement and sound business practice in purchasing the necessary supplies to run the Grand Lodge office.

We wish to thank the staff of the Grand Secretary's office for their patience and co-operation during the past year. Their efforts in displaying and promoting the sale of our 3 books, Beyond the Pillars, The First Grand Master and the History of Grand Lodge to the many visitors to the Grand Lodge Office is greatly appreciated.

Respectfully and fraternally submitted,

H. CAMERON STEELE,

Chairman.

REPORT OF THE BLOOD DONORS' COMMITTEE

This report was presented by R.W. Bro. R. J. Connor, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Connor, it was received and adopted

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

When you sit down to watch a movie or a television show, you see the story build and the action unfold until the climax of the show finally arrives. So it has been this year with the Blood Donors' Committee. The story has been constructed by seminars and exchange-of-idea sessions presented by such directors as the Chairmen from London and Toronto. The action has been building in other districts, such as Niagara A, in the competition to win the local Blood Donors' Trophy. The climax, of course, is the results of all the districts competing with their own record of last year to set a new overall total of 10,768 donations.

Here are the results of this self competition showing the goal and the accomplishment in each district.

From our 1975 Blood Donor Story, we present these winners: W. Bro. Adam Waldner, Toronto District 1, for the greatest number of donations — 925; R.W. Bro. Frank Bowering, Niagara B District, for the greatest increase in donations — 339; W. Bro. Frank Sampson, Niagara A District, for the greatest percentage increase — 231%.

Special mention must go to Bro. J. D. Aylmer, Eastgate Lodge, No. 693, for having given 113 donations; to Bro. Robert Cameron, Cobden Lodge, No. 459, for 98 donations; and to Bro. P. Ochitwa, Builders Lodge, No. 177, for a family donation of 8 units.

Many Masons should be recognized for their efforts on behalf of this Committee. Of the 43 dedicated men who accepted the District responsibility, 17 were repeating in this service. R.W. Bro. Charles Heels of Victoria District is the senior member of this group having served for 14 years. R.W. Bro. Cal Krauter of North Huron District has given 12 years, R.W. Bro. Wm. J. C. Noble, Nipissing Centre — 10 years, R.W. Bro. Harold Lockwood — Algoma and V.W. Bro. Albert Thompson — Peterborough for 8 years, and V.W. Bro. Ron Shoenbottom — London for 7 years. It is very apparent, from their titles, that these Masons have not retired from activity after serving as district and Grand Lodge Officers. To these veterans, and to all those who have served this Committee our grateful thanks.

We salute also R.W. Bros. Donald Murray, D.D.G.M. — Bruce District; Joseph Hessey, D.D.G.M. — London West District; and Lewis McAdam, D.D.G.M. — Ottawa 2 District; as well as V.W. Bro. William G. Oliver, Grand Steward — Ottawa 1 District. These brethren were district Blood Donor Chairmen and have now received recognition from their brethren and from Grand Lodge.

Shortly after our last annual communication, we were greatly saddened to learn of the death of a 7-year veteran, Bro. Harley Johnson, of Niagara A District. Our condolences were expressed to Bro. Johnson's family and we know that he will be missed by his district brethren as well as by this Committee.

Rising costs have necessitated the elimination of some of the clinics by the mobile units of the Red Cross Blood Donor Service, and this has given our part of this cause a slight setback. But

adversity only means that we must just work a little harder to keep up our donations, and to try to show an increase. To give "the gift of life" may now mean that travel to the next town is necessary, but for a Mason bent on displaying the Masonic virtues of benevolence and charity, this should present no problem.

Your Blood Donors' Committee is confident that with the able assistance of the District Deputy Grand Masters, the District and Lodge Blood Donor Chairmen, and the diligent Masons, this program displaying "Brotherhood in Action" will go forward and increase in activity.

Respectfully and fraternally submitted,

ROD J. CONNOR,
Chairman.

PROGRESS REPORT OF THE SPECIAL COMMITTEE ON REVISION OF THE CONSTITUTION

This report was presented by R.W. Bro. H. Allan Leal and on motion of the Deputy Grand Master, seconded by R. W. Bro. Leal, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

May I, at the outset, offer my sincere apologies for the fact that your expectations, and mine, have not been fulfilled. It will be recalled that the date for the completion of the work, even after rescheduling, was fixed for the Grand Communication in July, 1975. The responsibility for these delays lies upon me as Chairman and is not in any sense to be attributed to the other members of the Committee, much less to Grand Lodge. By way of confession and avoidance permit me to say that the revision of the organic statute of any institution, particularly one as old as ours, is neither an easy nor a brief task. Constitutional reform either in the public or private sector is not an exercise for the short-winded.

Our assignment has been rendered more difficult for two reasons, the first and particular reason is that in addition to reviewing the existing articles, we have been asked to incorporate into the body of the constitution all those rulings of our Grand

Masters which are of general and continuing application. This is an impressive task and will mean that the substance of the rulings will be revised and correlated with the end result that the rulings will disappear, as such, from the Book of Constitution. The second and more general reason is that the task has had to be performed in a period when there was not sufficient uncommitted time to allot to it — but that is true of most serious matters.

Our time frames have been reassessed and adjusted and it is now anticipated that the first draft of the report will be submitted by the Committee to the Grand East by the end of September 1975. After review and revision by the Grand East, and re-engrossment the report will be circulated to the constituent lodges for perusal and comment. It would be helpful if it were possible to fix the date of February 15, 1976 as the deadline for such responses as are to be made. It may be necessary to extend this deadline by say, two weeks, depending on the date of the original circulation.

On receipt the responses and comments will be considered by the Committee, amendments to the articles made if thought desirable and necessary, and the redraft submitted to the Grand East. The final circulation would be made within the time limits set for notices of motion by April 15, 1976 to enable a discussion and disposition to be made of the Report at the Grand Communication in July 1976.

All of which is respectfully and fraternally submitted on behalf of the Committee.

H. ALLAN LEAL,
Chairman.

REPORT OF THE COMMITTEE ON THE CONDITION OF MASONRY

This report was presented by R.W. Bro. H. Allan Leal, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Leal, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

As an antidote to the frustrations and a flagging spirit which most of us experience in Masonry from time to time, and as an object lesson in what can be achieved with the application of imagination, devotion and proper planning we would open this

annual report of the Committee on the Condition of Masonry with an account of the meeting on May 3, 1975, of Pelee Lodge No. 627, Pelee Island. It was, in fact, the occasion of the official visit of Rt. Wor. Bro. R. Lyle Mosey, the District Deputy Grand Master, Windsor District (the home district of our esteemed and illustrious Grand Master), and we are grateful to Rt. Wor. Bro. Mosey for the details of the event. Pelee Lodge is the smallest lodge in membership in the Windsor District, is on the island and quite remote, being 20 miles from the Canadian and American mainland. Notwithstanding these formidable geographical obstacles, there were 245 Masons in attendance at that meeting; 128 came from lodges in the Windsor District, 19 from lodges in other districts in our grand jurisdiction, 80 from Ohio and 18 from Michigan. They came by ferry boat, chartered airplanes, chartered yachts and private cruisers. In all there were representatives of 70 lodges from no less than fifty cities, towns and villages who assembled for this outstanding occasion of fraternal fellowship. The logistical problems were horrendous but they were transcended because they were regarded as challenges to be met and not excuses for inaction. We salute all those who provided leadership for this event and applaud all who participated in it.

We dwell upon these details here because we have the conviction, frequently given expression in our annual report, that there is little wrong with the condition of masonry in this Grand jurisdiction which would not be substantially corrected by the conception, adoption and implementation of bold innovative programmes directed at awakening the interest and capturing the allegiance of our general membership. The reports of the District Deputy Grand Masters abound with concrete illustrations of constituent lodges which are thriving under the imaginative direction of a capable Worshipful Master while others decline and decay for want of such strong leadership. The answer to this problem is obviously twofold. Not only must we be more conscientious in the selection of our candidates for this high office but, perhaps even more importantly, must we train and assist them all in the discharge of their important duties. We would add that we make these observations not through any sense of ingratitude or lack of appreciation for their efforts on our behalf but rather to emphasize the critical nature of their position in our scheme of things.

The year under review exhibits evidence that many constituent lodges have moved in a meaningful way to improve their financial position in the face of rapidly increasing costs by adjusting their initiation and annual fee structures. Regrettably there are a number which operate at a deficit and balanced their operating account by resorting to meagre capital reserves. Dues in arrears are a continuing problem and in one district alone, comprising fourteen constituent lodges, the arrears account approximated \$2,500.00. We are confident that with a more sustained and vigorous policy of supervision and control that these fiscal matters can be improved.

We were encouraged to note that in addition to the refurbishing, renovation and restoration of a large number of our Masonic Temples which took place throughout the province during the year, there were at least two major building projects undertaken. We would refer specifically to developments in the cities of Ottawa and Hamilton where the building of projected new temples will undoubtedly provide new incentives and focal points for increased Masonic activity in these areas. We congratulate them on their undertakings.

We are this year, as in the past, truly grateful to the District Deputy Grand Masters for their abundant and devoted efforts on our behalf. As some measure of the time and energies consumed in their tasks we would point out that during the course of his duties during the year, one District Deputy Grand Master dedicated himself to attending over one hundred and fifty evening meetings in the form of official visits, installations, Masonic education programmes, receptions and the like. To these Masonic brethren then, to the District Secretaries, the District Chaplains and the Chairmen of the District Committees on Masonic Education, Benevolence and Blood Donors, we tender and record our sincere thanks. They are relatively few in number and much is owed to them for the successes we have enjoyed during the current year.

But the impact of freemasonry is not to be judged alone by its organizational and administrative efficiencies. We are to be assessed more critically by the contribution which we make to the moral and spiritual well-being of the society in which we function. That there are troubled times ahead cannot be denied — days of national and international difficulty that will test our mettle and probe our commitment. Recent addresses by the Prime Minister of Canada, the Chief Justice of the Supreme Court of Canada, the Minister of Justice and Attorney General for Canada, and the Premier of Ontario, to mention only four of our most prominent leaders and statesmen, have shared with us their concerns for the future of freedom and order in this country in the face of an alarming increase in the rate of violent crime, civil disobedience to duly constituted authority, and a too frequent and reckless disregard for the rule of law.

We have not had public utterances of this nature from responsible men in our time in this country before. It would appear that in the headlong pursuit of the good life we have acquired some very bad habits and that we are rushing lemming-like to our own destruction because we are not astute or concerned enough to preserve those basic principles of morality and fair dealing which has made this country the envy of much of the civilized world. Those of us who have had the privilege recently of visiting abroad have returned home with a much greater appreciation of our own land and the true dimensions of what we stand to lose.

We know and accept that Masonry cannot intervene directly in the political process. We do not submit briefs to any level of government expressing our collective views and on the socio-political issues of the day even on a non-partisan basis.

But in what we profess to believe and in the more open and faithful practice of these principles we can exert an important civilizing force far beyond the reaches of our relatively limited membership. We neither have nor seek political power or authority but we do have almost unlimited capacity for influencing proper social behaviour. May we close this report by again drawing your attention to that portion of the charge administered to all newly initiated candidates, an admonition we have all heard on countless occasions but which today is as relevant, if not more so, than it ever was in the past:

As a citizen of the world, I am next to enjoin you to be exemplary in the discharge of your civil duties by never proposing or at all countenancing any act that may have a tendency to subvert the peace and good order of society; by paying due obedience to the laws of the country which may for a time become the place of your residence or afford you its protection, ever remembering that as a Mason you are expected to live and act in such a manner as to fulfill the duties of a good citizen and thereby set an example for others to emulate.

All of which is respectfully and fraternally submitted on behalf of the Committee.

H. ALLAN LEAL,
Chairman.

REPORT OF THE SPECIAL COMMITTEE ON PROVINCIAL ASSESSMENTS OF MASONIC TEMPLES OR HALLS

The report was presented by R.W. Bro. F. M. Cass, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Cass, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The past Masonic year has not brought any tribulations with respect to re-assessment of Lodge properties which perhaps might be attributed to the fact that this could be a Provincial election year. Your Committee is also hopeful that part of the reason is the fact that the Assessment Branch of the Ministry of Revenue

not only is aware of the special purpose and use and value of Lodge properties, but is following the instructions which, as your Committee has noted before, have been issued from time to time from the Assessment Branch Head Office dealing with such matters.

The Committee has continued its liaison with the Assessment Branch of the Department of Revenue and draws to the attention of all Worshipful Masters and Officers of Lodges and Officers of Masonic Holdings Corporations that it apparently is the intention of the Provincial Government, within the next two years, to bring into force across Ontario, the New Assessment procedures and value. This undoubtedly will create a very considerable disturbance in the Municipal tax sphere and especially with respect to Lodge properties.

Your committee can do no better than draw to the attention of all Worshipful Masters and Officers of Lodges and Officers of Masonic Temple Corporations the proceedings of Grand Lodge 1973 at pages 122 and 123 and the further detailed information referred to in the 1972 proceedings at page 76, and the 1971 proceedings at page 91 and the 1974 proceedings of Grand Lodge at page 96. Your Committee urges that all officers of Temple Corporations and Worshipful Masters and Secretaries give constant attention to the Municipal assessment of their realty holdings so that no unnecessary additional financial burden may be imposed on their Corporation or Lodge, without such new assessment first having been properly made. Copies of Grand Lodge annual proceedings referred to by your committee are not readily available, the Grand Secretary upon request will provide photostat copies of the relevant Committee reports.

In order that the proper procedure may again be brought to the attention of all concerned, your Committee again sets out recommended procedures as previously delineated in its former reports, namely:

"Officers of each Lodge or Temple Corporation should carefully consider each municipal assessment notice immediately upon receipt thereof to determine if an appeal is necessary. In considering an appeal regard is to be had to the official interpretation of 'market value' upon which all assessments are to be based as contained in Section 27 of The Assessment Act of Ontario, Revised Statutes of Ontario, 1970, as amended and to Section 52 of the same Act which provides for such appeals as may be necessary against undue or improper assessments of property. When assessments are reviewed special attention is directed to the 'special use' aspect of Temple Corporation and Lodge properties.

All of which is respectfully and fraternally submitted.

F. M. CASS,
Chairman.

REPORT OF THE LIBRARY COMMITTEE

This report was presented by V.W. Bro. Wallace McLeod, Chairman, and on motion of the Deputy Grand Master, seconded by V.W. Bro. McLeod, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M., of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Library Committee I have the honour to present the following report to the 120th Annual Communication of this Grand Lodge. Your Committee was composed of M.W. Bros. H. L. Martyn, W. K. Bailey, R.W. Bros. A. Aggerholm, C. J. Woodburn, J. E. Moore, K. J. Cohoon, J. L. Fennell, R. Furness, R. C. Ward, J. J. Talman, and C. D. MacKenzie, with the undersigned as Chairman.

Outside the Metropolitan Toronto Central Library, over the east door, stand the words **LIBROS NON REFERT QUAM MULTOS SED QUAM BONOS HABEAS**. We deplore the Latinity, but the sentiment we applaud; "It doesn't matter how many books you've got, but how good they are." Your Grand Lodge Library has some pretty good ones.

Do you want pocket-sized books, to read on the GO-train? Try Carl H. Claudy's **Introduction to Freemasonry**, John T. Lawrence, **The Perfect Ashlar**, Pick and Knight's **Pocket History of Freemasonry**, Dwight L. Smith's **Whither are we Traveling?** or his **Why this Confusion in the Temple?**

Do you need guidance as you near the Chair of King Solomon? Try Louis B. Blakemore's **Masonic Lodge Methods**, Claudy's **The Master's Book**, Arthur R. Herrmann's **Designs upon the Trestleboard**, Albert G. Mackey's **Jurisprudence of Free-**

masonry, Robert Macoy's **Worshipful Master's Assistant**, or Allen E. Roberts, **Key to Freemasonry's Growth**. Would you like to run a workshop? Consult Cerza and Brown's **Masonic Study Groups**, or Roberts, **How to Conduct a Leadership Seminar**.

Are you anxious to learn how to put together a talk? Try Herbert V. Prochnow, **The Public Speaker's Treasure Chest**. Do you want to see what other Masons have had to say on this or that subject? Try Elbert Bede, **3-5-7 Minute Talks**, or his **5-15 Minute Talks**, Claudy's **Masonic Harvest**, Norman B. Hickox, **The Master's Lectures**, Macoy's **Master's Book of Short Speeches**, or Joseph Fort Newton's **Short Talks on Masonry**. Are you looking for Masonic poetry? Carl Glick's **A Treasury of Masonic Thought**. Do you like light fiction? Claudy's **The Lion's Paw**, or Robert S. Easter's **The Sword of Solomon**. Standard histories of the Royal Art? Coil's **Freemasonry through Six Centuries**, and Poole's revision of **Gould's History of Freemasonry**. The most influential books? Anderson's **Constitutions** and Preston's **Illustrations**. The best all-round book on the Craft? Bernard E. Jones, **Freemasons' Guide and Compendium**.

Worthy publications all! They are all in our Library, waiting for the Master Mason, waiting for the Worshipful Master, waiting for the Grand Lodge Officer, waiting for you!

What of the past year? During the period from May 14, 1974, to May 14, 1975, 157 visitors signed their names in the register (a decrease of 31% from last year); 165 books were mailed to out-of-town brethren (a decrease of 24%), and 174 books were loaned to local brethren (an increase of 11%). Once again our faithful patrons are not numerous; the 339 books loaned this year were borrowed by only 80 brethren—five fewer than last year. Of course we know that ours is not the only library in Ontario. Many lodges have outstanding collections. Many brethren are expanding their awareness with the help of Grand Lodge publications and the Transactions of Quatuor Coronati Lodge of Research. Only remember, we are all supposed to help our younger brethren to grow in Masonry. If you find a good book, don't keep it to yourself. Tell others about it. Our Library cries out for greater use. In 1938 the Canadian novelist Frederick Philip Grove said, "A book is a book only when it is read; otherwise it is a bundle of gathered sheets of soiled paper." Well, we've got lots of those unread bundles!

In fact, we have more of them now than we had a year ago. In all, 106 books were donated to the Library this year. Among the donors we mention the Grand Lodge of Kansas, for tracking down a copy of an out-of-print book for us; the Commission on Information for Recognition, of the Conference of Grand Masters of Masons in North America, for a whole series of publications, which incidentally help to elucidate the laconic recommendations of our own Committee on Fraternal Relations; the Grand Chapter of

Royal Arch Masons of Canada in the Province of Ontario, for a cash donation to assist the work of the Library; and the late Bro. D. J. Marriott of Cambridge-Galt, for a bequest of fifty-one books, a superb little research collection. To them, and to our other benefactors too numerous to list, we express our deepest gratitude.

Your Committee also purchased 98 books during the year. While so doing, we discovered the Masonic Service Association of the United States. This body was established in order to coordinate certain types of benevolence on a national level, but it also has a deep commitment to Masonic education. It publishes a series of **Masonic Digests**, which include such standard reference works as George Draffen's "Register of Grand Lodges, Active and Extinct," and George Clark's "From Whence Come we? (Masonic Ancestry and Descendants of the Grand Lodges of the United States)." There are also some less forbidding titles, such as "Masonic Stamp Collection," "History of the English Bible," "Are These the Greatest Masons?" and "The Truth is Stranger than Fiction." Let us cite one item from the last booklet: "The lively song, **Tipperary**, popular during World War I, was first sung at a Ladies' Night affair held in York Lodge, Toronto, Canada, on March 17, 1912." How many of you knew that?

Every month since 1923 the Masonic Service Association has published a **Short Talk Bulletin**, a talk about twenty minutes long, suitable for reading in lodge. Some of them are very good. Last year, for example, the Association reprinted (with permission) two excerpts from our own **Beyond the Pillars** and sent them out to 20,000 subscribers. You might try to guess what sections they chose!

Another fascinating project under weigh south of the border is the series of "Talking Short Talks," which are recordings of most popular **Short Talk Bulletins**. They now include one chapter from **Beyond the Pillars**, which was recorded and distributed this spring across the whole United States, from Maine to California. Your Library Committee was pleased to assume responsibility for cutting the master tape from which the cassettes were copied.

The Library continues, gradually, to accumulate Audio-visual material. We subscribe to the Talking Short Talks; we have a set of "Audio Talks for the Royal Craft," among them a speech by our own Past Grand Master, the late M.W. Bro. C. M. Pitts; we have recordings of several addresses delivered in this jurisdiction. These cassettes are an excellent way to keep up the spirits of those who, through age or infirmity, cannot attend lodge.

We have sets of 35-millimetre coloured slides, with typed and recorded commentary: Freemasons' Hall in London, the House of the Temple in Washington, the George Washington Memorial in Alexandria, Virginia, the Masonic Temple in Philadelphia, the

Masonic Memorial Temple in Montreal, and the Grand Lodge Communication of 1973. Pictures are being taken in connection with this year's Communication and will be available in due course. Let me quote from one letter. "Please find enclosed the slides and cassette . . . They were shown to a packed lodge room in Port Colborne last evening, and were greatly enjoyed by the brethren. We thank you most sincerely for your efforts on our behalf."

Our firm but kindly Librarian, Bro. William J. McKee, of Runnymede Lodge, No. 619, continues to serve with indefatigable devotion, keeping track of all our holdings, aiding visitors to find what they need, patiently answering letters which ask for help, and generally performing far beyond the call of duty. We don't know how we could manage without him.

For the seventh year V.W. Bros. Charles S. Gulston and John Petherick have served as volunteer assistants for two noon-hours a week. Once again, we are grateful to them for their services.

We are delighted to announce an important change in the Library's hours. Beginning September 2, 1975, it will remain open every week-day evening from 7:00 to 10:00 p.m. Thanks to the vigorous efforts of the District Deputy Grand Masters on the Committee, we have been able to recruit enough volunteers to initiate this venture. We shall now be able to serve you better, and we suggest that the members of any lodge might pay a visit some evening.

Let me gaze into the crystal ball for a moment. I see a world where the officers of every lodge have learnt the value of good Masonic Books; where they have transcended the bare rudiments of The Work; where they know whence came Freemasonry, what it is, and what its holy mission; where they offer their members something more than our beautiful ritual and ceremony; where the benches are not sufficient to contain the brethren who clamour to attend their lodge. Where, I hear you ask, is this earthly paradise? Brethren, it could be here!

In the old Grade Seven Ontario Reader, Carl Sandburg tells the story of a young man who was consumed by a thirst for knowledge. He used to say, "The things I want to know are in books. My best friend is the man who'll get me a book I ain't read." We could do worse than follow his example. Our Librarian will get you a book you "ain't read." Let him be your best friend. Come in, my brethren! Come in, to the Grand Lodge Library, and bring a young Mason with you!

All of which is respectfully and fraternally submitted on behalf of your Committee.

WALLACE McLEOD,
Chairman.

REPORT OF THE ADVISORY COMMITTEE ON LODGE BUILDINGS

This report was presented by R.W. Bro. E. C. Horwood, Chairman; on motion of the Deputy Grand Master, seconded by R.W. Bro. Horwood, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

In last year's Advisory Committee's Report, it was pointed out that there was no such thing as Absolute Safety; that we must determine how much risk we are willing to take; that all stairwells must be enclosed, not only with proper doors at the top and bottom of the enclosure, but also that the doors must be equipped with panic hardware. In one of the trade journals that came to our desk since the last Annual Communication of Grand Lodge, there was an advertisement calling for tenders to enclose eight stairwells in masonry in an existing complex, yet we still find that there are some who do not think it necessary to provide the best protection possible from fire for its members and/or occupants.

Your Committee wishes to bring to the attention of the Brethren that the Ontario Fire Marshal will not approve the use of styrofoam as an insulating material unless it is enclosed on both sides by masonry such as in a Cavity Wall.

We have also been informed that Polyurethane and Polystyrene must not be used as they are most dangerous in a fire because of the formation of a noxious gas which burns so fiercely and rapidly, it is considered to be an explosion. In this connection, in 1967 the Apollo I fire, in which three American astronauts were burned to death during take-off, was primarily due to the use of polyurethane insulation in the space craft. These plastics have been blamed for the 1970 dance hall fire at Grenoble, France, where 145 persons died.

Your Advisory Committee, therefore, not only recommends that the use of styrofoam and polyurethane insulation be prohibited in the Temples or other lodge premises in this Grand Jurisdiction, but also the Committee advises that these materials be removed from any Temples, and any other buildings where our Brethren work or dwell.

It has recently come to our knowledge that the U.S. plastics industry has started warning consumers that the plastic building materials, promoted for the past seven years as safe and fire resistant, are really flash fire hazards that give off poisonous gas when they burn and produce dense smoke.

In these days of inflation, and because of the consequent tremendous rise in building costs, the replacement value of our Masonic Buildings, as well as that of our own homes, has correspondingly and greatly increased. It, therefore, behooves us to take a good look at our fire insurance coverage, particularly if it is of the 80% co-insurance type. I know of a non-profit institution which had a disastrous fire some years ago and great was the disappointment and distress when it learned the amount of insurance it was entitled to receive. It was approximately \$100,000.00 less than expected, as it unfortunately had not kept its coverage up to 80% of replacement cost.

During the past twelve months another ten Lodges have contacted the Grand Secretary regarding the method of procedure for the project they had in mind. Since the inception of the Advisory Committee some 18 years ago, 232 Lodges and/or Temple Corporations have requested information, advice and assistance concerning Grand Lodge Regulations. Moreover, your Committee has interviewed 14 delegations which have come to the Grand Lodge offices seeking information and assistance. Without exception all the Brethren, at the conclusion of their meeting, have stated that they consider the time spent was worth while and expressed appreciation for the help received. Furthermore, the remodelling of an existing building and/or the erection of a new building for 5 Lodges have been completed, occupied and dedicated this year.

In many of the drawings submitted to the Committee, there have been examples of a complete lack of knowledge of Grand Lodge Regulations and with structural design.

To attempt to give a concise resume of the several Grand Lodge Regulations, Federal and Provincial Building Codes, even if we merely dealt with such items as stairs, stair enclosures, ceiling heights in the Lodge Room and Banquet Room, would make this report inordinately long. Your Committee therefore suggests that Building Committees and particularly those who prepare drawings, would be well advised to read the reports of this Committee set forth in the Annual Proceedings for several years back.

Shown on some drawings, there have been examples of poor design in column and wall footings, and on others, floor joists which are woefully inadequate. Therefore, where the structure of a building is concerned, it would seem advisable to employ someone knowledgeable in structural design, whether in wood, reinforced concrete or structural steel.

Finally, once again, we should all appreciate the assistance and advice given so freely and willingly by the Grand Secretary, M.W. Bro. John A. Irvine, and the Grand Secretary Emeritus, M.W. Bro. Ewart G. Dixon.

Respectfully and fraternally submitted,

E. C. HORWOOD,
Chairman of the Advisory Committee
on Lodge Buildings.

REPORT OF THE GRAND CHAPLAIN

The Grand Chaplain, R.W. Bro. Rev. Arthur W. Watson, presented this report. On motion of the Deputy Grand Master, seconded by R.W. Bro. Watson, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The journey of Masonry is a never ending quest for knowledge. No man can ever say, "I have arrived" for the horizons ever beckon us onward to new mysteries. Yet on that journey there are moments when one feels he is standing on the pinnacle surveying the wonders of the ages. Such has been my feeling as I have served as Grand Chaplain for the year 1974/75 — a pinnacle in my Masonic career. It has been an exhilarating year filled with never to be forgotten experiences, the making of new friends and the opportunity to see the craft in action across our Grand Jurisdiction.

I must first express my appreciation and deep gratitude to Most Worshipful Brother George E. Turner, the Grand Master, for laying the mantle of this high and important office upon me. His encouragement, joviality and words of unwarranted praise have bound us together in bonds of friendship which shall remain until time shall be no more.

My next word must be to the Grand Secretary, Most Worshipful Brother John A. Irvine, and the staff of the Grand Lodge Office for the help and material they have so graciously supplied to this neophyte upon request, and the sound advice which has helped in the carrying out of the duties laid upon me.

To the host of brethren in the districts I have visited, who have received me in their Lodge Rooms and Banquet Halls, and to Right Worshipful Brother Roderick J. Connor, who has been most gracious in chauffeuring me about the province and introducing me to the brethren, I shall be eternally grateful.

The District Deputy Grand Masters are to be commended for their careful selection of District Chaplains. These Chaplains, whose reports to me have shown concern for the Craft and a desire to awaken the religious and spiritual aspects of masonry more fully, have performed their duties in such a manner as to show to the community that masonry has a solid foundation of faith. For their untiring efforts on behalf of the Craft I can but say "thank you" for making my appointed task a most pleasant and rewarding one.

My travels have taken me far and wide in our Grand Jurisdiction. I have had the opportunity to attend functions in 28 Districts and I only regret that my daily work has not enabled me to be in the other 15 Districts. Perhaps in years ahead I may find the occasion to visit them.

It has been my happy privilege to have been welcomed into the pulpits of many churches across the province on the occasion of District Divine Services and Centennial Services of thanksgiving. The brethren have shown that their faith in the Great Architect of the Universe is strong and vital by their attendance, their enthusiasm and their careful planning of these services.

It was a particular honour to be invited to address the Grand Lodge Divine Service at St. John's Church, Woodhouse, on the occasion of the pilgrimage to the grave of our First Grand Master, Most Worshipful Brother William Mercer Wilson, on this the 100th anniversary of his death.

The appointment as Grand Chaplain has also afforded me the honour of having a significant part in the Constitution and Consecration of three new Lodges — Trillium No. 724, Wellington Square, No. 725 and Andor Gero, No. 726; and the Dedication of three new Temples — Hanover, No. 432, J. B. Hall, No. 145 and Leeds, No. 201. The new Lodges and new Temples will certainly add greatly to the continuing progress of the Craft.

The vitality of the Craft has been shown in the tireless efforts of the District Deputy Grand Masters, the Worshipful Masters and their committees in the organization and implementation of the well-attended Receptions to honour the Most Worshipful the Grand Master and the Centennial Banquets which I have been privileged to attend. The courtesies extended and the friendships made have strengthened my conviction that we, in Masonry, have a power to help dissolve the hate and greed of the world and bring forth those blessings of peace and love.

Other activities which have made this a rewarding year and are worthy of mention have been the invitations to be guest speaker in the Banquet Halls at 8 lodges; to accompany the District Deputy Grand Masters on numerous visits; to join Right Worshipful Brother Eric Nancekivell, the Deputy Grand Master, on some of his sojourns; to conduct Memorial Services in 4

lodges; to assist in the Dedication of a new masonic book, "The Temple", written by Bro. Brien Thurston of Vaughan Lodge, No. 54; to participate in a Cornerstone Laying at the Municipal Hall in Palmerston; to assist at the sod turning ceremony for the New Masonic Temple in Hamilton; and the unusual opportunity to address the West Hamilton Council of the Knights of Columbus.

In conclusion may I reiterate my deep appreciation of the support of all my brethren and especially the Most Worshipful the Grand Master, who has shown me the ideal of a Freemason as described in the General Charge at Installation. May those who in the year ahead accept the responsibility of office in Grand Lodge find the joy and fellowship I have discovered. May the Great Architect of the Universe continue to crown our order with happiness and enable us to communicate that happiness to others.

Respectfully and fraternally submitted,

ARTHUR W. WATSON,
Grand Chaplain.

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

This report was presented by M.W. Bro. W. K. Bailey seconded by M.W. Bro. W. L. Wright; it was received and adopted.

To the Most Worshipful Grand Lodge of Canada in the Province of Ontario.

Brethren:

Our Grand Master has very sincerely and thoughtfully welcomed our guests from sister Grand Jurisdictions and Concordant Bodies. We join him in expressing sincere appreciation to the Grand Secretary, his staff, R. Wor. Bros. Robert Strachan and Robert Truscott and the Metropolitan Toronto Past Masters' and Wardens' Association for the multitude of detailed arrangements for the accommodations necessary to ensure a successful Grand Lodge Communication.

We thank our Grand Master for the welcome he has extended to the brethren of the newly instituted Mount Moriah Lodge and the three newly constituted and consecrated Lodges—Trillium No. 724, Wellington Square No. 725 and Andor Gero No. 726. The Masons in the communities of Rainy River, Millbrook, Gananoque and Hanover are to be highly commended on acquiring and furnishing new Masonic Temples. These edifices will be splendid ornaments and sources of pride to Mason and non-Mason alike in their respective municipalities. Likewise the distinction of 100 years of Masonry achieved or about to be achieved by the fourteen Lodges will undoubtedly be reflected in increased interest and dedication to Freemasonry.

The decision of our Grand Master to accept the invitation of the Municipality of Palmerston to lay the cornerstone and dedicate the new municipal building is heartily endorsed. Unquestionably the image of our Order will be enhanced through such identification of our Grand Lodge with the welfare of the

community. Your Committee is pleased to confirm the financial support afforded by the Grand Master on our behalf to the ten Ontario charitable organizations.

Approval is given by the Committee to the recommendation of the Grand Master that past rank be given to the four Worshipful Masters who did not for one reason or another serve the full twelve months and also to that for R. Wor. Bro. John M. Leigh who was appointed District Deputy Grand Master of Nipissing East District in November 1974 to serve out the term of the late R. Wor. Bro. Robert Coxford.

Your Committee shares the sadness of our Grand Master in the sudden and untimely death of R. Wor. Bro. Robert B. Coxford in October 1974. He had taken up his duties of District Deputy Grand Master of Nipissing East District just three months before in a highly commendable manner. We concur in his recommendation of past rank, posthumously, for Bro. Coxford. The passing of two former members of the Board of General Purposes in the persons of R. Wor. Bros. I. Wellington Smith and Cyril C. Martin have left great voids in our Masonic circles and in their respective communities.

The expressions of appreciation to V. Wor. Bro. J. Lawrence Runnalls, editor of the Bulletin for the past eleven years, are enthusiastically applauded. The recommendation that the rank of Past Grand Senior Warden be conferred on our brother is a warranted recognition of the scholarship and diligence with which he has served our Grand Lodge.

The appointments of the Grand Representatives near our Grand Lodge and those recommended for appointment near other Grand Lodges are approved. Our Grand Master is to be commended for giving generously of his time to represent our Grand Lodge at the Annual Communications of sister Grand Jurisdictions, the Biennial Conference of Canadian Grand Masters and Grand Secretaries and the North American Conference of Grand Masters.

We commend our Grand Master for mention and recognition of the long and dedicated services rendered by the veterans of the Craft. Especial reference and listing the living holders of the coveted William Mercer Wilson Medal is applauded. In truth these brethren and those who have gone before them are the unsung heroes of our Order as they have ministered so unselfishly to their fellow men.

The Masons of this Jurisdiction owe a tremendous debt of gratitude to Norfolk Lodge No. 10, the mother Lodge of M. Wor. Bro. William Mercer Wilson, for planning and conducting the annual commemoration of the death of our first Grand Master. Our Grand Master is to be congratulated for making a special appeal to the brethren to attend the service last month marking the 100th anniversary of the death of M. Wor. Bro. Wilson.

The Grand Master through his presence at Lodge centennials, District receptions, Lodge ceremonials and Lodge functions has endeared himself to us all. His genial disposition and friendly manner have won him a special place in our hearts. We would particularly commend him for his message to us as typified in that portion of his address "Hold High The Torch". The observations therein contained merit thoughtful and serious perusal and contemplation.

With unqualified confirmation of all recommendations presented by our Grand Master and with sincere affection for him, this report is respectfully submitted to Grand Lodge. May he long be spared to enjoy good health and the fruits of his labours of these past two years.

WILLIAM K. BAILEY,
Chairman.

REPORT OF THE COMMITTEE ON GRIEVANCES AND APPEALS

This report was presented by R.W. Bro. P. S. MacKenzie, Chairman; on motion of the Deputy Grand Master, seconded by R.W. Bro. MacKenzie, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Grievances and Appeals presents its report in the following parts:

1. WOODLAND LODGE, No. 680, vs. BRO. TERRY GRANTLAND PAUL.

This case came before your Committee in 1973 and 1974 and the facts are stated in the Proceedings for 1973 at p. 149 and for 1974 at p. 129.

Bro. Paul having been convicted of two serious criminal offences, was suspended indefinitely by Woodland Lodge after a Masonic Trial. The Lodge recommended his expulsion to Grand Lodge and he was directed to appear at the Annual Communication in 1974 to show cause why he should not be expelled. He appeared at that Communication and in view of representations made to your Committee, by him and on his behalf, it was recommended to Grand Lodge that the matter be set over until this Communication with the indefinite suspension being continued.

Grand Lodge accepted this recommendation and Bro. Paul was notified to appear at this Communication. He has appeared. In view of the representations made by him, and on his behalf your committee recommends against expulsion. Your committee does recommend, however, that the indefinite suspension be continued.

2. ST. GEORGE'S LODGE No. 41, vs. WOR. BRO. MALCOLM L. WIGLE.

A charge of unmasonic conduct was laid in St. George's Lodge No. 41, on January 23, 1975, against the above named brother under Rule 1 (s) — adultery. It was alleged that the accused had left his wife and taken up residence with another married woman, the wife of a member of his own Lodge. The charge was accepted by the Lodge, and after due notice to the members of the Lodge and to the accused, a Masonic Trial was held on May 1, 1975.

The accused wrote to the Lodge admitting the facts alleged against him. Wor. Bro. Wigle did not appear at the trial but investigation by the Brethren revealed he was living in another city with the woman for whom he had deserted his wife. This investigation amply corroborated the brother's admission in his written communication to the Lodge. After full discussion the Lodge found Wor. Bro. Wigle guilty as charged. voted his indefinite suspension and recommended to Grand Lodge that he be expelled.

Your Committee has examined the proceedings instituted and disposed of by the Lodge as well as the signed admission of the accused. Your Committee approves the finding of guilt and the indefinite suspension of Wor. Bro. Wigle.

It is recommended that Wor. Bro. Wigle be notified to attend the next Annual Communication of this Grand Lodge to show cause why he should not be expelled and in the meantime his suspension will continue.

Your Committee is pleased to report that these are the only major occurrences in the past year for consideration of Grand Lodge. However, in view of the apparent hesitancy of some Lodges to deal expeditiously and firmly with flagrant offences against our Rules, we would again refer you to our comments in the 1974 proceedings at p. 129 and particularly to the constructive suggestions of the immediate Past Chairman of this Committee to be found in the proceedings of 1963 at p. 215.

Respectfully and fraternally submitted.

P. STUART MacKENZIE,
Chairman.

REPORT OF THE MASONIC FOUNDATION OF ONTARIO

M. Wor. Bro. W. K. Bailey presented the following report. On Motion of the Deputy Grand Master, seconded by M. Wor. Bro. Bailey, it was received and adopted.

To the Most Worshipful The Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Masonic Foundation of Ontario, I, as President of the Board of Directors, have the honour to present the report of the twelfth Annual Meeting of the Foundation, which was held on Tuesday, July 15, 1975, in the Royal York Hotel. As you are no doubt aware, the members of the Foundation are the 91 members of the Board of General Purposes.

The Foundation was incorporated eleven years ago at the instance of Grand Lodge, "to receive, maintain, manage, control and use donations exclusively for charitable purposes." But Grand Lodge did more than launch this new charitable institution. As an earnest of her support and concern, she endowed it with \$160,400.00 capital. Eleven years ago, with income of approximately \$8,000.00, the Board of Directors embarked on a modest programme of emergency assistance to Ontario university students who were in the latter half of their graduating year. During recent years the scope of our activities has been expanded, and we now extend aid to students of the Colleges of Applied Arts and Technology, and make donations for medical research.

At the end of the fiscal year, April 30, 1975, total assets stood at \$221,273.54, an increase of \$24,523.44 from a year ago, and of \$60,873.54 from 1964; since that date the average annual increase has been about \$5,500.00. Included in the assets are bonds having a cost value of \$212,208.75 and a market value of \$185,145.00; as bonds are normally held until maturity, no loss is contemplated. Interest from investment for this past year totalled \$12,690.50, an increase of \$1,163.11 from a year ago. Disbursements for the year were \$9,395.00 in bursaries, and a donation of \$2,000.00 to the Multiple Sclerosis Society of Canada (Ontario Branch). Expenses amounted to only \$336.00 including the audit and advertising in the Law Journal.

We are grateful to Rt. Wor. Bro. James J. Talman who has carried out the onerous task of maintaining liaison with the university and college student aid officers. On recommendation of these officials, approved by Rt. Wor. Bro. Talman, bursaries

of between \$100.00 and \$500.00 are awarded to enable a student to complete his or her year. Let me cite one student who was seriously injured by a hit-and-run motorist and was unable to continue in his part-time employment. His college registrar has recommended aid in the range of \$300.00 to \$500.00. An award of \$500.00 was made thereby enabling the student to carry on and graduate.

Thanks are extended to the District Deputy Grand Masters for representing the Foundation in presenting the bursaries. Grants were made to 25 students in 13 Ontario universities and colleges, and an additional \$2,300.00 was placed in trust with 6 universities and colleges for discretionary assistance. In all, since 1964, total disbursements of \$93,435.00 have been made to 385 students. Letters of appreciation are on file, but even more heart warming and rewarding have been the sentiments expressed in person to the District Deputy Grand Masters when the presentations were made.

Four years ago the Directors decided to publicize the aims and objectives by distributing the booklet "Yes, There is a Masonic Foundation of Ontario," and by making appeals in the Grand Lodge Bulletin. This publicity has had some effect and the Foundation is being recognized by an ever increasing circle of our members. This year 65 Lodges, over 100 individuals and several Masonic groups have contributed a total of \$21,564.48 to the Capital Account: they can rest assured that the invested funds will keep working on their behalf for years to come. Although letters of thanks have been mailed to all parties, I should like to add a personal word of appreciation.

Of the total contributions, the sum of \$55,162.00 represented outright donations made by 14 Lodges, 70 individuals and 10 Past Masters and District Associations, a very considerable increase both in contributors and dollars over last year. Contributions have ranged from \$1.00 to \$500.00. Let me assure you that the smaller donations are just as gratefully received. A few examples are listed:

Zetland Lodge No. 326	\$250.00 for the 5th cons. year
Toronto W.M.'s Annual Dinner	100.00 for the 5th cons. year
Toronto Districts Masonic Bonspiel	40.00 for the 3rd cons. year
Centennial Lodge No. 684	50.00 for the 2nd year
Ottawa District No. 1	50.00
London Valley Consistory Club	500.00
In lieu of gifts to Grand Master	525.00
Chatham District in honour of Rt. Wor. Bro. H. D. Paulucci	179.00

Donations from Lodges and other Masonic Bodies in lieu of gifts or honoraria or for assistance rendered by various officers of Grand Lodge.

Memorials to departed brethren amounted to \$2,090.00 which was precisely the same as last year from 50 Lodges and 30 individuals. Three Lodges may be singled out for special mention — Lodge of Fidelity No. 231, Ottawa, Mimosa No. 576, Toronto, Perfection No. 616, St. Catharines; their policy for the past 5 years has been to make memorial donations as one method of paying tribute to the memory of their deceased brethren. We are most appreciative that funeral directors are calling attention to the memorial folders which are available in most funeral chapels. It is our hope that the Foundation in due time will receive recognition comparable to that accorded to such established institutions as the Cancer Society and the Heart Foundation.

The receipt of about \$14,000.00 from 5 estates and trusts is evidence that our brethren are remembering the Foundation in their wills. It is well to remember that, if present trends continue, bequests will eventually become the largest source of capital funds. We are grateful for legacies from:

R. C. Addison Estate	\$10,023.84
Lyla G. Addison Trust	814.26
Norman W. Byrne Estate	1,000.00
Everon Flath Estate	1,000.00
Clarence E. Stewart Estate	1,000.00

On your behalf I wish to express sincere appreciation to Rt. Wor. Bro. Albert Ashforth for the outstanding leadership and invaluable counsel which he gave as President of the Foundation for 6 years. The years 1968 to 1974 will be marked in our history as a time when our members were led by Rt. Wor. Bro. Ashforth to see the glimmering light of the Foundation and to respond. We are extremely pleased that he has consented to continue as a Director. The duties of Secretary-Treasurer have been efficiently discharged by V. Wor. Bro. Hugh L. Hastie from July 1969 to last April when he requested that he be relieved of the duties. As the Foundation has prospered, so have the administrative details multiplied. It has been with regret that we have accepted his resignation and with respect that we salute him. Only those who have worked with our chief executive officers for the 6 years can have any conception of the sacrifices they have made on our behalf. It has been our good fortune to persuade Rt. Wor. Bro. T. John Arthur to assume the duties of Secretary-Treasurer. M. Wor. Bro. M. Cleve Hooper, who was Secretary-Treasurer during the beginning years, has continued to serve as our investment counsellor. Let me simply say that you have been well served by your Board of Directors.

Contributions, as we have noted, are increasing year by year. Yet the fact remains that only 10 per cent of our Lodges, and less than one-tenth of one per cent of our members, have participated in any one year. Evidently we need to be more

effective in calling attention to the work of the Foundation. Only in that way can we induce our brethren to give it some priority in their charitable budget.

In 1980 our Grand Lodge marks its 125th Anniversary. One way to celebrate would be to set a target of \$500,000.00 in capital funds for the Foundation. To reach that objective we need annual contributions totalling \$60,000.00. With a Grand Lodge the size of ours, that amount should be well within the realm of possibility.

We, the Directors, pledge ourselves to administer the affairs of the Foundation with the utmost care. We obligate ourselves to study ways and means to increase the capital funds, and to search out charitable endeavours which will contribute to the welfare of the community. Your nine Directors cannot do the job alone. All year, every year, we need the confidence and support of the 91 members of the Foundation, of the 80 appointed Grand Lodge Officers and of the 640 Worshipful Masters. It is a must that our members, particularly our 2,000 initiates be reminded that Grand Lodge has benevolent and charitable programmes, and that they are not abstract and remote, but on the contrary real and close to every Mason's heart.

The Masonic Foundation reflects credit on the whole Fraternity. Spread the word, and help us again to do an even better job.

Respectfully submitted,

W. K. BAILEY,
President.

REPORT OF THE COMMITTEE ON AUDIT AND FINANCE

Presented by R.W. Bro. A. C. Ashforth, Chairman, on motion of the Deputy Grand Master, seconded by R.W. Bro. Ashforth, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This Committee has now reviewed and considered in detail the reports of the Grand Treasurer, the Auditor's report attached thereto, and the report of the Grand Secretary as referred to it by

this Annual Communication. These appear to fully and accurately record the essential details pertaining to—

(a) the financial position of this Grand Lodge as of April 30, 1975, and the results of its fiscal operations on a cash basis for the twelve-month period ended on that date.

(b) details of all Receipts and Disbursements in respect to the General Fund, the Memorial Fund, and the Semi-Centennial Fund; together with particulars of all transactions and changes in Capital Accounts of Grand Lodge, which have occurred during the said period.

(c) the Investment Accounts of the above mentioned Funds and the summary of all financial resources as of April 30, 1975.

The following observations respecting certain matters covered by these reports, and or, relative to its financial affairs, are presented for your consideration.

(1) The Audited Statements of Grand Lodge accounts show that the net balance of all its resources now amounts to \$1,854,252.34 This net balance includes total investments at cost value (not market value), plus cash on hand and in the Bank and represents an increase in assets of \$47,754.73 over the figures of a year ago.

(2) Following traditional policy, Grand Lodge Funds are invested in Trustee Securities with the exception of \$190,000.00 Series "A" and \$40,000.00 Series "B" debentures of Masonic Holdings which are payable on demand after June 1, 1978. These were acquired under specific authority of this Grand Lodge in 1959. So far \$162,000.00 of these debentures have been redeemed, including \$10,000.00 redeemed on April 30th, 1975.

All securities, with few exceptions, are fully registered as to capital and interest, and are currently held in the custody of the Canadian Imperial Bank of Commerce, Hamilton, Ontario, whose certificate of confirmation is attached to the Auditor's Report.

(3) Total receipts under the General Fund for fees, dues, commutations, interest on investments, etc. amounted to \$284,212.54 while disbursements totalled \$257,182.81 leaving an excess of income over expenditures of \$27,029.73. This is greater by \$10,911.25 than in the preceding year because of a large sale of printed material paid for previously.

(4) Grants for benevolent purposes, less those refunded and cancelled, amounted to \$59,987.00 an increase of \$2,863.70

from a year ago. These grants were paid out of the combined incomes of the Memorial and Semi-Centennial Funds, as supplemented by transfers from the General Fund, which last year, amounted to \$23,250.00 up \$3,050.00 from the preceding year. The amount which the Committee on Benevolence anticipates needing from the General Fund in the coming year is \$23,000.00. The Committee on Audit and Finance therefore recommends that in order to provide these funds, the Board of General Purposes authorize, in accordance with Section 119 of the Constitution, appropriations from the General Fund to the amount of \$23,000.00. Such funds to be transferred as and when required to the combined Memorial and Semi-Centennial Funds, in order to supplement the interest and income therefrom, thus making adequate provision for all benevolent grants which Grand Lodge may make during the period May 1, 1975 to April 30, 1976. Before leaving this matter I would like to say that the Committee on Benevolence has shown great care and understanding in administering the funds entrusted to it.

Your Committee recommends approval of the special donations to charitable institutions totalling \$4,400.00 which were made under the authority of the Grand Master as itemized in the Financial Statement.

A proposal has been submitted to the Grand Master by a Constituent Past Masters', Masters' and Wardens' Association relating to, and I quote "General Plan for Insurance for Masonic Lodge Property in the Province of Ontario." The Grand Master has appointed an Ad-Hoc Committee to examine and study in depth the feasibility of the submission. With this in mind, and having regard for the Sovereignty of each Lodge and its Board of Trustees, the Committee is preparing a questionnaire which will be forwarded to each Lodge in the hope it will be completed promptly and returned to the Committee in due course.

In its review of all matters covered by this report, your Committee has received the fullest co-operation and assistance from the Grand Secretary and his staff, all of whom are well informed in relation to their respective duties. It is a pleasure to receive throughout the year the co-operation of the Grand Treasurer, whose wise counsel and sound judgment is always cheerfully given. Your Committee now formally recommends to this Grand Lodge the adoption, without amendment, the reports of the above mentioned officers and approval of the recommendations contained in this Committee's Report.

In accordance with Section 101 of the Constitution, your Committee submits for consideration and approval, an estimate of Receipts and Expenditures as it relates to the General Fund for the year ending April 30, 1976.

REPORT OF THE COMMITTEE ON WARRANTS

This report was presented by R.W. Bro. H. O. Polk, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Polk, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Warrants composed of: Most Wor. Bro. J. A. Irvine, Rt. Wor. Bros. G. B. Rickard, J. M. D. Hay, M. C. Hettrick, A. G. Oliver and R. S. Sparrow, begs to present its report for the year 1974-75.

Presently there is one (1) Lodge working U.D., namely Mount Moriah Lodge, U.D. Brampton, in Toronto District 1. The Lodge was instituted on the 21st day of April, 1975. Accordingly, and pursuant to Sec. 249 of the Constitution, this Lodge cannot be granted a Warrant at this Communication of Grand Lodge, nor has a petition been presented for one. We recommend that they continue to operate U.D. for the ensuing year.

There are four (4) other Lodges in various stages of development which your Committee finds encouraging and gratifying for the future welfare of our Craft. We look forward to further advancement in the coming year, and offer all possible assistance, in their efforts.

As a Committee, we remind the Lodge Secretaries the necessity of recording the names of "Movers" and "Seconders" of Motions accurately in the Minute Book with added notations of "Carried" or "Rejected", especially any motion regarding the expenditure of Lodge funds. This will assure an official record of all transactions, and serve as a safeguard to the members that business is being conducted within the framework of existing By-laws.

Further may we suggest that the signatures of Charter Members be entered in the Membership Register prior to the adoption of the By-Laws and approval by the Grand Master. This will avoid the possible inability of securing the names later because of unexpected circumstances.

As another recommendation, we suggest the W.M. and Secretary of each new Lodge adhere to the pattern of using the recommended forms and phraseology outlined in the Book of Constitution to ensure a sound basis of permanent records for succeeding years. Also to safeguard the Officers of the Lodge by an earnest inspection of the financial transactions in the preparation of the annual audit to comply with Section 159 of the Constitution.

Our concern for the safe-keeping of the Warrant, Membership Ledger, and Minute Books prompts us to again emphasize the importance of providing and using fire-proof storage between meetings. Some Lodges have experienced much concern, effort, and expense in having to replace this priceless equipment and records destroyed by fire.

We stress again the facilities available through the Grand Secretary and his staff, in providing assistance in the setting up of the required record books, in the formation of a new Lodge. Such guidance will be offered willingly either by a personal visit to the Grand Lodge Office, or by correspondence.

Finally we extend our best wishes to the officers and members of Mount Moriah Lodge U.D., for continued progress until such time as it receives a Warrant. Continue to build on a solid foundation, be selective, and success will surely result. Our wish to all those contributing their time, energies and talents in the formation of this new Lodge is that the grandeur of Brotherhood will pursue them in their toil of promoting those virtues of our beloved Fraternity which contributes so much in improving the morality of our lives and social institutions.

Respectfully and fraternally submitted,

HOWARD O. POLK,
Chairman.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

FOREWORD

To the Most Worshipful the Grand Master, Officers and Members
of the Grand Lodge A. F. & A. M. of Canada in the Province
of Ontario.

Most Worshipful Sir and Brethren:

I present, herewith, the foreword to the Report of the Committee on Fraternal Correspondence in the hope that I have drawn attention to an adequate number of events recorded therein to interest you in a more complete perusal of this excellent report. These summaries were, as usual, made by R.W. Bro. J. J. Talman, P.G.S.W., our reviewer since 1961. He is to be congratulated on his selection of items taken from the Annual Proceedings of the several Grand Lodges with which we are in amity, and which are of interest to us in Ontario. These summaries keep us informed of conditions and occurrences in the Masonic world. On your behalf, I express to R.W. Bro. Talman our unanimous appreciation of his efforts.

Population shifts cause deep concern to business, schools, churches and lodges. Fewer people are left to carry on until amalgamation becomes necessary. In the case of Masonic lodges, this entails giving up the charters of all but one, together with the finalizing of the lodge histories of the disappearing lodges. This is a saddening experience for the Masons who were members of those lodges which gave up their charters. See Saskatchewan, Minnesota and New South Wales.

Lowering the age of admission to the Craft to the legal voting age of the area continues to interest many Masons. Probably it stems from the desire on the part of concerned members to offset the membership loss in individual lodges. Perhaps, also, Worshipful Masters and Officers may feel that lowering the age may attract young people to petition for membership before they leave their home environment to establish themselves in the national work force elsewhere. However, I do not know of a jurisdiction that has actually lowered the age of admission up to the present. Read Alberta and Montana.

During the past year our lodges in Ontario have been asked to discuss and record their position on the subject of concurrent Jurisdiction on a district basis. If you have participated in these discussions, you should consider what was done in Alabama, Alberta and Maine.

The age of computers has altered many of the recording procedures of our society in the past few years. These mechanical devices have been employed in keeping an accurate account of membership details and it is a simple matter to keep these details up to date. I suggest you read New Hampshire, New Jersey and Oregon.

I would again direct your sympathetic attention to the Report on Ireland, to keep abreast of events and conditions there. I am happy to say that optimism, steadfastness of purpose and dedication continue to be the watchwords of the Craft in this much troubled land.

Our lodge committees on Masonic Education are always looking for source material for brief talks. These committees might find most useful for discussion the facts on Recognition of Grand Lodges which are included in the reports of Pennsylvania and Michigan.

I urge every Mason in Ontario to read the section of the report of New Zealand which deals with the membership of native peoples in the Craft. The Grand Master has summed up in a very few words, the happy association of the Masons of Maori background with the general membership, a pleasing parallel to that experienced by us in Ontario.

As communities are established and expand, so do Masonic lodges. Condition change rapidly in some of the newer areas of population and these changes affect the rise and fall in lodge membership. An interesting example of this is Polaris Lodge No. 114, Goose Bay, Labrador. For further study, read the report of Nova Scotia.

I hope that you will all read the complete report as I can assure you that it is informative and quite worth while.

Respectfully and fraternally submitted,

BRUCE B. FOSTER,
Chairman.

Fraternal Correspondence and Reviews

ALABAMA — 1974

154th Annual Communication — November 19-20.

Grand Master, 1973-74 — M.W. Bro. J. D. Brackin

Grand Master, 1974-75 — M.W. Bro. J. M. Eidson, Sr.

Lodges, 429.

Membership, 70,714.

Loss, 758.

One of the recommendations of the Grand Master was that a committee be appointed to draft legislation to change the Constitution in order to establish concurrent jurisdiction throughout the State. More and more jurisdictions are either studying or adopting the policy.

The Committee on Foreign Correspondence presented a lengthy report covering recognition of other Grand Lodges and fraternal correspondence. In addition the Committee Chairman was called on during the year to present fifty-year awards to sixteen Brethren from other jurisdictions resident in Alabama.

The Committee in reporting on the condition of Freemasonry in the world concluded that they believe "that many of the Lodges should bring their policies to conform with the economics of the times and devote much more thought to the quality, rather than the quantity, of their memberships."

ALBERTA — 1974

69th Annual Communication — June 21-22.

Grand Master, 1973-74 — M.W. Bro. G. J. Armstrong

Grand Master, 1974-75 — M.W. Bro. G. W. Sterling

Lodges, 173.

Membership, 16,662.

Loss, 322.

M.W. Bro. George E. Turner lead the distinguished visitors, of whom there were 15, into the Grand Lodge.

Once again, the roster of deceased brethren revealed the great migration in the early years of this century which opened up Alberta. Former Grand Lodge officers were born in many places outside Alberta: Ireland (2), South Dakota (1), England (5), Nebraska (1), Scotland (1), Manitoba (3), Greece (1), Denmark (1). Ontario supplied five, born in Oliphant, Thamesville, Woodstock, Owen Sound and Oro. Only five were born in Alberta.

The Jurisprudence Committee reported in answer to a questionnaire from the Grand Lodge of South Dakota concerning

the age requirement in the Jurisdiction and the status of any 18 year old Mason seeking to affiliate with a lodge in Alberta "that no person under the age of 21 years, even though he be a Mason in some other jurisdiction, can affiliate with a lodge under the jurisdiction of The Grand Lodge of Alberta."

The same Committee gave some background information on the matter of lodge boundaries, concerning which the new Constitution of 1969 eliminated all references. In short the position now is that "any lodge in this jurisdiction can accept a petition from any qualified person in any place in this jurisdiction."

In his Address the Grand Master reported: "We are continuing our efforts to promote more communication with our Brethren in Eastern Canada." He also suggested that the All Canada Conference will be encouraged to adopt an annual meeting instead of the present biennial one.

The Committee on Finance approved a grant of \$500.00 to Masters', Wardens' and Deacons' Association in Edmonton to assist in defraying the costs of the construction of a chapel at "Camp Health, Hope and Happiness," a camp used by diabetic and crippled children. A plaque on the door states "Erected by the Masons of Alberta."

After lengthy discussion the Grand Lodge approved a motion that each lodge, other than a lodge under dispensation, should pay \$3.50 for every member to Grand Lodge. The original motion had proposed \$5.00 but was amended.

The Report on the Condition of Masonry drew attention to the "fine historical registers" being kept and maintained by some lodges and stressed the special attention needed to keep these histories up to date.

ARIZONA — 1974

92nd Annual Communication — May 20-21.

Grand Master, 1973-74 — M.W. Bro. J. L. Monical

Grand Master, 1974-75 — M.W. Bro. S. C. Parish

Lodges, 70.

Membership, 15,145.

Gain, 353

The Grand Lodge held five Emergent Communications convened in memory of five past Grand Masters who died during the year. In all his years spent in reading Proceedings, this reviewer cannot recall having seen any Grand Lodge suffer such losses during a single year.

The Grand Lodge continued to prosper. Membership increased, two new Temples were completed and the cornerstone for a third was laid. As the Grand Master said: "In all my visits to

various lodges over the last three years, much activity has been reflected in the minutes of the meetings . . . In visiting over the State it was also a pleasure to note the number of younger men petitioning or holding offices in the various lodges."

The Phoenix Foundation, an organization of Masons, transferred its funds to Grand Lodge for use as scholarships or in any serious emergency. The first gift was for \$10,000, and a mortgage returning about \$3,500 a year was presented later.

Dispensations issued included three permitting outdoor meetings: in Texas Canyon, on the Hal Butler ranch (a third degree), and at Mt. Moriah (also a third degree).

BRITISH COLUMBIA — 1974

103rd Annual Communication — June 20-21.

Grand Master, 1973-74 — M.W. Bro. W. H. Rogers

Grand Master, 1974-75 — M.W. Bro. M. L. Barr

Lodges, 170. Membership, 24,449. Loss, 220.

Several District Deputy Grand Masters described outstanding features of their Districts.

The D.D.G.M. of Victoria District No. 1 reported that over recent years there has been a great increase in membership and enthusiasm in the Victoria Lodge of Education and Research.

The D.D.G.M. of New Westminster District No. 2, told of the strong feeling of friendship which exists among the various lodges, seven in number, in that District. He attributed this to the fact that the Masters and Wardens of the District meet regularly to discuss mutual problems and to promote activities for the benefit of the members and their families.

The D.D.G.M. of Cariboo District No. 4 gave a paper at the Prince George Masonic Study Club which "is carrying on splendidly and perhaps some day will grow into a Lodge of Research."

In Nanaimo District No. 5, the Masters' and Wardens' Association is active in discussing problems on an informal basis. The District Lodge of Education and Research holds meetings and although it has problems hopes to improve.

An educational programme in Fidelity Lodge No. 32 in Boundary District No. 7 included some old Masonic songs and an account of the spread of Freemasonry, particularly to India, by the British Army.

All the Lodges in Atlin-Yukon District No. 11 are in sound financial condition. Readers of these Reviews of past years will recall the difficulties found by brethren on that Northern frontier.

The foregoing extracts tell something of the many varied activities carried on in the Jurisdiction.

CHINA — 1972

19th Annual Communication — October 6-7.

Grand Master, 1971-72 — M.W. Bro. Shi-Sien Yuan

Grand Master, 1972-73 — M.W. Bro. T. L. Way

Lodges, 6.

Membership, 816.

Gain, 11.

This report is somewhat belated owing to the late arrival of the Proceedings. Nevertheless we are gaining for our previous Review appeared in 1972 and covered 1969 to 1971. The explanation is that our Grand Lodge recognized the Grand Lodge of China, meeting in Taipei, Taiwan, at the Annual Communication in 1968 and it evidently took some time before the Grand Lodge of China Proceedings began to arrive.

The biography of the Grand Master, M.W. Bro. Way, reveals something of the vicissitudes of Freemasonry in China. He was born in Hangchow, China, in 1917, and attended school in Shanghai. Subsequently he studied electronics in New York. He was initiated in Fortitude Lodge, Chungking, on the register of the Grand Lodge of California. Six members of Fortitude Lodge have been Grand Masters of the Grand Lodge. On returning to Shanghai he affiliated with Amity Lodge, No. 106, on the Grand Register of the Philippines, a daughter Grand Lodge of California. He took a leading part in the formation of the Grand Lodge of China at Shanghai in 1949. "With the occupation of the China Mainland," as the biography explains the political developments in China, M.W. Bro. Way went to the United States, but was able to return to China (Taiwan) in 1965. Here he quickly reactivated his interest "in the workings of China Freemasonry after a separation of seventeen years."

The year saw a slight gain in membership. Two lodges saw great gains, three suffered losses and the sixth (U.D.) had 30 members.

Although not an old Grand Lodge the Grand Lodge possesses a fine collection of Masonic books in the library conveniently housed in the Temple at Taipei.

The Committee on Masonic History gave a lengthy report on development of Masonry in China prior to 1930. They were able to uncover much information in the archives of the Grand Lodge of Massachusetts, which, as it happened, had at one time denied an appeal for a dispensation. The records, however, which were saved, were enlightening.

CHINA — 1973

20th Annual Communication — October 26-27.

Grand Master, 1973-74 — M.W. Bro. L. B. Herd, Jr.

Lodges, 6

Membership, 820.

Gain, 4.

The Grand Lodge consecrated The Han Lodge No. 8 and also dedicated a new Masonic Hall to be used by Szechwan Lodge No. 4. The newly consecrated Han Lodge is the only lodge in the Jurisdiction working exclusively in Chinese "using the translated Chinese version of the English Blue Book."

The Grand Master pointed out, "All our lodges on the mainland are unfortunately still in darkness." He also said that membership in most lodges has been reduced by the departure of many American servicemen. He suggested that lodges should consider including the names of brethren on the mainland on their membership rosters, "even if no dues have been paid by them for a long time" since their condition arose from circumstances beyond their control. They might be considered Masons in distress.

COLORADO — 1974

113th Annual Communication — January 28-29.

Grand Master, 1973-74 — M.W. Bro. E. A. Martin

Grand Master, 1974-75 — M.W. Bro. C. C. Carlson

Lodges, 171.

Membership, 40,804.

Loss, 741.

The Grand Lodge adopted an amendment to the Constitution permitting a Master Mason to be a member of not more than two lodges in the Jurisdiction at the same time, providing they did not have concurrent jurisdiction. Hitherto a member could belong to only one lodge.

A proposed change in the text of the Colorado Craftsman was defeated. The phrase "unbiased by the improper solicitation of friends" was to be amended to "unbiased by the solicitation of friends, which is improper."

Another proposal to permit, at the choice of the lodge by a vote of its members, the use of gas fires or electric candles instead of wax candles where "burning tapers" are required also was defeated.

Yet another proposal which would have permitted Past Masters of all lodges to wear their Past Master's aprons at all regular lodge communications was defeated. The Grand Master strongly opposed the proposal as he holds the view that every Mason should wear "a plain white unadorned apron." He would like to see the Grand Lodge Officers' aprons with "absolutely no adornments."

CONNECTICUT — 1974

186th Annual Communication — April 3-4.

Grand Master, 1973-74 — M.W. Bro. W. F. Saars

Grand Master, 1974-75 — M.W. Bro. W. F. Gomez

Connecticut Freemasonry is organized in a unique system, set up in 1904. The Jurisdiction is divided into nine districts each of which supplies one officer in the Grand Line. When the Grand Master completes his year in office a new officer, normally the Grand Junior Steward joins the Line. In addition there are 21 District Deputies, who are appointed for one year.

The Grand Master determined to visit as many Connecticut lodges as possible during his term of office. He visited 82. His engagements for the year totalled 192.

The dispensations included a permit to Friendship Lodge No. 145, Manchester, to visit St. George's Lodge No. 15, St. Catharines, to exemplify the Fellowcraft Degree. The same lodge was permitted to open an Emergent Communication for the purpose of joining with Manchester Lodge No. 73 and enter a float and march in a parade celebrating the 150th Anniversary of the Town of Manchester.

DELAWARE — 1974

169th Annual Communication — October 2-3.

Grand Master, 1973-74 — M.W. Bro. J. N. Fortner

Grand Master, 1974-75 — M.W. Bro. H. E. Snedeker

Lodges, 29. Membership, 9,240. Loss, 13,

Although most rulings by a Grand Master deal with questions which come up frequently, this year saw a new one. The Grand

Master was asked for an interpretation of the words "dues" and "assessments" which occur in several places in the Delaware Code. After consulting several attorneys and dictionaries, the Grand Master decided:

"There is no practical difference between an Assessment or Dues levied by Grand Lodge on a subordinate Lodge and when permitted by the By-Laws of the Lodge either may be passed on as a charge to members of the Lodge."

The Grand Lodge laid three cornerstones, those for a new city hall at Dover, a lodge, and a state service centre.

DISTRICT OF COLUMBIA — 1973

163rd Annual Report

Annual Communication — December 19.

Grand Master, 1973 — M.W. Bro. F. A. Kenyon

Grand Master, 1974 — M.W. Bro. R. L. Morris

Lodges, 47. Membership, 15,233. Loss, 697.

The Grand Lecturer sensed a developing recognition, albeit small, on the part of many officers of the constituent lodges that ritualistic proficiency is important. He felt that his efforts were beginning to bear fruit.

The Internal Revenue Service found the Masonic Temple Association exempt from Federal income tax. The matter had not been brought up before 1973 as "everyone assumed that the Association enjoyed an exempt status," through the Grand Lodge.

M.W. Bro. George E. Turner was among the Distinguished Guests.

During the year a lodge received an application from an individual using his religious title and first name. The Grand Master felt that this was not satisfactory and ruled that no petition is acceptable unless it gives the full name of the applicant, his address and avocation. This is the first problem of the kind seen by this reviewer in 14 years. There is always something new.

ENGLAND — 1974

Quarterly Communications — March 13, June 12,

September 11, December 11.

Annual Investiture — April 24.

Grand Master — H.R.H. The Duke of Kent,

G.C.M.G., G.C.V.O., A.D.C.

Grand Secretary — R.W. Bro. James W. Stubbs, P.G.W.

The first item of business in the year was the report of the Board of Benevolence. In the latter part of January large areas

of the State of Queensland were flooded. Violent storms and torrential rain over many days devastated large areas. It has always been the custom of the Grand Lodge to respond to such events immediately. The Board therefore made an immediate grant of £1,000 on behalf of the whole Craft for the relief of distress. The Grand Lodge, as no one could doubt, approved the action.

The Grand Lodge Register at the end of 1973 showed a total of 7,684 lodges. During the year Grand Lodge Certificates issued totalled 17,947, exactly fifty fewer than in the previous year but almost 800 more than in 1971. By coincidence, the total was the same as that for 1969.

During 1974 the Grand Lodge issued warrants for 67 new lodges. Most of them went to those called Provincial Lodges, that is those outside London. No. 8567, Ystrad Mynach, Bargoed, is not outside the United Kingdom but in South Wales. Masonry seems to be most active in South Wales as several lodges were warranted there. Their names were somewhat easier to pronounce than the above: St. Gwynno, Pontyclun; Discovery, Cardiff; and Lodge of the Seven Seas, Barry. Aberhonddu, Brecon, was another.

Speaking at the Annual Investiture, M.W. The Grand Master said in part: "The benefit of Grand Rank is not lightly bestowed, but each year the difficulty is not to find Brethren who warrant this position in Freemasonry but rather to make a selection from among the many likely candidates. This is a most healthy state of affairs because it is a clear indication of the active interest of many individual Freemasons who form the strong body of our Craft." The observation could be made with equal force in our own Jurisdiction.

The President of the Board of Benevolence speaking at the June Quarterly Communication expressed a great truth when he said: "I think we all need continuously reminding of the Masonic concept of Charity Brotherly Love and Relief. It is not only a case of putting one's hand in one's pocket. There are, no doubt, many Brethren in older age, and their widows, who are not able to maintain contact with their Lodges. The smallest gesture towards them can count for so much in their loneliness."

The Board of General Purposes drew attention to a potential problem when a Brother of one Jurisdiction may be visiting in another.

"Brethren must also be careful to remember that the lists of recognized Grand Lodges differ to no small extent between one Grand Lodge and another, so that it is always possible that when they visit a Lodge under another Constitution there will be present, quite legitimately so far as it is concerned, members of a Constitution not recognized by ourselves. Such a situation calls for tact

and diplomacy on the part of our members in withdrawing without giving offence, particularly where the visit has been formally arranged; but it has to be borne in mind that it is part of their duty as members of the English Constitution not to associate masonically with members of unrecognized Constitutions and that this duty transcends the more apparent calls of courtesy and politeness.

"When visits are contemplated or being arranged it is therefore essential to ascertain in writing through the Grand Secretary's office whether the Lodge to be visited is fully alive to this complication, and is prepared to accept it."

The Board also drew attention to an important publication.

"The Board has reason to believe that some confusion exists in Lodges over the distribution of the booklet 'Information for the Guidance of Members of the Craft'. The Board feels strongly that every member of the Craft should possess a copy of this booklet and has therefore reviewed its earlier recommendations in order to achieve this result. The Board now recommends that each newly made Mason should be given a copy of the booklet at the same time as he is presented with the Book of Constitutions and the By-Laws of his Lodge during the initiation ceremony. In addition the Board reiterates its view that a copy should be presented to each newly installed Master."

There are still copies available of "Grand Lodge 1717-1967." This is an invaluable publication for those interested in the history of Freemasonry. The price is still £1.35 (including postage). Any subsequent edition will inevitably be much more expensive.

A sudden illness and operation kept R.W. Bro. Stubbs, the Grand Secretary, from the September Quarterly Communication. Masons throughout the world will rejoice to know that he was present in his place at the December Quarterly Communication.

FLORIDA — 1974

145th Annual Communication — April 23-25.

Grand Master, 1973-74 — M.W. Bro. H. B. Collins

Grand Master, 1974-75 — M.W. Bro. G. L. Myers

Lodges, 317.

Membership, 80,006.

Gain, 923.

The Grand Master ruled that a Filipino was eligible to become a member of a lodge as the Grand Lodge of Florida enjoys fraternal relations with the Philippine Islands. He also granted four dispensations permitting the conferring of degrees "in the open," one location being a ranch and another a camp.

The Grand Lodge must have strict rules regarding the publication of names and addresses of members. It required a dispensation to permit a secretary of a lodge to supply the W.M. with a single copy of a list of names and addresses to enable him to write a letter to each member. In another case, a dispensation permitting the printing of a list of members without addresses, in a lodge history.

Of interest to our Jurisdiction was the dispensation permitting Pythagoras Lodge No. 358, W. Panama City Beach, "To have a Team from Canada exemplify an E.A. degree" if approved by our Grand Master.

GEORGIA — 1974

188th Annual Communication — October 22-23.

Grand Master, 1973-74 — M.W. Bro. H. T. Hooper
Grand Master, 1974-75 — M.W. Bro. H. Bullock

Lodges, 472. Membership, 96,002. Loss, 273.

The Proceedings included a brief, but comprehensive, history of Freemasonry in Georgia. Although Georgia, founded in 1733 by James Edward Oglethorpe, was the last of the Thirteen Colonies it was early in the history of Freemasonry in America.

In December, 1733, the Grand Lodge of England at its Quarterly Communication in London adopted a resolution to "collect the Charity of this Society towards enabling the Trustees (of Georgia) to send distressed Brethren to Georgia where they may be comfortably provided for . . . that it be strenuously (sic) recommended by the Masters and Wardens of regular Lodges to make a generous collection amongst all their Members for that purpose"

Some three months later, February 21, 1734, a Lodge of Freemasons was organized at Savannah under the "old customs" (without warrant). Noble Jones, intimate friend of James Oglethorpe, was initiated on that date, the first Freemason made in Georgia. On December 2, 1735, the Lodge was warranted by the Grand Lodge of England and entered on the engraved list as "The Lodge at Savannah in Ye Province of Georgia". It was assigned Number 139 on the register of English Lodges.

The Lodge at Savannah, now numbered 63, in 1770 changed its name to Solomon's Lodge. Except for two short-lived lodges it was the only lodge in Georgia up to 1785.

This brief history shows that Solomon's Lodge was the second duly constituted lodge in America, next only to St. John's,

Boston, Mass., warranted in 1733. The Grand Lodge of Georgia was organized in 1786.

Among the small pieces of colourful information in the Proceedings was the report of the Grand Master that he had spoken at the regular meeting of Winder Lodge No. 333, formerly known as "Jug Tavern" Lodge.

The Grand Master reported that he had made 213 visits, some of two or three days duration. He also issued approximately 350 dispensations. He had a busy year. In his view the condition of Freemasonry in Georgia was sound. Such problems as there may be cannot be remedied by the Grand Master. He concluded:

"Freemasonry in Georgia is continuously moving forward. Financially and membership-wise we are reasonably secure: however, I would be less than fair if I said we have no problems. We do have problems, such as being able to convince the membership to accept their responsibilities in support of the Grand Lodge Educational Programs; the need for participation of all to raise the Endowment Fund of our Masonic Home; The need to support our Lodges by regular attendance at their meetings.

"These and other problems that exist cannot be corrected by the Grand Master alone, but will require a dedicated effort from all members. They must be willing to accept their individual responsibilities toward Masonry."

IDAHO — 1974

The Grand Lodge acted as host to the annual tri-state conference of Grand Lodge Officers of Oregon, Washington and Idaho.

The Grand Master told of many activities in the Jurisdiction all aimed at promoting peace and harmony. He also added the following significant comment.

"A considerable amount of time was spent this year in discussion and in making suggestions regarding the cost of constituent lodge operation. Are we, the present day Masons, too cheap to pay and are we selling the Fraternity short? Is your Masonic Temple in good repair, is it a compliment to your community?

Does your Lodge provide the membership with good refreshments at the festive table where good fellowship should exist? Many Lodges have raised their dues and more need to. It's your Masonry; are you proud of it? May I quote, in part, from the Master's congratulations to the candidate, as a member of Ancient Free and Accepted Masons of Idaho, 'You are subject to all its burdens and responsibilities.'

"And, what about the cost of joining Masonry today? When a person has to make some sacrifices to obtain something of good quality in life like a new home with all the modern conveniences or a fine, luxurious automobile, if he makes some sacrifice he will really appreciate it. Does a person joining Masonry today have to make any real sacrifices to join the Fraternity at present day wages? At the present cost of joining Masonry, are we receiving the curious seekers who can afford to see what we have to offer but lack the real desire in their hearts to join? In checking the fees for degrees ten years ago compared to now there have been only 7 Lodges which have raised the fee for degrees. We are opening the doors to the Fraternity at bargain basement prices. It appears that our Fraternity no longer possesses the fine quality image because it is priced too low. What's the cost of Masonry today? Are we selling the Fraternity short?"

Among the Distinguished Visitors were M.W. Bros. W. L. Wright and E. G. Dixon.

The Grand Lodge is endeavouring to reach out to the lodges by expanding the Grand Lodge Newsletter. In addition, small group meetings of Masters and Wardens were conducted in each district by an elected Grand Lodge Officer to promote the programme and to learn at first hand the opinions and suggestions of lodge leaders.

The Committee on Masonic Homes Endowments reported that donations to the fund had been in excess of \$977,000. Wills and bequests provided another \$859,000. These sums brought the total to over \$14,300,000. The "goal of \$25,000,000 appears more and more attainable."

Well over 1,000 Masons and their families attended the eleventh annual Masonic Picnic at Ferne Clyffe State Park.

The Committee on Metropolitan Freemasonry made several observations. Among them were the following:

"The foundation of our plan for action is that we believe a Mason should belong to and be a member of a Masonic Lodge in the locality in which he lives, rather than a member of a Lodge so far distant he cannot attend. A Mason who regularly or often attends lodge will discuss Masonry with his family, neighbors, and friends. He is then searching for those who desire to become Masons but have not known how to do it.

"Admittedly there are too many lodges in the Metropolitan City of Chicago at the present time.

"Every town of 10,000 population or more should have a Masonic Lodge. In these towns without a Masonic Lodge there are usually enough Masons who are members of distant lodges who would start formation of a lodge if given the necessary assistance."

The Grand Lodge supports a programme to mark historic Masonic sites. This year three were marked. The texts show the type of commemoration possible.

At the former site of Bridgeport Lodge No. 162 the inscription runs: "Site of 'Masonic Well.' During the westward migration along old National Road, thousands of horses were watered at this widely known public watering place. Town pump and trough maintained as a community service by Bridgeport Lodge No. 162, F & A.M., organized 1854."

At Cutler the text is: "Wild Cat Lodge No. 311, F. & A.M., Organized June 25, 1864, the Lodge used the third floor of the Adam's Mill as meeting place until autumn 1867, one of two known Masonic Lodges in Indiana to have started life in a flour mill."

The third inscription at Moores Hill states: "Moore Hall. Original college building directly southwest of this point, was erected 1854-56 with financial assistance by Freemasons of Allen Lodge No. 165, who used third floor as meeting hall until edifice was destroyed by fire 1915."

The year 1974 was historically oriented in the Jurisdiction. The Grand Master not only drew attention to the forthcoming bicentenary celebrations of the Declaration of Independence but also reported on a matter close to home. For many years the Freemasons of Indiana have had a deep interest in the Schofield House in Madison. "This lovely old building, in a historic river town, having been the birthplace of the Grand Lodge of Indiana, has long been an historic shrine which every Mason in the state has wanted to preserve for posterity. Over a year ago, the last of the Schofields passed on and the Scottish Rite Valley of Indianapolis bought the old inn for all Masons. During this year, a committee has been busy forming a non-profit foundation as a vehicle for the restoration and maintenance of our Masonic shrine. On March 15, 1974, the Masonic Heritage Foundation became a legal entity."

The Indianapolis Valley of the Scottish Rite, in addition to its purchase of the property for the Masons of the State, has advanced a considerable sum to start the process of restoring and refurbishing the structure. The Grand Lodge approved an appropriation equivalent to ten cents per member, to the Masonic Heritage Foundation.

IRELAND — 1973

Annual Report of the Grand Secretary

Grand Master — M.W. Bro. Rt. Hon. The Earl of Donoughmore

During the year the Grand Lodge held the four normal Quarterly Communications besides the Meeting on St. John's Day and three Occasional Communications in West Africa. The Quarterly Communications met in Cork, Dublin, Belfast and Dublin in that order. A party from the South travelled by train to Belfast and returned in the evening. The Mayor of Belfast entertained the group and showed them over the city hall. The Grand Master reported: "The Antrim Brethren then gave us an excellent lunch at Rosemary Street and we had what I felt was most enjoyable and successful Meeting. All the arrangements were excellent and it still amazes me how the Brethren in some of the most stricken areas carry on so well as they do."

At the December Stated Communication, the Grand Lodge accepted with profound regret the resignation of R.W. Bro. J. A. Wallace from the office of Deputy Grand Master because of ill health. He held the office 1962-73.

The Grand Lodge constituted Provincial Grand Lodges in Nigeria and Ghana and the first Irish Lodge in Sierra Leone (apart from a military lodge which worked in Freetown from 1908 to 1928).

The disturbed conditions in Antrim continued to have an adverse effect. In spite of a steady flow of new candidates total membership continued to decline. While it was thought advisable during recent years to hold the Provincial Grand Lodge meetings outside Belfast, the body determined to resume communications in that city. The time, however, was changed from Monday evenings to Saturday afternoons. Both city and country lodges have been well represented.

In Armagh the Brethren "made an excellent restoration" of the Newtownhamilton Masonic Hall which had suffered serious bomb damage.

Although working under "extremely adverse conditions and continuous tension" all lodges in this Provincial jurisdiction continued to meet regularly and were not deterred from celebrating special events such as jubilees and anniversaries.

The Provincial Grand Master of the Midland Counties reported that "All in the garden may not be rosy, nevertheless we can look back on the past year and look ahead to the future with quiet confidence."

And away to the South, the Provincial Grand Master of Munster told of event which is well worth reporting. "We were approached by senior members of the Knights of St. Columbanus with a proposition that our two Orders in Cork should get together to form a committee to look into the possibilities of joint action in community service." The approach apparently arose from the success of a reception in December, 1971 "for our friends outside the Order." Another is planned.

Altogether, the Report for 1973 reveals a most encouraging picture.

JAPAN — 1974

17th Annual Communication — March 15-16.

Grand Master, 1973-74 — M.W. Bro. C. P. Weatherman

Grand Master, 1974-75 — M.W. Bro. T. Yamada

Lodges, 20.

Membership, 4,728.

Loss, 59.

The Grand Lodge met once in Special Communication to lay the cornerstone of a new Masonic temple at Kunitachi.

The Grand Lodge of Norway extended fraternal recognition, bringing to 117 Grand Lodges in the Masonic world, which now are in fraternal communication with the Grand Lodge of Japan.

The report of the Grand Lecturer told of ritual followed in Japan. Last year we reported that the ritual was being changed to more current usage. "A revised Japanese Ritual is now in

wide use by the Japanese Brethren, but many occasions were observed where both the old and revised Ritual were used together creating a certain confusion both to the speakers themselves and listeners. This may be inevitable during the transition period, particularly for the senior Japanese Masons who have been so familiar with the old one that their speaking habits cannot be easily changed in a short period. Young Japanese Masons prefer to use the new revised Ritual. In addition, there is a tendency for Japanese Brethren in English-speaking Lodges to prefer English Ritual to Japanese as they are familiar with the former. This is similar to the situation of the senior Japanese Masons mentioned previously. However we should remember that the time is soon approaching when some of our Lodges will use only the Japanese language for the benefit of an increasing number of Japanese members."

KENTUCKY — 1973

174th Annual Communication — October 16-18.

Grand Master, 1972-73 — M.W. Bro. R. M. Wilhite, Jr.

Grand Master, 1973-74 — M.W. Bro. T. E. Dicken

The Grand Master singled out the "Masonic Home Journal", for particular attention, saying that no other Masonic jurisdiction has the services of "as adequate a source of news" for the brethren.

The only recommendations the Grand Master wished to make were in the form of a personal word to each and every Mason in the Jurisdiction. His statements have applications well beyond the boundaries of his Jurisdiction. Two must serve as an example. "We must promote Masonry in our everyday life by living the proper life of a Master Mason, thus portraying to the profane that Masonry is a moral organization which is a way of life with us. We must educate all Masons as to what Masonry is, what a Mason can expect to receive from Masonry, and what Masonry expects from its members . . . We must clean-up, fix-up and paint-up our Lodge Halls so we can let the profane know we are proud to be Masons."

LOUISIANA — 1974

163rd Annual Communication — February 4-5.

"Louisiana people love politics and it is a way of life here. But political squabbles in Masonry are to be shunned as a plague, being divisive where harmony must abound. Remember the ties that bind are greater than the small things that sometimes pull us apart. The universality of Freemasonry requires that each have a hearing and respects the inherent dignity of each personality."

The foregoing paragraph in the Grand Master's address implied that he had some difficult problems to face. They stemmed largely from the great increases in costs which are eroding the resources of the Grand Lodge, especially the high cost of maintaining the Grand Lodge Hall in New Orleans. In order to make ends meet charges to lodges working in the building should be a prohibitive \$7.00 per member. A compromise proposal setting the rate at \$3.00 for 1973 and \$6.00 for 1974 was referred to the Board of Directors of the Hall for future action.

The Masonic Home Educational Foundation, though relatively new, had a good year. More and more people, lodges and Masonic organizations are learning of the work. The Foundation assisted 38 students during the year. Children of the Home have first claim on the funds. After them, sons and daughters of Master Masons over the State receive assistance when in need of it.

MAINE — 1974

In the opening paragraphs of his twenty-ninth annual Report of Correspondence, M.W. Bro. R. J. Pollard again offered some profound observations. "As we all know, American Freemasonry is now passing through a difficult and trying period, a period of continuing membership losses and declining revenue, and a period in which misguided and hysterical brethren are making suggestions designed to 'modernize' Freemasonry, to attract more candidates, regardless of quality, to make Freemasonry more attractive and acceptable to the younger generation, and to bring Freemasonry more into line with the relaxed moral standards of present-day society. This is the road to ruin.

"American Freemasonry can find no more effective method of destroying itself than by adopting suggestions which would, in any way, alter the ancient usages and customs of the Craft, or which would, in the slightest degree, relax those high moral standards which have hitherto characterized our Fraternity."

A reader is left with no doubt as to where M.W. Bro. Pollard stands, nor can we do better than endorse those views.

All but eight of the constituent lodges were represented at the Annual Communication. M.W. Bro. W. K. Bailey, representing our Grand Lodge was introduced by Bro. S. M. L. Pollard.

The Grand Lodge met twice in Special Communications to lay the cornerstone of and dedicate new Masonic temples.

The Grand Master was distressed, and rightly so, when he reported that only one of the five lodges, eligible to do so, celebrated their 150th anniversaries. The roll of lodges shows that ten more will be eligible by 1978. But after that the next lodge will have to wait until 1998. Hundred and fiftieth anniversaries are uncommon enough to justify a special celebration.

The Grand Master spoke well of state-wide jurisdiction as he had seen it work in some of the jurisdictions through which he had travelled. At first he had thought that the idea seemed somewhat radical.

MARYLAND — 1973

Semi-Annual Communication — May 15.

187th Annual Communication — November 20-21.

Grand Master, 1970-72 — M.W. Bro. J. R. Fogle

Grand Master, 1972-74 — M.W. Bro. P. B. Matthews

Lodges, 129.

Membership, 45,299.

Loss, 564.

At the Semi-Annual Communication the Grand Master expressed the view that the Fraternity was moving ahead with high quality and younger candidates. The Grand Secretary noted that the average of those seeking admission is 35.

During the first six months of the year the net loss was 575 of which 563 was to be counted for by deaths. To a great extent this is the result of the great influx after the First World War when the total membership tripled. The Grand Master believed that the losses will probably continue for some time.

MASSACHUSETTS — 1973

Although Special Communications dropped in number from 31 to 18 those which met revealed a great variety of activities. Three were held in the Canal Zone, (the Grand Lodge has seven lodges in the District Grand Lodge of the Canal Zone), two commemorated the celebration of lodges which had reached their one

hundred and seventy-fifth anniversary and two their one hundred and fiftieth. Two were held at East Bridgewater, the first to lay the cornerstone of the Admiral Robert Blake House of the First Parish Unitarian Church and the second to dedicate the same. The purpose of the building was not given in the record.

One of the lodges celebrating its one hundred and seventy-fifth anniversary was Meridian No. 23, Natick. When Paul Revere was "Grand Master of Masons in Massachusetts in 1795-6-7." His last official act was the signing of the charter of Meridian Lodge, in 1797. General William Hull, who had been officer in Washington's army was the first W.M. His Masonic career was somewhat more distinguished than his military. In 1805 President Jefferson appointed him the first governor of the territory of Michigan. The history of the lodge published in the Proceedings did not follow his career to the point where General Brock forced him ignominiously to surrender Detroit in one of the most crucial battles in the War of 1812.

The second lodge celebrating its one hundred and seventy-fifth anniversary, King David, No. 28, Taunton, still uses on special occasions a Bible printed by M.W. Bro. Isaiah Thomas in 1792. Grand Master, 1803-05 and 1809, he was one of the pioneers of printing in America and the first historian of American journalism. He spent some time in Nova Scotia where his republican ideas did not sit well with the authorities in 1763. He also printed a "Masonic Constitution" in 1798.

Much of the time of the Quarterly Communication, September 12, 1973, was devoted to the Masonic Home Building Committee. The specific plans do not need to be described here. Suffice it to say the Masons of Massachusetts plan to raise two million dollars for major additions and improvements.

The Grand Lodge of Massachusetts maintains a museum which is kept open weekdays all year 9-5 and on Thursdays, September through June, until 8.30. One of the donations, commemorating the two hundredth anniversary of the Boston tea party of 1773, was a vial of tea said to have been salvaged from the boots of one of the participants who later joined a lodge in Massachusetts. This reviewer simply records the gift without expressing any opinion on the matter.

MEXICO (YORK) — 1974

112th Annual Communication — March 8-9.

Grand Master, 1973-74 — M.W. Bro. R. W. Burnet

Grand Master, 1974-75 — M.W. Bro. E. V. Frankel

The two areas in which the Grand Lodge must improve, according to the Grand Master, are attendance and the quality

of work. On the latter topic he said "It is axiomatic that ceremony is the touchstone of morality. Our ceremonies differ from those of other organizations whose moral goals may be the same as ours. Therefore, it is of paramount importance that our Officers perform these with accuracy and with a full knowledge of their meanings. It is these that set us apart. Think well at your elections, my Brethren, that you do not elect from a standpoint of popularity alone, but seek out those who respect our workings and who can perform them."

He added "I am particularly gratified to learn that several of our Brothers, having joined concordant or appendant Bodies less than 18 months after being raised are now holding offices in our Lodges. It is on men such as these that we depend for our future and it is evident that their Blue Lodges come first in their hearts."

The Committee on Work and Ritual reported that "the Committee had revised and corrected the Opening and Closing in the M.M. Degree in Spanish." They are convinced that they have a good text for use in Morelos Lodge No. 27 and recommended that the incoming Committee compare it with that used in Aztec Lodge No. 22. They also practically completed the German ritual for use in Alexander von Humboldt Lodge No. 26. A Grand Lodge with eleven lodges working in three languages must be unique.

MICHIGAN — 1974

The introductory biography describes M.W. Bro. R. E. Curlis as "7th U.P. Mason To Serve." Translated, the phrase means that the newly installed Grand Master comes from the Upper Peninsula. Now retired from the electric power industry, he served in the U.S. Coast Guard 1932-1947. He saw a great deal of action.

The Grand Master reported that the year had witnessed many requests for many by-law revisions. He was happy that many involved increasing dues. He pointed out that the old fee structures ignored inflation and further that Masonry is important enough that it should not be sold cheaply.

The Fraternal Relations Committee opened its report with a most informative introduction which may profitably be included here.

"Nearly three hundred and twenty years have elapsed since John Aubrey in his manuscript, *Natural History of Wiltshire*, 1656-1686, in speaking of the Freemasons said: 'They are known to one another by certayn Signs and Marks and watchwords and continue to do so to this day.' Sir Richard Steele, writing in the *Tatler*, 1709, said, 'They have their signs and tokens just like Freemasons.' The Premier Grand Lodge after 1723 was represented by a variety of words, signs, grips, tokens, symbols, points of entry, points of fellowship, pillars, lights, supports, coverings, many of which were undergoing change.

"Out of this medley came the so-called modern modes of recognition, but with the passing of time these became only of secondary importance. Misapprehension, of course, existed in the minds of those pretending to great knowledge about modes of recognition. Mackey thought they should be based upon the Landmarks and that they admit of no variance whatsoever, but these have changed and are not even the same in English-speaking countries; thus their importance has somewhat diminished and is at best debatable.

"Recognition by one Grand Lodge of another Grand Lodge simply means that the former acknowledges the Masonic regularity, standing and authority of the latter and, of course, is based on the principles of recognition laid down by each specific Grand Lodge. Any attempt to authorize a simple set of rules is not very easy; however, the Conference of Grand Masters which meets annually in February, on or near Washington's Birthday, is guided by a Commission on Information for Recognition and from this beginning came a publication on recognitions which at best is only a guide to the Fraternal Correspondent and his Committee.

"The publication on recognition sets forth the following guidelines, viz.: 1. Legitimacy; 2. Exclusive Jurisdiction; 3. Adherence to Ancient Landmarks; 4. Belief in the Supreme Being; 5. Use on the Altar of Masonry of the Volume of the Sacred Law; 6. Prohibition of Politics and Religion. Standards of Recognition based upon rules laid down by the Grand Lodges of England, Scotland and Ireland are also suggested for use as guides."

The Committee also devoted two pages to the Grand Lodge of Ireland. The account tells the same depressing and yet inspirational story which has been recorded in these Reviews.

The important news by the Library and Museum Committee was the report of the dedication of the Bentley Historical Library of the Michigan Historical Collections. Our Fraternal Reviews for 1970 and 1973 described the project in some detail.

MINNESOTA — 1974

One Occasional Communication of the Grand Lodge was held at Eveleth "for the purpose of installing a Corner Stone at the new U.S. Hockey Hall of Fame building."

The drop in the number of chartered lodges, 269 to 262, resulted from several consolidations and two charter surrenders. In one case three lodges united in one.

The great work of the Grand Lodge of Minnesota is the Masonic Memorial Hospital Fund. The first Masonic contributions were made in 1955-58 and netted \$1,000,000 to pay for a two-floor, 80 bed hospital, opened in 1958. In 1963-66 the Masons of the State raised another million dollars to double the size of the Hospital. The Masonic Memorial is operated by and is part of the University of Minnesota Hospitals. The net worth of the Fund today is about \$1,500,000 and provided about \$70,000 towards expenses of operation during the year.

In addition the Grand Lodge maintains The Minnesota Masonic Home and Care Centre which houses about 265 guests.

It is difficult to credit that Forest Hill Lodge No. 613 conferred 100 degrees. Chartered only in 1948, the Lodge, in Jackson, Hinds County, has 534 members.

The Fraternal Relations Committee recommended that the Grand Lodge recognize and exchange representatives with the Grand Lodge of Southern Africa and the Grand Lodge of the State of Goias, Brazil. The report was adopted.

The Grand Lodge, however, did not adopt a recommendation of the Grand Master that fraternal relations with the Grand Lodges of New York and New Jersey be resumed. Relations

were broken off, unilaterally, by Mississippi in 1966. Members of lodges in Mississippi can still visit in New York and New Jersey. The reverse is not the case.

MISSOURI — 1973

The Grand Master believed that the state of the Craft is comparatively good. He was encouraged by the large percentage of younger candidates.

Over the years these Reviews have reported on the Masonic Home of Missouri. The Grand Master in his address said that during the year he sent two letters to every Master Mason in the State, making a plea for direct contributions to the Home. Contributions totalled \$135,000. The Board considered building a new children's home but learned that other Jurisdictions were finding that the numbers of children requiring home care are declining. In Missouri the number had dropped from 39 to 12. Consequently, when bids for the new home ranged from \$600,000 to \$800,000 the Board decided unanimously not to proceed with the building.

The Committee set up to discuss the matter recommended the lowering of the age of candidates from 21 to 18. The resolution produced a lengthy discussion covering four pages of small type. The resolution was rejected.

Another resolution which produced much discussion proposed to move the date of the Annual Communication from June to November and change some rules relating to dates of lodge elections. The resolution was referred back to the Committee. On the following day provisions regarding lodge elections were left in but the change of date of the Annual Communication was dropped. The Jurisprudence Committee concurred and the amended resolution was adopted.

The Grand Historian in a page and a half gave many details of early Montana Masonic History. Bozeman Lodge, No. 18, observed its centennial. The significance of this centennial can be appreciated when it is realized that Montana did not enter the Union until 1889.

NEBRASKA — 1974

This reviewer has not commented on distinctive names of Grand Lodges for some years. Once again he was struck by the name on the title page of the Proceedings: Grand Lodge of the Most Ancient and Honourable Fraternity of Free and Accepted Masons of Nebraska.

The Fraternal Review, prepared by M.W. Bro. W. B. Wanner (P.G.M.) once again covered a wide range of topics. In 1974 our Reviews told of his report on Proceedings of Grand Lodges by subject rather than by jurisdiction. Last year he quoted our M.W. Bro. Bruce Foster at length. This year he wrote: "The Grand Master of Ontario, speaking in West Virginia, stated that they had prepared a booklet called 'Beyond the Pillars' to be given to those who can no longer attend lodge, and think they have done a good deed. Perhaps we should think of something like this for Nebraska." The name of our Grand Lodge seems to trouble some reviewers. The suggestion that Nebraska should think of copying our example is flattering but this reviewer hopes that "Beyond the Pillars" will be read by all Masons in our Jurisdiction, not only those unable to attend lodge.

In writing of scholarships, the Reviewer stated: "In Canada, so far as I know, New Brunswick is the only one doing this work. \$4,500 was given to five boys and two girls, although \$6,000 was available." One can regret that he missed the Report of our Masonic Foundation.

In his travels the Grand Master found the Craft generally in good condition. He believed that more time should be spent in

meetings to study the Code and in acquainting the brethren in the work of the committees of Grand Lodge. He was pleased that a problem in Las Vegas had been resolved and that a new building was rising which would do a great deal for the betterment of Masonry. The Grand Master laid the cornerstone of the building which will serve all Masons in Southern Nevada.

The Grand Master gave his opinion that more buildings and places to meet, not necessarily big temples but small meeting places throughout the Jurisdiction, would lead to "the upturn and continuation of our Blue Lodge Masonry."

In addition to the Las Vegas ceremony the Grand Lodge met thirteen times to lay cornerstones, dedicate temples and conduct funeral services. The cornerstone ceremonies involved educational institutions, such as elementary schools and the University of Nevada, and two public buildings. The laying of cornerstones flourishes in Nevada.

The most interesting item for Canadian readers in these Proceedings is the account of the visitation of Victoria District Lodge of Education and Research from Victoria, B.C. The visitors demonstrated a 1760 degree to "almost five hundred delighted Master Masons" in the auditorium of the Masonic Temple, Reno. The international visitation took a great deal of planning. Reno is almost two thousand miles from Victoria.

"The 1760 Initiation Degree was portrayed in magnificent full and authentic costuming, according to the ritual of that era, and in a tavern setting, as was the custom in those days. The presentation, flawlessly portrayed, was delightfully different, interesting, and educational to all who were privileged to be present that evening."

According to the Grand Master "No year in recent history would be complete without a Cornerstone at the University of Nevada." The Grand Lodge laid the cornerstone of a new physical education and recreation building.

The Special History Committee prepared Torrance's "History of Masonry in Nevada" for reprinting and arranged for the printing of a second volume.

The Grand Master was invited to be the guest speaker at a Knights of Columbus meeting in Andover. He was asked to speak on Masonry. The meeting was also attended by the wives of the members. After a brief speech the Grand Master invited questions which showed a genuine interest and considerable knowledge of the work of Masonic bodies.

Although deaths totalled 183 and demits 45, the net loss in membership was only 37.

The Board of General Purposes met three times. Under the powers granted to the Board, it passed two resolutions.

"Be it resolved, in accord with the duties of the Junior Warden of all lodges that they be ever watchful to see that none of the craft be suffered to convert the purposes of refreshment to intemperance and excess, that no member of the craft shall attend at a meeting of a lodge while under the influence of alcohol nor shall any member of the craft serve or consume any alcoholic beverage subsequent to the opening of the lodge and prior to the lodge being duly closed.

"Be it further resolved that on the occasion of a banquet, dinner or of a reception in honour of any member of the craft in lodge premises alcoholic beverages may be served with the written permission of the Worshipful Master to be filed with the secretary of the lodge, and in conformity with the provisions of the New Brunswick Liquor Act prior to the opening of the lodge or subsequent to the lodge being closed or at such time as the Worshipful Master shall designate in the event of the lodge not meeting at labour."

Only one lodge on the rolls was not represented at the Annual Communication.

Over the years lodge secretaries complained when they were required annually to supply a list of all members of their constit-

uent lodges. In 1969 the entire membership was "put on Data Processing" and the annual listing was discontinued. Now the secretaries receive slips on which they record changes in membership, initiations, deaths and so on. The information is then fed into the computer to keep the membership file up to date. So far the system, which depends on accurate reporting by secretaries, seems to be working well.

The Grand Lodge unanimously adopted the resolution "That in the event of a National Emergency, the Grand Master and the Jurisprudence Committee shall have the authority to take whatever action is deemed necessary regarding the holding of any Grand Lodge Communication, Lodge of Instruction, Official Visitations, and Constituent Lodge Communications." The rationale behind the resolution was not made clear.

The drop in the total of lodges at the head of this Review reflects several consolidations during the year.

The Annual Feast of Saint John the Evangelist was held at the Mosque of Crescent Temple, Trenton. Approximately 900 brethren attended the traditional banquet.

The Grand Secretary's office, emulating New Hampshire, instituted a computerized listing of all members of the Jurisdiction. This programme is one of the many changes taking place in the modernization of the office.

After six months of planning and corresponding with other jurisdictions the Grand Lodge launched a blood bank programme on November 2, 1973. The project has gone a long way in a short time. Three districts per month have been scheduled to have drives throughout the year.

The loss in membership during the year was minimal when the total of 211 raised and 119 reinstated is taken into account. The Jurisdiction appears to be in a healthy condition. The Grand

Master offered a thought provoking explanation which may well apply in other jurisdictions.

"Throughout this Grand Jurisdiction, I found a deep and loving interest in Masonry in most lodges. I am of the opinion this can be attributed to a certain extent to the state of our nation and world affairs. It appears there is a greater need for the teachings of the craft. While there are lodges and members who show boundless energy, there are also those in smaller, inactive communities. The brethren in these areas are to be commended for hanging on and maintaining hope for the future. Lodges are only as active as their leadership. Strong District Officers and Masters can do wonders."

In a ten minute interview on the national T.V. Network, the Grand Master was asked if he thought there was a place in modern society for an organization such as the Masonic Order. Since the time allotted on the air was only three and one half minutes, the question and answer were not broadcast. The Grand Master gave his answer in his address at the first Special Communication.

"Well may we ask 'Is our ancient system, couched in stately and archaic terms to become another antiquarian relic of the past?' 'Is there no longer a need for a place where men can meet together in peace and harmony?' I think there is: in fact, I am fully convinced that it is more necessary now than ever it was.

"It is true to say that with all his ingenious scientific advances, what has changed the least of all is man himself. He is still as human as ever he was. He still possesses all the old hopes and fears; hopes and fears which are perhaps intensified by the growing loneliness which is one of the paradoxes of modern life. It seems to me that Masonic Lodges are, or ought to be, havens of tranquility for those prepared to seek and those prepared to listen to the age-old truths, symbolically set forth in our ritual. With the spirit of turmoil, and violence destroying the peace of the world the message of Freemasonry is more real and more vital today than ever it was. Is there a place for Freemasonry in modern society, the answer is an unequivocal 'Yes', not only is there a place but it is essential that its influence extends to all peoples.

"The principles on which the Order is founded are essential if we are to have a healthy society.

"Listen to this beautiful statement — the description of Brotherly Love. 'By the exercise of Brotherly Love we are taught to regard the whole human species as one family, high and low, rich and poor, created by One Almighty Being, and sent into the world for the aid, support and protection of each other. On this principle Masonry unites men of every country, sect, opinion and by its dictates cultivates true friendship amongst those who might otherwise have remained at a perpetual distance'."

Over the years we have read of many ways in which money has been raised for various purposes. The Australians have added a logical method. Lodge Hillston No. 627 organized a sheep drive to raise funds for an old people's home comprising six units and estimated to cost \$30,000, Australian (about \$41,000 Canadian).

Our 1971 and 1974 Reviews gave a great deal of information on plans to sell the bulk of the land on which the William Thompson Masonic School stands. During the year the Board of General Purposes agreed to sell the site of the Council of the Shire of Baulkham Hills. The sale price was \$9,625,000, Australian, (something over \$13,000,000 Canadian). The children will be housed in new buildings on a ten acre site retained.

Plans for a 24 floor office tower with ample space for Grand Lodge and constituent lodges on Grand Lodge property are developing. There is a suggestion, however, that many lodges which left the City Temple with the full intention of returning when the new Temple is completed would now prefer to remain where they are. One of the factors is the difficulty of driving into Sydney at night.

The Grand Lodge has a problem in the case of lodges wishing to consolidate. As the Constitution stands both must surrender their charters and start over. A committee is working on a new procedure.

The Grand Lodge has received many requests for information regarding the status of the Order of the Eastern Star. The

Board thoroughly investigated the whole matter and arrived at the following recommendation (somewhat abridged owing to limitations of space.)

"The Order of the Eastern Star in New Zealand operates under the Scottish Constitution of the Order, while the Order in America functions under the United States constitution, where it is accepted by all U.S. Grand Lodges. The Order is open to men and to women, although its membership is preponderantly female and its objects are to associate in one common bond those admitted to membership, and to give them a means whereby they may make themselves known to each other; become co-workers in the service of humanity, to give comfort in affliction, sympathy in sorrow, and aid in misfortune; to cultivate the social virtues and to promote the interests of true religion. The original objection to the Order was based on a membership qualification requiring members to be Master Masons in good standing or their wives, daughters, mothers and sisters; and a further requirement that a Master Mason in good standing should preside at meetings where degrees were conferred. There are five degrees whose lectures are based on Holy Writ and the lessons taught are Fidelity, Constancy, Purity, Hope and Charity. The ritual has no connection with our Masonic ritual, and the regalia is entirely different to our own.

"The Grand Lodge of Scotland and the Scottish Order of the Eastern Star held consultations which resulted in the offending portions of both the ritual and the constitution being amended to remove all reference to Freemasonry and Freemasons, following which the Grand Lodge of Scotland removed the ban on its members associating with the Order. The ban has also been raised by some other Grand Lodges with whom we are in fraternal amity. As a result of its investigation the Board is of the opinion that there is nothing in the constitution or ritual of the Order as practised in New Zealand, associating or claiming to associate it in any way with Freemasonry, and it is therefore not a quasi-Masonic organization. The Board will recommend that the Order of the Eastern Star (in New Zealand) should not be considered a prohibited organization in terms of Collected Ruling 64, and Freemasons may take part in it in their capacity as private citizens."

Grand Lodge approved the recommendation.

The Grand Master, though elected and installed annually, usually holds office for some years. At his installation in telling of his experience during the previous year he made some sound observations.

"As I have met my brethren from time to time, I have tried to urge them to take a constructive attitude to Freemasonry, a new look as it were, at the Craft in general, and their own Lodges in particular. I have urged them to cherish our heritage, preserve the essentials inviolate, and yet assess and respond to the challenges of the present. Thus may we continue to attract and inspire men of all ages to achievement, to character building, and the exemplification of our grand principles.

"I have seen Freemasonry in action from Kaikohe in the North to Invercargill in the South. In so doing, I have tried to meet every brother personally at each of the meetings which I have attended. This man to man approach to my office has, I believe, helped me to judge the strength of our Craft which is found just as much in our Master Masons as in our officers and those brethren who have graduated to rank in Grand Lodge. I tell you that Freemasonry is in good heart.

"Nothing is so good that it cannot be better. We are builders. We dare not function as grandstand critics of the efforts of others. We are not spectators of the passing scene. We must be participants in all that goes on around us and simultaneously act as exponents of all that our Craft stands for. Someone has said that we must stand for something, or else we shall fall for anything. As builders in a speculative sense, we know that the work must continue even if it can never be completed. If we suspend our efforts and rest upon the accomplishments of those who have preceded us, we are unworthy of our high calling."

With the developing interest in native peoples being displayed in Canada, the Grand Master's remarks on the attitude of the Maori to Freemasonry may appropriately be included here.

"It has been a great pleasure on my travels to meet and talk with so many of our Maori brethren. The Maori responds with sincerity to the principles we stand for. He is proud of the purity of his language, the poetry of his race, the romantic beauty of his folk-lore. All of these traditions enable him to feel very much at home in the Masonic fraternity. He is a natural orator and he enjoys our ceremonial and our ritual. He is gregarious, and so he happily participates in our fellowship. Our Maori brother is among the most loyal to his country, and also to the Craft. Sometimes because of a natural modesty he is not ambitious for office. But we have seen how well he discharges Masonic responsibilities when they are accepted by him. I would hope that we all and especially our Maori brethren, will take every suitable opportunity to enable worthy men of the Maori race, to form a favourable opinion of the institution, and seek to be numbered among us. Thus, with more of them in the Craft, may we be enriched and fully representative of our whole community."

NORTH CAROLINA — 1974

Although the membership showed a solid increase the constituent lodges are not indiscriminate in their acceptance of candidates. No fewer than 365 petitions were rejected. Another indication of the healthy condition of the Jurisdiction is the existence of three lodges U.D. The Grand Secretary, M.W. Bro. C. A. Harris (P.G.M.), was able to write "This is the end of my fifteenth year as your Grand Secretary and I must say that I believe it has been the best yet."

The Grand Master granted some dispensations which one does not often encounter in the Proceedings of Grand Lodges: to permit a lodge to hold meetings while its charter was being refurbished and photographed and three lodges to erect one storey lodge buildings.

The Grand Master attended the Annual Communications of only four Grand Lodges. We should feel flattered that one was ours.

NOVA SCOTIA — 1974

The Proceedings provide an interesting account of the establishment of Freemasonry in Labrador. Since 1950 the Grand Lodge of Nova Scotia has had a lodge, Polaris No. 114, Goose Bay, Labrador, within its jurisdiction. R.W. Bro. Sipprell (P.D.G.M.) Grand Secretary, in his seventeenth annual report, gave a full history of the circumstances which led to the warranting of a lodge in one province by the Grand Lodge of another. The Lodge was warranted to serve the personnel stationed at that great northern base—chiefly members of the armed forces of the United States, the United Kingdom, and the Dominion of Canada. The two District Grand Lodges in Newfoundland granted approval because at that time, there was no regular transportation available between St. John's and Goose Bay.

Since the big cut-back in Canadian strength at Goose Bay, the Lodge has steadily become more and more closely associated with the United States armed forces, perhaps almost to the exclusion of residents of the near-by town of Happy Valley. Now that the United States base is to be phased out over a two-year period and that the lease of the lot on which the Lodge Hall stands is to expire shortly, the future of the Lodge is much in doubt and a location nearer the town of Happy Valley becomes increasingly desirable. In the past twenty-five years, conditions have changed very greatly. Goose Bay is now far more readily accessible from St. John's than from Nova Scotia.

Now the brethren feel that they should have closer ties with Newfoundland Masonry. Nova Scotia must prepare to say farewell but as the Grand Secretary wrote "will ever remain proud that to us it was given to light the first Masonic light in the great vastness of Labrador and ever happy that Labrador's growth and prosperity have been such that the District Grand Lodges now find it feasible to warrant lodges in the territory that this Grand Lodge was privileged to open."

The Committee on the Condition of the Order were pleased by what they saw of the year's work in the Jurisdiction.

"The reports of the District Deputy Grand Masters as presented were encouraged in that they pointed out that in general all Lodges are carrying out their activities in ample manner. There were a few areas where concern for attendance was noted; however, this is not a unique problem. It was very clear indeed, that in reading the reports from the District Deputies that each has carried out his duties in a most commendable manner; our Grand Master is most pleased with the assistance provided. The average age of our membership would appear to be climbing as is indicated by the large number of 50 year jewels and 60 year bars that have been presented in the past year."

The Nova Scotia Freemasons' Home reported a successful year with a balanced budget. The Grand Master joined the residents for Christmas dinner cooked and served by two very active lodges in Halifax. The number of residents fluctuated between 45 and 38.

One of the Brethren gave notice of motion that he would move at the next Annual Communication that the annual dues for each member should be increased by five dollars, making a per capita levy of \$7.25. Operating a home is an expensive business.

Lodge buildings again suffered grievously from fires and tornados. One lodge building was completely destroyed by fire and another severely damaged. A tornado "damaged the famous building of Xenia Lodge No. 9. Xenia, requiring the eventual complete demolition of that beautiful, old mansion." Mason Lodge in Mason, Ohio, suffered from the same tornado. A Grand Lodge disaster fund campaign raised about \$145,000 to assist tornado victims.

The Grand Secretary stated that over the past four or five years one lodge per year had suffered a serious fire or catastrophe. He called on lodges to check their insurance policies, draw up a current inventory and make sure that records are stored in a safe place.

The Grand Lodge completed its first year of collecting membership statistics by data processing means. Lodge Secretaries appeared to look on the project with favour.

The Grand Master was concerned by the Sunday activities of some lodges which did not conform with the Ohio Code. He also reprimanded four Master Masons for taking part in a lottery of an appendant organization.

The Grand Master sent a letter to all W.M.'s calling their attention to the Scholarship Foundation. When established in 1965 the Foundation provided \$400 scholarships. Unfortunately erosion caused by inflation has reduced the real value of each scholarship. The year saw a milestone passed, however, as the Foundation was able to fund the scholarships, thanks to generous contributions totalling about \$57,000. Now the Committee can study the problem of increasing the aid given to students. The Fund stands at over \$225,000.00.

A successful project in the Jurisdiction has been the holding of Sojourner's Nights. Lodges extend a special welcome to sojourners and offer them a Masonic home away from home. On one occasion an Ohio lodge welcomed visitors from Maryland, Florida, Alabama, Kentucky, Idaho, Texas, Germany and Taiwan.

The Grand Master recommended the setting up of a Special Committee to draw up guidelines for a programme of placing Masonic historical markers throughout the State. Several grand lodges now erect dignified and permanent markers able to withstand the elements.

The Grand Lodge met in 16 Special Communications, almost all to lay cornerstones or dedicate new lodge buildings. However, the list included laying the cornerstones of the Cherokee Indian Museum, a new mosque built by India Temple of the AAOMS, and two school buildings.

The list of special dispensations shows that the "Oklahoma Indian Degree Team" travelled to Denver, Colorado; Munroe and Shreveport, Louisiana; and Nashville, Arkansas. They must be widely known and popular in West South Central United States.

Oklahoma was host to the Southwest Masonic Conference, the sixteenth meeting since its organization in Guthrie, Okla.

The following papers were presented and discussion led by each Jurisdiction:

Arizona—Methods of local Lodges Communicating with the General Public at the local community level.

Arkansas—Methods of how Grand Lodges can best communicate a program to the Subordinate Lodges.

New Mexico—How can we establish our image to our community, State and Nation?

Oklahoma—Methods of communication on the local Lodge level with their members. Methods of communication regarding Masonic Education to the Craft.

Texas—Should a Grand Lodge set up a long time program planned for Subordinate Lodges?

The Grand Lodge of Oregon is another Jurisdiction endeavouring "to capture names and addresses of members of all lodges on tape." The change necessitated extra work for the

Grand Secretary and lodge secretaries. Now the Grand Lodge can make a general mailing to all members without asking the secretaries for lists.

The Home Endowment Fund has almost reached the five million dollar mark set a few years ago as the plateau where the Fund would produce enough income to take care of the operating expenses of the Home. Now, as the Grand Secretary says, this is just "another rainbow" that keeps moving as we approach it.

The Grand Lodge working through the Committee on Masonic Culture operates an active circulating library and museum. Two large travelling display cases have been making their way around the Jurisdiction and are always available for special events at constituent lodges and districts. Two smaller portable display cases are also being prepared for use.

The Grand Lodge approved the construction of three one and a half storey homes at a cost of not more than \$120,000 each at the Masonic Homes. A new Masons Care Building, which will house 116 guests, was also completed and dedicated. Eight thousand persons attended the ceremony. The building was quickly pressed into service.

The open house celebrating the Centennial of the Masonic Temple in Philadelphia drew over 10,000 visitors. Members and friends bought more than 20,000 medallions produced for the occasion.

The Committee on Correspondence made a lengthy report on the history of grand lodges in Latin America. Two paragraphs are most informative.

"In general each Latin-American country has one Grand Lodge, with sole jurisdiction in the country. There are three exceptions. Mexico has 19 Grand Lodges in 18 States and the Federal District, and a 20th, the York Grand Lodge, with Lodges in several states and the Federal District and working in English. Colombia has 6 Grand Lodges in different regions of the country,

five named after the cities in which they have their See: Barranquilla, Bogota, Cali, Cartagena, and Cúcuta; and the Grand Lodge of the Andes (Bucaramanga). Then there is Brazil, where a confused picture obtains. On the one hand, there is the Grand Orient, an older Body, regular in origin, but that is considered to be irregular for several reasons, notably that it governs higher-degree Bodies as well as Symbolic Lodges, and because it has not required the Volume of the Sacred Law upon its altars. (Yet it is recognized by the Grand Lodge of England, which, in 1835, made a treaty with the Grand Orient giving England provincial jurisdiction for English Lodges.) The Grand Orient is not recognized by any Grand Lodge in the United States. On the other hand, there are now 20 Grand Lodges in as many States and the Federal District, all of which have recognition by a number of our Grand Lodges, including 13 by Pennsylvania.

"The total number of Grand Lodges in Latin America (including Puerto Rico) considered regular in origin is 64. Sixty-three of them hold recognition by at least one U.S.A. Grand Lodge, the single exception being Uruguay, considered irregular in practice because it does not require the Volume of the Sacred Law on its altars. Pennsylvania has recognized 37 of the 64, the non-recognitions being due primarily to the fact that no request for recognition was ever made."

The Board of General Purposes met four times during the year. They decided that the Centennial Celebration of the Grand Lodge should commence at the beginning of 1975 and that a Grand Lodge Birthday Party should be held in June, 1975, during the Annual Communication.

The Masonic Scholarship Committee granted four scholarships valued at \$250.00 each. In the past ten years the Grand Lodge has granted \$10,750.00.

The Constitution Committee spent a great deal of time and thought on their work. One change they have proposed is the prior nomination of officers. After much discussion the new constitution with one amendment, was adopted. The amendment is not without interest. It ran:

"The Worshipful Master may allocate to the Junior Warden the privilege of conferring the Entered Apprentice Degree, the Senior Warden the privilege of conferring the Fellowcraft Degree, with the obligation of each Degree to be given by the Worshipful Master or a Past Master."

In the Review for 1973, this reviewer gave some information regarding the French ritual used in Quebec. As it happened, the Proceedings misled the writer. M.W. Bro. H. A. Vallières (P.G.M.) has supplied a full account of the history of the French ritual (in use for more than a century) which is of such interest that it should be given here in full.

"In the Fraternal Reviews 1974 of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario there appears under the Quebec 1973 review the following statement: 'After many years of effort a French ritual has been established.'

"This statement is incorrect due to the fact that misleadingly worded reports have been published in the Quebec Proceedings, and the reviewer is not to blame for his interpretation. The truth is; not that there was no French ritual in Quebec, but that such a ritual has existed for over 100 years, when La Loge Les Coeurs-Unis No. 45 G.R.Q. was instituted in 1870. In the 1920's a revision of this ritual was made and is now in use in three other Francophone Lodges in Quebec.

"This misunderstanding started in 1970 when the Grand Master in his Address to Grand Lodge stated in part, 'The suggestion has been made that an abbreviated authorized translation into French language of the English language ritual would be helpful'

"This writer was appointed to head a Committee to do this work.

"Because in 1963 the English ritual had been revised with respect to certain symbolic phrases and to clarify procedure, it was thought that translation of these changes, correcting the existing French ritual, would be satisfactory. This was done and handed in for printing. In the meantime the succeeding Grand Master, knowing a Brother who was a professional translator,

asked him to verify the Committee's work. The Committee agreed to some of the modifications he suggested and expected the printing to proceed.

"Several months later a galley-proof was submitted. To our dismay, the entire ritual had been revised into an academic language which in many instances was inappropriate for Masonic ritual, in others erroneous and in others there were omissions; yet in numerous instances his style and wording was accepted as an improvement. The simple job of making a few changes to the original text became a gigantic task, and to date, after the fourth proof correction of the first degree only, we await a fifth proof, and we still have to work on the second proof of the second and third degrees.

"It is unfortunate that the original 1970 statements quoted above along with subsequent reports of Grand Lodge Officials up to 1973, referred to 'translation of the ritual into French' instead of 'revised translation of the ritual into French', thus creating the false impression that our Quebec English ritual had never before been translated into French. It is not surprising that the reviewer, R.W. Bro. J. J. Talman, misled by our Proceedings, made his observation."

The Report of the Board of General Purposes (p. 87) in the 1974 Proceedings has the information: "It is to be noted that the revised translation and printing of the Ritual into the French language is scheduled for completion and issuance this fall."

The fourth francophone lodge in the Jurisdiction, La Loge Delta, was consecrated on September 18, 1973. One can speculate as to whether the name was chosen because delta is the fourth letter in the Greek alphabet or because the capital letter is an equilateral triangle. The Lodge No. 136 meets in Montreal.

The Grand Master told of the presence of a clandestine lodge: "It was with regret that we learned once again there has been formed in Montreal a clandestine lodge under the aegis of the Grand Orient of France, which is not and cannot be recognized by the Grand Lodge of Quebec. While it was presumed that the majority of those forming the new lodge were persons formerly connected with the Grand Orient elsewhere and now resident in Quebec, it was recognized that some brethren might without full knowledge of the implications be attracted to associate themselves with the new lodge. Steps were taken in those areas considered most sensitive to inform the brethren that simultaneous membership in any body allegedly Masonic which failed to meet the three great and universal requirements of regular freemasonry or which involved itself in politics could never be permitted, and that any brother wishing to associate himself with the Grand Orient must withdraw from the Grand Lodge of Quebec, return his certificate

and jewels. In this connection, the attention of the masters of all lodges is drawn to Article 100 and 118 of the Constitution. From these it is clear that failure of a dissident brother to take this action would leave no alternative to the bringing of a charge.

"Although final reports are not yet assembled, it is felt that the brethren attracted have been very few."

The Grand Master also reported on the continuing dialogue with the Roman Catholic Church.

"This has continued actively throughout the past year, those participating having been expanded to include dedicated French-speaking brethren whose testimony has enhanced the understanding of our Roman Catholic friends. The causes of Roman Catholic disapproval in past centuries were examined by Father Brunet. Papers are in course of preparation which, after correlation, are expected to form the basis of a submission to Archbishop Gregoire which hopefully may have a favourable influence upon the liberality of the revision of the Canon Law of the Roman Catholic Church."

The Masonic Foundation of Quebec continues to perform a most worthwhile service by making bursaries available to teachers devoted to the instruction of handicapped children.

The Grand Master praised the work of the members of the Board of Benevolence and of the Aged Masons, Widows and Orphans' fund particularly for raising the total objective of \$350,000 (about \$479,000 Canadian) and commended them for their project of building an infirmary as an adjunct to the Sandgate Homes. This project will entail an appeal for \$500,000 (about \$685,000 Canadian).

Several lodges were consecrated or await consecration by the Grand Lodge. Freemasonry, despite the slight shrinkage in numbers and failure to keep abreast of the rising population, is in a healthy state in Queensland (which has a population of about two million.) But as the Grand Master said:

"Neither this Grand Lodge, nor any other Masonic body ever makes a public pronouncement on matters of national interest, or on questions of morality, so that the influence we have in the

community has to be expressed not directly, but in some indirect fashion. It is not altogether a collective responsibility; it is rather an individual responsibility. It is for us as individual Freemasons to use our influence in the community for its benefit. We must stand solidly behind any activity that has as its aim the welfare of the community and its betterment."

Since the fine title of the Grand Lodge of Nebraska has been mentioned, that of Rhode Island must be also: The Grand Lodge of the Most Ancient and Honourable Society of Free and Accepted Masons for the State of Rhode Island and Providence Plantations. And that is enough about names this year.

The Superior Court of Rhode Island ruled that the Masonic Home Fund, managed for over thirty years by the Grand Lodge charitable corporation, is and always has been a Grand Lodge fund. It has now been returned to the Grand Lodge treasury. The need for the ruling arose from circumstances involving taxes by the Federal Government and other considerations which were threatening the loss of a good portion if the funds by taxation.

SASKATCHEWAN — 1974

M.W. Bro. Duff, who served in many parts of Canada with the R.C.M.P. was initiated in Pembroke Lodge, No. 128, G.R.C. He was W.M. in 1950. Consequently we in this Jurisdiction have a proprietary interest in the Grand Master. In 1964 he was a charter member and first W.M. of Northern Star Lodge No. 216 at Prince Albert.

The Grand Lodge lost two highly esteemed Past Grand Masters: M.W. Bros. T. R. Luke (1957) and J. E. Burt (1961).

M.W. Bro. Morland reported that one of his first official engagements was to attend our Annual Communication and to present M.W. Bro. W. K. Bailey with his certificate of appointment as an honorary Past Grand Master of the Grand Lodge of Saskatchewan.

In his travels and visitations the Grand Master discovered that Freemasonry in Saskatchewan is a vital and important influence in all aspects of community life and endeavour.

The year was marked by many amalgamations of lodges. Five involved eleven lodges. The amalgamations were inevitable owing to the many changes taking place which affect the very existence of many small communities.

Edinburgh, with 37 Lodges, is known as the Metropolitan District and comes under the direct supervision of Grand Lodge. The District Committee reported that 431 members were initiated in Lodges in the Metropolitan area during the year, an increase of 11 over the previous year. Affiliates also increased from 16 to 28, making a total of 44. The Committee also reported that the work of restoration of the historic premises of Lodge Canongate Kilwinning No. 2 is progressing favourably. "It is hoped that all will be completed in time for the tercentenary celebrations." The 375th Anniversary of the first extant minute of The Lodge of Edinburgh (Mary's Chapel), No. 1, is eagerly anticipated.

The masterly way in which the Grand Master Mason received the Grand Master of the Grand Orient of Italy tells us a great deal of the warm spirit which permeates the Communications of the Grand Lodge of Scotland as well as the appreciation of historic events.

"Brother Professor Salvini, the international flavour of the meeting is today enhanced by the very great privilege which we have in welcoming to our Communication you as the Grand Master of the Grand Orient of Italy, Brother Bricchi, the Deputy Grand Master; Brother Gamborini, Past Grand Master; Brother

Dr. Maglio and Brother Della Campa who is also with us today. I may say, Brother Salvini, that it is not only with pleasure but with a sense of relief that we warmly welcome you into our midst this afternoon, as we have on record the disappointment experienced just over one hundred years ago when the members of our Lodge St. Clair, No. 362, in Glasgow, whose Master is, I understand, present here today, were looking forward to the visit to their Lodge of Brother Garibaldi, but who found that he had to return to Italy from London without ever having crossed the Scottish Border. I may hasten to add that there have been times in our history when it would have been unwise to have attempted to cross our Border without an invitation, but you can be assured that Brother Garibaldi would have been made most welcome, as you and your deputation are today. Grand Master, I extend to you and your deputation a most warm and fraternal welcome to the Grand Lodge of Scotland."

The head of this Review shows that a new Grand Master Mason was elected. The election occurs annually, but the Grand Master Mason is reelected. The retiring Grand Master Mason in his five years of office installed 35 Provincial Grand Masters and 11 District Grand Masters, visited 841 lodges at home and overseas and also visited officially grand lodges in 18 countries.

In September the Grand Master Mason visited Newfoundland.

The distinguished visitor at the Annual Communication was the Grand Master of the Grand Lodge of Turkey. The Grand Master Mason welcomed him in French. He then informed the Grand Lodge what he had said. One cannot but be amazed at the wide-ranging competence of many Grand Masters.

The newly installed Grand Master Mason informed the Annual Communication that during the preceding 16 months there had been "9,133 Intrants, a very gratifying figure." Furthermore no fewer than 11 lodges had been chartered, but only one in Scotland. He made a special point of showing that there were many places which would support a lodge.

Brother The Earl of Elgin and Kincardine, Past Grand Master, paid tribute to Freemasonry in the Glasgow Provincial Grand Lodge, which number 85 lodges.

"You know, there's a silly story told, and I am sure you know it, about the first prize for a prize draw which was one week's holiday in Glasgow, and the second prize was two weeks' holiday (laughter), but, Brethren, I often give advice to Brethren overseas about a visit to Scotland when they want to combine Masonic affairs, and I have often said that they could do little better than stay for two weeks in Glasgow and go to Lodges, for there is

concentrated in Glasgow the whole force of everything that means anything in the development of Freemasonry in Scotland. You have the old Lodges, you have Glasgow sweeping out of the nineteenth century and engulfing some country Lodges, you have both banks of the Clyde with all the industrial fervour which marries together in a Masonic Lodge and gives you in the Province of Glasgow something quite unique."

SOUTH AUSTRALIA — 1974

The Grand Lodge consecrated three new lodges during the year. The first, named after its location, has a unique name—Tea Tree Gully No. 218.

Initiations again exceeded the net loss, 477 to 380. Deaths also were lower than initiations. It would appear that the Jurisdiction is in a healthy condition. South Australia (Adelaide is the capital) has a population of something over one million. The membership therefore represents a higher percentage of the population than most Jurisdictions.

The Board of Benevolence emphasized the significant social changes which are occurring. Their comments are valid well beyond South Australia. Their stress on personal interest is particularly significant.

"First in the area of care for the aged. The whole approach to Benevolence by Freemasons must change in character to a more personal involvement by Lodges and form of assistance by the Board. 'Cash' assistance seems almost a thing of the past in the majority of cases. This does not mean that money from the Craft to assist those who have a need will be less; in fact the reverse could be the case. As Lodges get closer to those brethren and dependents who have a need, it will become apparent that personal interest is the vital element rather than impersonal money grants.

"Secondly, change is also becoming apparent in the area of education grants. It was disappointing to note that applications for four educational grants in 1974 were the lowest for many years. Social benefits and the remission of fees for education will mean that our present concept of such grants will have to be revised to determine where our help can be most usefully employed."

SOUTH CAROLINA — 1974

Once again Freemasonry has experienced a phenomenal acceleration in South Carolina. In 1939 there were 17,503 Masons in the State. The present figure is given above. In 1970 the population of the State was 2,590,516. The percentage of Masons in the population, therefore, must surely stand out in the world. The 1970 census showed that just over half the population is still rural. Can this fact be part of the explanation of the acceptance of Freemasonry in the State? As the Grand Master said there are a great many small lodges, many in small communities.

The Grand Master paid special tribute to his District Deputy Grand Masters, referring especially to the Workshops conducted in the Jurisdiction.

"These Workshops have now become an institution in South Carolina's Freemasonry. They bring together the recently installed Worshipful Masters from different sections of the State, and it is most stimulating to them to meet others who have the same responsibilities, and to bring up for discussion the problems which they have encountered in assuming the position of leadership in their several Lodges.

"Worshipful Masters have been telling their successors about the Workshops and urging that they attend them without fail when they have been installed as Master.

"The Workshop program has made an intangible but discernable contribution to the morals of the Fraternity generally throughout the State; and all of the individual Lodges have benefitted greatly in their organization and the conduct of their work."

The Grand Inspector of Lodges, Southern District, was pleased with the number of initiations and expressed his belief that the Craft is "once more on the move." And he said, "If one studies the history of the Craft these recessions occur every now and then." There are many moves afoot for the advancement of our Craft but he counselled "Make haste slowly. The Ancient Landmarks and Principles of our Order have weathered many storms, so let us go forth with Brotherly Love and adhere to the Principles laid down by our Ancient Brethren."

A motion that a Masonic Temples Fund be established by voluntary contributions from all members throughout the Jurisdiction to enable lodges to borrow at a nominal rate of interest for the building, maintenance and improvement of lodge buildings was carried.

TENNESSEE — 1974

The Grand Master granted many dispensations, all were routine except one "To hold a called meeting in Elben's Cave, . . . for the purpose of conferring the M.M. Degree."

The Grand Secretary listed veteran lodge secretaries. One has served since December 1931. Eleven have served since 1942 or earlier.

The Masonic Widows' and Orphans' Home of Tennessee has an education programme to assist "worthy young people who need financial help and encouragement with their educational problems." During the year the Fund was able to assist thirteen students, two in special training schools and eleven in regular college courses.

The Grand Librarian in his report stressed the importance of saving records of historic value.

“The importance of preserving the Masonic History of Texas becomes more and more imperative as the years pass. If records are not kept and documents not preserved many of the events will be forgotten. The many men who have contributed to the enrichment of past events have slipped into obscurity. An attempt is being made to locate information that again will make them a part of our records and highlight their contributions. The present is being preserved in records that may not mean much now but will in the future. Those who come after us will look on what we have done and the contributions that we have made.”

For the word Texas the name of any other Jurisdiction could be substituted including our own.

The Development Fund of the Masonic Home and School has reached well over \$4,000,000 paid in. All but about \$500,000 of pledges have been paid. It is hoped to raise the Fund to eight million dollars. The fifth of the cottage type dormitories was scheduled to be complete before the Annual Communication.

102nd Annual Communication — February 4-5.

Grand Master, 1973-74 — M.W. Bro. H. S. Hammill

Grand Master, 1974-75 — M.W. Bro. F. G. Irvine

Lodges, 31. Membership, 5,812. Loss, 131.

The Grand Master, in expressing disappointment that the centennial history was not completed and published in time for the Centennial Communication, suggested that someone should be asked immediately to start compiling a record of events, with programmes and pictures, for the future.

He also drew attention to a problem which exists in all jurisdictions and which should be kept in mind.

“A related problem in the conserving of the libraries of Masons that they not fall into junk dealers hands. Some brother should be asked to take the responsibility of applying to the

widows of Masons to acquire for the craft those jewels, memorabilia, and libraries before they are disposed of. Each of the lodges in the smaller communities should have its library and as duplicates of material are acquired, they should be made available to those Masonic collections."

The untimely death of the editor of the "Utah Mason" left the Grand Lodges in a difficult position. The editor published the journal as a private venture which he began shortly after the war. Grand Lodge must face the problem of deciding if it should take over the publication and the distribution and billing.

The installation of the Grand Master took place at the March Quarterly Communication. The Grand Master was proud of the fact that 2,000 and more were present but regretted that another 3,000 who had applied for tickets could not be admitted. In telling of his activity during his previous year in office he said he had tried to meet personally as many initiates as possible and concluded "I have been very impressed with the calibre of men, both young and not so young, but very largely young, that we are receiving into the Craft, and that speaks volumes for you, brethren, because they come to something that they know has virtue and value. We have had over 2,000 initiates in the past twelve months. It is slightly on the increase and I think that trend will continue. The quality is right, the quantity is growing, and our future seems to be in good hands. Over all, the membership of the Craft is slightly lower than twelve months ago — it is about 93,000, I believe — but that, I think, may represent the beginning if an increase from some months back."

The Grand Master spoke with concern of the aging of Masonic buildings and the movement from city centres to outlying suburbs. He, therefore, proposed setting up a small "very high powered" committee to study all aspects of the problem.

One of the last acts at the December Quarterly Communication is the nomination of the Grand Master who is installed at the March Quarterly Communication. The Grand Master elect is R.W. Bro. Major General Sir Robert Risson, D.G.M.

VIRGINIA — 1974

Grand Master, 1973-74 — M.W. Bro. W. C. Vaughan

Grand Master, 1974-75 — M.W. Bro. S. W. Miner

Lodges, 344. Membership, 70,832. Loss, 189.

The Grand Master reported that he had travelled 60,000 miles during his term of office, "covering Virginia like the dew." In the process he visited all the Educational Conferences. He is convinced that Virginia has "one of the best non-ritualistic Masonic education programs in existence."

The Jurisdiction played host to the Northeast Masonic Educational Conference which covers the most populated area of America.

The Annual Communication in 1973 voted to print "a complete Roster of our lodges, their officers, Past Masters and Membership at a cost of \$10,000.00. The information is now being sought from all lodges. The Grand Master also initiated an investigation of the cost of computerization and mechanization of the Grand Lodge record system. The question now is whether to print the roster or put it on a computer.

The Grand Master was faced with several interesting decisions. One problem could happen anywhere.

The Master of a Lodge owing to extenuating circumstances in his line of work as a policeman, could not be present at the Lodge meeting, and neither the Senior nor Junior Warden was present. The Brethren present opened the Lodge, initiated the candidate, and closed the Lodge.

Upon learning of this incident and, after due investigation, the Grand Master healed the irregular initiation of this candidate and reprimanded the Lodge for its action.

WASHINGTON — 1974

117th Annual Communication — June 18-20.

Grand Master, 1973-74 — M.W. Bro. T. H. Craig

Grand Master, 1974-75 — M.W. Bro. C. B. Mix

Lodges, 286. Membership, 55,673. Loss, 1,353.

M.W. Bro. Craig was born in Regina, Saskatchewan, October 29, 1903, and received his early education in a number of primary and secondary schools in various parts of our West. He joined an uncle in Washington as a young man. An early accident with a lye solution almost ended his life but he overcame the

difficulty. Unfortunately the after effects struck during his year in the Grand East and he spent the last four months of his term of office in hospital. All Masons will be pleased to know that when the Annual Communication opened M.W. Bro. Craig was in his place and delivered the report on his year.

Last year this reviewer raised the question as to whether Fairbanks, Alaska, is actually "the farthest North Masonic Lodge in the world" and suggested that some places in Norway, larger than Fairbanks might have Lodges working. Thanks to a handbook for 1974-75, supplied by our Grand Secretary, and a visit of a Norwegian relative of this reviewer to the Office of the Grand Lodge of Norway in Oslo, the picture is now clear. Fairbanks lies between 64° and 65° north latitude, Tromso between 69° and 70°, and Hammerfest between 70° and 71°. In Hammerfest there is only a "Broderforening" or brotherhood (a Masonic club) of 43 members. This brotherhood was begun in 1955 and reports to St. John's Lodge No. 13 in Tromso, which has the most appropriate name "Stella Polaris." The Lodge in Tromso, owing to its latitude, must rank as the farthest north lodge in the world. "Stella Polaris" began as a brotherhood in 1901 and received a charter in 1919.

M.W. Bro. F. Winkels (P.G.M.) again wrote over 60 pages of excellent reviews. In his Foreword he pointed out the great importance of Masonic Education. As he wrote "of course, there is no single or simple remedy or solution available for the problems presently perplexing our Craft, but, undoubtedly, the most effective approach would be a continuing and comprehensive program of Masonic education to inform and motivate the officers of the Lodge to perform the duties inherent with the office which they occupy that they in turn may be qualified and dedicated to bring 'Light' and 'More Light' to the brethren of their Lodge.

We cannot and should not expect our candidates to be 'turned on' regarding something of which they have little or no knowledge. When no systematic effort is made to explain the principles and purposes of our Craft, its goals and its ideals, nor provide the means whereby they may learn its history and its ritual, or take a part in the activities of the Lodge, then lack of interest and apathy are the certain result."

WEST VIRGINIA — 1974

Three brief paragraphs in the Grand Master's Address stood out as they have wider validity than in West Virginia only.

"Every officer, when conferring the degrees, should be mindful of the fact that the words they are speaking are strange to the ears of the candidate, therefore, extreme care should be taken to speak distinctly and slowly. The first impression made on a candidate is a lasting one. As beautiful as the ritual is, when given well, it is urgent that each candidate be given every consideration so that he will benefit completely from his advent into our Society of Friends and Brothers.

"It is a sad situation when Masons know all of the ritualistic work perfectly, but fail to apply any part of the teachings in their daily living. Masonry is not judged on ornate temples, wealth or lavish furnishings; Masonry is judged on the actions, words and deeds of each individual member.

"Each of us, My brethren, must display the kind of moral living we are taught. If we represent Masonry well, when abroad in the World, we will be building the image of Freemasonry, our lack of concern can reduce the respect of those who might otherwise look upon the Order with favor."

The Grand Master issued a directive to all chartered lodges pointing out that another body had produced, for sale, a license plate for use on motor vehicles, done in gold and blue, carrying the name of the State of West Virginia and displaying the Masonic emblem. He warned that those who display these plates on their cars would be chargeable in the courts of the State, and also under the Masonic Code for unmasonic conduct. He required each lodge to read the directive in open lodge and to record the action in the minutes.

Twenty-four Grand Masters from Jurisdictions in the United States attended the centennial Communication. Several other Jurisdictions were represented by Grand Secretaries or other Grand Lodge Officers. The Communication was held at Laramie, where on December 15-16, 1874, a group of Masons representing four Masonic Lodges then operating in the Territory of Wyoming met and formed the Grand Lodge of Wyoming.

The Grand Secretary pointed out that he was only the eighth individual to hold the office. A check of the lists in our 1974

Proceedings, pages 218-221, shows that our Grand Lodge has had the same number since 1855.

The Grand Lodge adopted a resolution that the Grand Lodge commence the Annual Communication on the second Monday in August. The Grand Lodge frequently uses some public school facilities in connection with its Annual Communication and the public schools of Wyoming are advancing the start of school into the week of the fourth Monday in August.

The Grand Historian compiled a four hundred page history of the Grand Lodge and a sixteen page historical booklet for distribution at the Communication.

APPENDIX "D"
ADDRESS BY M.W. BRO. WILLIAM L. WRIGHT
AT THE
GRAND MASTER'S BANQUET
Held in the Canadian Room
Royal York Hotel, Toronto, Ontario
JULY 16th, 1975

THE GRAND MASTER: I am now going to ask M.W. Bro. B. B. Foster to introduce our guest speaker.

M.W. BRO. B. B. FOSTER:

M.W. Grand Master, Distinguished guests and Brethren. It is my good fortune, tonight, to introduce to you one who has served his church, his community and his fraternity with equal dedication, steadfastness of purpose, and devotion to duty.

Born in Roslin, in Hastings County — A graduate of Queen's University in 1926, and Trinity College in 1927, and began his career in the ministry as an assistant curate in the Church of St. George the Martyr, Toronto. Then off to Tweed—on to Hamilton in the Christ Church Cathedral. Back to St. George the Martyr as Rector and finally to Sault Ste. Marie among the hospitable people of Northern Ontario and surrounded by the whispering evergreens and the rock of ages.

In 1944 he was consecrated the Bishop of Algoma and in 1955 he was elected and enthroned as the Metropolitan of Ontario from which he retired last September.

He has actively participated in social, athletic and cultural programs of his community as follows:

20 years on the United Appeal. Always interested in football and hockey — as a matter of fact I saw his smiling face on CBC television as a lineman at a hockey game. A member of the Allied Arts Council for Sault Ste. Marie. In 1970 I attended a dinner given by the local B'nai B'rith group when they honoured him as "the Man of the Year" and in 1973 he was chosen by the city of Sault Ste. Marie as the "Citizen of the Year".

He entered the Craft in Tweed Lodge. Later he affiliated with The Barton Lodge where he became an officer but transferred to Hatherly Lodge, Sault Ste. Marie, and was its Worshipful Master in 1944-45-46. Elected Grand Chaplain of our Grand Lodge in 1947 — Member of the Board of General Purposes 1948. Later Chairman of the Committee on the Condition of

Masonry. Elected Deputy Grand Master 1953, and Grand Master 1955, our Centennial year. He delivered the sermon at the Divine Service held at the C.N.E. grandstand that year.

It is of interest to note that Bro. Wright addressed the assembled Masons at the 150th Anniversary of the Grand Lodge of New York in the Cathedral of St. John the Divine and was speaker at the Grand Secretaries' Conference in Washington in 1964 and the dinner at the Grand Lodge of Massachusetts at the celebration of the Festival of St. John the Evangelist in 1970.

He is a happy man, stern with himself but understanding the frailties of others while continually striving to assist in building a better community by his own example in everyday living.

My Brethren, would you welcome the Dean of our Past Grand Masters, M.W. Bro. William Lockridge Wright.

M.W. BRO. WILLIAM L. WRIGHT:

Most Worshipful Grand Master, Most Worshipful Brother Foster, distinguished guests and Brethren, I would be a strange person not to be touched by that most gracious introduction and I hasten to say thank you to one whose Masonic leadership has been respected for years in this jurisdiction. May I Most Worshipful Sir, at the outset, have the privilege of giving personal recognition to a dear friend of mine, who is at your right, in the person of Most Worshipful Brother Thomas Roy, Past Grand Master of the Grand Lodge of Massachusetts, who at the age of 90 is the epitome of all that is best in Freemasonry. His addresses have been a constant inspiration for many years and he might well be designated, amongst other honours received, as Mr. Freemason, North American Continent. (Applause)

At a very early age I was predestined to give Masonic speeches. Indeed at the age of 6 the writing was on the wall, and even at the age of 6, which was 65 years ago, in a way I was a Mason, because being brought up in a small village I was featured at concerts in the country school and was tutored by my mother. She always told me that when I appeared before the assembled guests in the school hall I should take a bow. There it was that at that age of 6 I was beginning to give recognition, I suppose, to the Worshipful Master at the altar. Then she said, "Whatever you do, William, whether you are going to recite or to give a speech, always put your hand over your heart." It seems to me I've heard something about that in Masonry too, about the sign of fidelity. I want to get across to you tonight that the experience I gained at the age of 6 has been tremendous. Only those who have been brought up in the small rural villages of the Province of Ontario and attended a one-room school have had to appear, and to wait for the moment when

the calico, transparent, curtain, was pulled asunder on the chicken wire from wall to wall and finally to be exposed to the glittering lights of six lighted coal oil lamps and two lanterns suspended from the ceiling. However, tonight, with this nostalgic background I well recall on this special occasion, 6 years of age, coming out and I must re-enact this — for the simple reason that, as I took my bow and I put my hand over my heart, I gave a momentous and philosophical dissertation in the following words and please do not interrupt me till I finish because the majestic overtones might be lost! Here it was, "Here I stand upon the stage, a pretty little figure, I hope the girls will leave me alone 'til I get a little bigger." (Laughter). Well, 65 years have gone by and once again, "Here I stand upon the stage!" Period. (Laughter).

The Grand Master got me into this situation tonight. He said, "You are to be the speaker at the Banquet," I replied, "They don't want to listen to a senile old, retired Bishop,—” Speaking of the Grand Master, (laughter) speaking of the Grand Master, I'm sure that on this last formal occasion you would want me to state that he has done a magnificent job during his term of office. (Applause). I started preparing this speech about three months ago and Most Worshipful Brother Turner was making his official visit to Nipissing West District at the Sault. When introducing him at that time to the assembled brethren, I said, "This is a dry run, on what I'm going to say about him at Grand Lodge." And here's what I said, "When our Grand Master hands over the banners of his office to his successor, he will do so with its shield unsullied and with its lustre increased." That brought its rightful applause but so did this, I continued, "Of course he has inherited a great tradition from those great Grand Masters who preceded him and he has lived up to it. (Applause).

Since my initiation 45 years ago I have been the recipient of affectionate Masonic fellowship. During my term when as Grand Master I visited all parts of the jurisdiction, I appeared before my brethren as a brother amongst brethren. The handles of Grand Master and Archbishop were always secondary and here's a good illustration that I think you will enjoy to bear this out. The general synod of the Anglican Church of Canada and the General Council of the United Church of Canada met three years ago at the same time at the Brock Hotel in Niagara Falls. We had a joint opening service at which I was presiding, and during the service a provision was made for what the liturgiologists call The Peace. Now for those of you who like me who are not altogether familiar with these innovations, it meant that the congregation got up off their chairs during a definite part of the service, took the right hand of his neighbour and greeted him in a quiet reverent manner with the words, "the Peace of the Lord be Always With You." I stepped down from the improvised Altar or Holy Table and the first person I met was a United Church

man, a farmer from South Western Ontario, and I proceeded to give him the ecclesiastical greeting but he beat me to it in a voice that could be heard above the whole assembly hall, "Hello Most Worshipful Sir, is it ever good to see you", (laughter). Is it ever good to see all of you my friends tonight once again!

I want you to share with me, the subject, The Glory of Freemasonry. Reflecting upon the history of the Order for the past 120 years, I should say that optimism has been the triumphant quality. Whether we refer to leadership or to Masonic Education or the Masonic Foundation or any aspect of Masonry, the spirit of Masonry remains high even though there may be a gradual decrease in membership. The outlook for the future is encouraging providing there is due recognition and understanding of our stirring history and more especially those basic tenets and principles which make our Craft beneficial to its members and to society in general. Let us never forget, that during the Masonic pioneer days in this jurisdiction there were problems to be solved, obstacles to be overcome and arduous tasks to be performed. Masonry has triumphed and its glory in the future will consist of those precious principles, eternal in essence which have been the inspiration of our Fraternity in the past and the present.

The question I ask you tonight, brethren, is this, "What is the secret of Freemasonry's perennial glory?" Sir Winston Churchill, British Prime Minister, war time leader and master of assemblies, possessed the heaven sent gift of clothing foundation truths in timeless words. It is characteristic, I think of all great souls that amid the inconstant and the changing they see the things which abide. Some years before his death Churchill was in the United States to receive an honorary degree. He was given a side trip to Niagara Falls. He hadn't been there for 40 years. He stood for a time in silence before the spectacle of that mighty cataract whose waters have plunged over the great precipice for ten thousand years. Asked how the falls compared with the falls as he had seen them 40 years before, Churchill replied with the characteristic twinkle in his eye, "Well the main principle remains about the same". What did he mean? What did he mean? To Churchill, Niagara was far more than the example of the law of gravitation. Here was a picture of the abiding principles which in all the cataclysms of human society remain eternally the same.

Amongst others the Glory of Freemasonry portrays four major principles which will forever remain a constant inspiration because they are eternal and the first is this, Integrity,—(integrity.) The Integrity of the individual runs through all our philosophy. The man who does his duty, the man who respects his family and his friends, the man whose dealings are marked by uprightness and intent, the man who is just to his employer, the man who is just to his employees, the man whose word is as good as his bond, that, Masonry teaches us from first to last, is the kind

of man who can weather all the storms that may beat about him and who can take a stand with his head up and his shoulders thrown back at the end of the longest day. Do these following words ring a bell? "Let no motive therefore ever make you swerve from your duty but be true and faithful and imitate the example of that celebrated artist whom you have once represented." Endeavour in a word to convince the world that merit has been your title to our privileges and that on you our favours have not been undeservedly bestowed. The Glory of Freemasonry is its emphasis on integrity.

The tragedy of our day is not that science has failed us. Science has projected man into outer space as we are witnessing at this very hour. Science has chained our natural resources including the turbulent waters of our land and made them serve our homes and our offices and our factories. Science has taught us how to project a voice of the human being around the world in a split second. We have learned how to devise and use machines and gadgets that our fathers never dreamed of. If scientists had had their own unhindered way ours surely would have been a happy generation.

But what has failed us is the lack of integrity in all strata of society. It would not be difficult to cite examples of this fact on the North American Continent during the past few years. **There's a lack of Integrity.** I hope no one will go home tonight without this point. There will of course, from time to time in history, be outstanding figures like Pitt, Lincoln, Churchill, Washington and others who will leave their stamp forever on the history of mankind. Yet in a democracy, in the long run, the quality and significance of leadership is determined by what is going on, down in the mass of society, and your leader is only the focus and reflection of what the common man is and thinks and does. Somewhere is recorded that once a young man with high dreams of a better world came to that great man Leo Tolstoy with a blue print kind of a world he'd been dreaming of and asked his judgment on it. There was a period of silence in which the great thinker's eyes look piercingly through the very soul of that young lad and his comment was, "My friend, if you really want to make the world better, you must first yourself be the very best you can." I know of nothing which is more important to our world today than that. That is Masonry. First, I say then that the Glory of Freemasonry has always been, is and will always be its emphasis on the Integrity of the individual.

Here is the second Glory of Freemasonry, which is at the heart of its philosophy. First Integrity, the second glory is Dignity. Dignity,—do these following words sound familiar? "As the solemnity of our ceremonies requires a serious deportment, you are to be particularly attentive to your behaviour at our regular assemblies." To enter the sacred precincts of a lodge and attentively observe the drama of a degree by an officer who possesses

a dignity of bearing and a respect shown by all is to witness Dignity. To show respect to officers and members by using their proper Masonic nomenclature is to exhibit Dignity. Be he a market gardener or a judge, a steel worker or a professor, a garage mechanic or a member of the Royal family, there is an innate Dignity to one's person which must be preserved in today's world. Masonry possesses the pointed principle of Dignity, the gift for all time.

Today, man is being equated with a machine. It is difficult at times to distinguish between them. There is something tragic in the sign over the complicated machine which reads, "Do not waste the time of this machine."

Two men at the top of the Empire State Building looked down hundreds of feet below and saw the people walking along the streets and one of them said, "Look, these people look like flies — that's what they must look like to God," That's a lie. Man made in the image of God to be defined as a fly? As you and I live in a world of wheels and systems which grind in monumental immensity you have every right to ask, "What is the individual worth? Has he the capacity to realize a personal Dignity?"

During my 30 years as Bishop I have had adequate opportunities to see Dignity in action amongst my people and particularly people of modest means and background. Two illustrations come to mind. In a tiny hamlet in the most northerly part of my diocese there lived for years a man who might be described as "a cultured recluse." His shack was modest in design, consisting of two rooms and a narrow verandah overlooking a steep hill at the bottom of which there was a narrow winding stream. He was of English parentage. He came to Canada as a young man and settled in Northern Ontario where he eked out a living over the years. As he sat beside the wood stove, whittling firewood, he recalled his early days in Devon. Couched in beautiful language, his stories were a joy and inspiration. That man possessed dignity. One hundred yards distant is a small frame church surrounded by $\frac{1}{2}$ an acre of land. Both Church and grounds were beautifully cared for by this man of God. Each Sunday he played the little reed organ by ear. Every time I visited that little church during my 30 years as Bishop, we always had the same two hymns, "The Old Rugged Cross", and "What a Friend we have in Jesus". On my last visitation, he amongst the 17 other parishioners said, "Goodbye", and he added these significant words in farewell, "God has blessed you, don't let him down." That is Freemasonry, The Glory of Masonry is its emphasis on dignity.

Now the other illustration bears out the same point. It has its setting 200 miles north of Sault Ste. Marie where the Canadian Pacific intersects the Algoma Central Railroad. There's a small station there where on many occasions I've had to wait

for a freight train for at least four or five hours. This was before there were any highways in the area, and I have had a church service there in that station at 6 o'clock in the morning. It was 37 degrees below zero F outside. The door leading into the telegrapher's part of the station was in two sections. The bottom part served as an Altar, and there in that modest waiting room around a Quebec heater flanked by a huge picture of a CPR ship on the wall with the description "Travel The Empress Way" were 37 Indians (young and old), all kneeling in reverence to receive their communion. Ten days later I was in Westminster Abbey in the presence of Royalty assisting in a service with all the historical splendour of the Centuries and as I meditated there, I thought of the contrast between the Franz station with the Quebec heater and the majestic Abbey, but what I shall never shake from my memory was the dignity of posture, of outlook and simplicity of my Indian brothers and sisters in that remote station during divine service. The Glory of Masonry is its emphasis on Dignity. Integrity, Dignity.

If I may just deviate for a moment, as I picked up that glass of water it just reminded me of the story of the fellow who was giving a speech one time and about every 60 seconds or so in his speech he picked up a glass of water and started to drink it. Finally after about an hour a wag seated in the back exclaimed "Well, by golly, that's the first time I've ever seen a windmill run by waterpower." (laughter).

Now to be serious and come back to my main theme, the Glory of Freemasonry, Integrity, Dignity. The third Glory of Freemasonry is Loyalty. — Loyalty. Each Mason is expected to so order his daily personal life, and business and professional activities that he will be a loyal and serving citizen of his own country. Loyalty is much required at this juncture of society. All authority seems to have gone by the board.

Possibly there is as much authority as ever in the home but in some cases it appears that the children are exercising it. The decline of loyalty in the home is one of the paramount signs of a degenerate civilization. The wave of crime over the North American Continent has simply shaken things to their very foundations.

Often law is disregarded and some of the laws on the books are held in scorn so that men take satisfaction in breaking the law. As long as there is a law in the statute book a citizen must be loyal to it, for if you break down one law, you bring all law into disfavour. Even in the church there are men in high positions who are demanding their freedom and declaring continually they can no longer be loyal to the ecclesiastical law. The secret of all good life, as I see it, is to have some central personality, some power that will knit all your life together so that you can

pay to that supreme personality the Loyalty that will make for the strengthening of life. Let us face up to the fact, brethren, that, as soon as we break away from the loyalty to God, we run into the lawlessness and disloyalty that are practices in our land at the present time. Freemasonry indelibly impresses upon us the principle of Loyalty.

When Queen Victoria was worshiping in St. Paul's Cathedral in London to give thanks for the recovery of the Prince of Wales, Tennyson wrote a very beautiful poem and this was the first line — "Oh loyal to the royal in thyself," I think that all loyalties are summed up in that sentence "To thine ownself be true and it must follow as the night the day, thou canst not then be false to any man." That is the Glory of Freemasonry. That is a lesson that all Masons must believe and what is important, must practice in their daily avocations.

Integrity, Dignity, Loyalty. There's one more Glory of Freemasonry that I want to submit to you before I sit down, which will enhance its lustre through the coming years and IT is Morality; the very essence of Masonry's philosophy. Integrity, Dignity, Loyalty, Morality.

This is an age of questioning. It is a time when authority is being challenged. Ours has been accused of being a permissive society — nothing is taken for granted.

It is a time of Exploration. I suppose every age in a sense has been a time of Exploration. In the 16th Century men were exploring the earth and what exciting days those must have been under the names of such explorers as Francis Drake and Columbus. Now it is quite different. There's not much about the earth that has not already been discovered. Men have been to the north pole, they've been to the south pole, and every far away place you can imagine, so now they are exploring the planets.

The artists are also exploring. More important, man is exploring himself, he's looking inside himself, he's trying to find out what makes him "tick". An increasing number of young people are exploring into the moral realm. What guidance can Masonry give in today's society which is exploring the validity of the moral law?

Here is a moral principle brethren which must be tenaciously held at all costs, that deep in the heart of things somewhere, there is an absolute standard of Morality. In His universe there is somewhere for every circumstance, a right as God sees it and a wrong as God sees it. I don't need to tell you in this day that whole conception is being seriously challenged and is under direct attack but the principle of rectitude is written into the very nature of the Universe. Froude, the great historian wrote,

"History is a voice forever sounding across the centuries, the laws of right and wrong. Opinions alter, manners change, creeds rise and fall but the moral law is written on the tablets of eternity." In this day of easy moral relativism which for so many the right is what you can get away with, or what the set you happen to move in approves, we need to remember that we live in a moral order and there's an absolute morality to which we must aspire.

I appeal tonight for the old time Morality. They are changing the stock in the shop windows these days. Very often the precious things of yesterday no longer seem to draw the busy and the preoccupied passerby. The old fashioned jewels of duty and discipline, temperance and continence, faithfulness, home and family — these are thought by so many to be out of date. We hear the remark, "Put them away on the back shelves. Don't talk about them anymore. Give free reign to your appetites and express yourselves. Never mention the words guilt, hard work or discipline." In other words these moderns would encourage the young to be prodigals by removing old fashioned restraints, family discipline and parental direction and I take a dim view of the way that the principle of morality is being prostituted on television before our children, when the Lord's name is taken in vain and perverted concepts of sex are polluting the minds of young and old. If we revert again to the jungle and live on the level of the animals, we shall drag down all that is precious in the life of the home, the family, culture and grace. This will not happen as long as man acknowledges the Glory of Masonry and its emphasis on Morality. The Glory of Freemasonry, Integrity, Dignity, Loyalty, Morality.

The story is told of a clergyman who was invited to fill in at a parish where the former minister had just died. The clergyman appeared on the Sunday and after his sermon, at the conclusion of the service he made his way to the front door to be greeted by the parishioners. One old lady came up and conveyed her compliments. The clergyman replied, "Your parish, by the death of your minister, is a broken window, and I am just a piece of cardboard filling in." In quivering voice she replied. "Mister, you are no cardboard, you are a real pane." (laughter) I leave the connotation of this story to you as I come to the end of this address.

I suggest to you Most Worshipful Sir and brethren, having first suggested to myself in all humility that these are things that are uniquely and distinctly indigenous to the Glory of Freemasonry, — Integrity, Dignity, Loyalty, Morality. Thank you. (Applause).

Appreciation: R.W. BRO. E. W. NANCEKIVELL.

Most Worshipful Bro. Wright — On behalf of the Grand Master, Officers and members and guests of the Grand Lodge

of Canada in the Province of Ontario, it is my sincere privilege tonight to express to you our grateful thanks and deep appreciation for your very fine address. We have been used to expecting a fine Masonic presentation from you and our anticipation was high. They say in many great events that the anticipation is greater than the realization thereof, but tonight of course has been just the contrary, and our realization of your great oration, far exceeds our keenest anticipation. You have been, and you may not realize this, a sort of hero figure to many of us who have been privileged to know you. An Ecclesiastical and a Masonic hero, and your address to us tonight has, if that is possible, increased the esteem in which you are held by your brethren. This hero bit goes back a long way to when you came to Christ Church Cathedral in Hamilton as a young curate and I a wee choir boy, and we thought of you as a hero at that time because of your physical prowess as a hockey player. I must enquire from Lauchlan Hallam or George Masters or some of the other brethren of the Sault whether you have (now that you have retired from your work as Archbishop) followed out your promise, or was it a threat, to become the resident spiritual advisor at the Holiday Inn at Sault Ste. Marie. (laughter). It is said that a prophet hath no honour in his own country but Most Worshipful Sir we are most honoured to have had you address us here this evening. For the third time; you notice I did not say the third and last time, but for the third time because we may dare to hope that on some future occasion at just such a communication as this we may be privileged to hear you again. Your words, your thoughts, and your great oration will long be remembered. Thank you so much.
